April 21, 2021

## **Greetings to my fellow CCA alumni, supporters, and friends,**

I never dreamed I would be writing a letter to you from the president's office on this campus, but I have never known so clearly that I was supposed to be anywhere! Christina and I, after 34 years, are happy to be home and are thankful for God's guidance and blessings today.

Thank you for being a support to Carolina Christian Academy (CCA). Because you are a supporter, we want to share an update with you about CCA and the recent campus improvements. We also want to share some future plans.

We are anticipating increased enrollment for the 2021/2022 school year. Beginning in the fall, we hope to go over 70 in our enrollment. God has blessed us financially and we were able to meet our monthly payroll and pay all of our bills this school year. We are thankful for our students and their families. Our faculty and staff are hard-working, dedicated to ongoing training and the development of the school, and have committed to the school for another year. We are dialoguing with several potential teachers whom we could add to our staff as we grow. We are also making vital changes to our curricula to better serve the students. We need your continued support and prayers as God seems to be calling us into a new era at CCA with a uniquely missional focus. We want to develop the campus while we grow and improve the school to help strengthen the families in our local churches and community. We want to see children and young people put their faith in God and enter into a life-changing relationship with Jesus and then help strengthen their faith through a quality Christian education.

**Project 1: We will start an early learning center [preschool] for students K3 and K4.**

We have already started to remodel the annex building (the old college building) to house the preschool. In order for us to meet all the requirements for having a preschool, we will need to spend \$30,000.00 on this remodel. The Lord is already working, and we have received an initial donation of \$10,000.00 toward this project. We need to raise \$20,000.00 more to complete the remodel. Our goal is to open a five-star rated facility. We need to raise these funds as quickly as possible because we hope to start the preschool soon!

**Project 2: We will remodel a home for the Blacks (*a note from the CCA board*)**

We are remodeling the first brick house on our campus for President David Black and Dr. Christina Black, administrator of CCA. Presently, they are living in an apartment that will be needed to house a teacher, and all of David and Christina's possessions are in storage. We have been able to raise \$10,000.00 for this project too, but we still need an additional \$20,000.00 to complete the remodel on the president's house. It has been gutted, the outside brick disrepair has already been fixed, and the ceiling is already finished.

**Project 3: We will repair and upgrade our campus and facilities (*a note from the president*)**

We look forward to welcoming all of you back to campus at exciting event times in the future. But in the meantime, we have many challenges with our aging facilities that we need to address right away. We will need funds to replace some of the roofs in the next five years. Until we can do full replacements, we have to keep the leaks repaired and we need to repair ceilings where the leaks have occurred in multiple buildings. We need to repair the exterior parts of our buildings such as the soffit and fascia. We need to refresh our landscaping and replace our flagpole. We have a storage shed that needs a roof and two others that need doors replaced. We need \$10,000.00 to do these vital emergency repairs.

We are thankful for those who have given financially and for those who have given of their time through the years. God has entrusted us with this beautiful campus and facilities to use for His glory and to serve His saving mission. We want to maintain and build to effectively serve every day.

**Would you consider giving to help us complete these important projects and also help us do vital repairs to our facilities?**

**Our goal is to raise a total of \$50,000.00!**

*If we had:*

*10 people to give \$1000*

*20 people to give \$500*

*60 people to give \$250*

*100 people to give \$100*

*100 people to give \$50*

*We would reach our goal easily! Would you join one of these groups and give? Let us build for the spiritual development and the future of our families, our community, and our children.*

**If you want to help us reach our \$50,000.00 goal you can give:**

- 1. By mail: Send all your contributions to Carolina Christian Academy, 367 Academy Drive, Thomasville, NC 27360, or*
- 2. Give online at [www.givebox.com/presidentsappeal](http://www.givebox.com/presidentsappeal).*

*If you have any questions about how to give, contact the CCA office at #336-472-8950.*

Sincerely,

A handwritten signature in black ink that reads "David Black".
