Missed Appointment Policy

Tybee Teeth considers a missed appointment to be:

- A change in your appointment with less than 24 hours notice
- When you do not show or call for your appointment
- If you arrive 15 or more minutes late for your appointment time

Tybee Teeth is dedicated to your quality of care and is pleased to reserve an appointment time just for you. Should a change be necessary, we require a minimum of 24 hours notice. This permits another patient to receive dental care in your absence. If proper notice is **NOT** given in a timely manner, a **\$50.00** fee will be charged to your account. Thank you for understanding!

I, _____, agree that in the event I should need to reschedule an appointment without a 24 hour notice, a fee of **\$50.00** will be charged to my account.
