

K.O. Barber Academy

\$1000 Barber School Scholarship Information

(Application Deadline: July 15th)

Thank you for your interest in applying for our scholarship opportunity. Each scholarship application will be evaluated by the academy staff and decided upon in a timely manner. Before submitting the application to the academy please make sure the application is filled out entirely. To be considered you must also submit an official school transcript documenting the student's GPA and attendance records. All applicants must be a class of 2022 Graduate to qualify for this scholarship opportunity and at least 16 years of age.

**** Please read and understand this entirely before submitting the application to the academy.****

All applicants will be considered in a fair manner based upon the information submitted to the academy. The scholarship award will be deducted from the full tuition balance (example: if the tuition is \$7200.00 the student's balance would be \$6200.00 and all monthly tuition payments would be based on the \$6200 tuition amount). Once awarded the scholarship the student will have a year from the official award date to enroll. If the student has not officially enrolled in the academy during that time frame the applicant forfeits the scholarship. Every student who enrolls in the academy must pay \$1000.00 down to enroll which will cover the students first monthly payment as well as the kit and textbooks. The \$1000.00 scholarship CANNOT be used towards the down payment; it comes off the full tuition balance. You can find the current tuition for each program on our website at kobarberacademy.com. If you have questions please feel free to contact us at info@kobarberacademy.com or call us at 423-888-8552.
