MEDIA RELEASE

Date: December 14, 2023

CHRISTIAN COUNTY HEALTH DEPARTMENT TO MOVE INTO NEW LOCATION

Taylorville, IL - On Friday, December 15th the Christian County Health Department will relocate to their new offices located at 703 N. Pawnee Street in Taylorville. To accommodate the move, the office will be closed Friday the 15th and Monday the 18th of December. We will resume services Tuesday, December 19th at the new location.

The new location and building will allow the Department to continue with what they have been providing the community and to expand their services. The building is located in a more visible area of Taylorville and will make it easier for patients and clients to find.

Christian County Public Health Administrator, Dr. Chad Anderson is looking forward to the move. "We are excited to be in a more central location, to be more visible. This new building will also allow us to grow and be able to serve more as we grow." Dr. Anderson asks the community to please be patient during this transition to the new space, "we know we will go through an adjustment period as we begin to work and see patients and clients in the new building".

Should you have any questions about our new location or to schedule an appointment, please call our offices 217-824-4113.

Dr. Chad Anderson, MPH, Ph.D
