

Singleton Cole 1910

And Wholesale List

SINGLETON & COLE'S PACKET TOBACCOS.

The majority of our Packet Tobaccos are packed in exceedingly neat square packets by patent machinery.

In manufacturing Tobaccos, and to produce the best results, it is absolutely necessary to possess the right materials, combined with an "up-to-date" plant and machinery.

Everything about our Factory is modern and our methods and good results have only been attained by a long and varied experience as Tobacco Manufacturers.

CIGARS OF OUR OWN MANUFACTURE.

13

Our Cigars are manufactured in a separate Model Factory, and we only employ first-class and experienced makers. We will gladly grant permission to any of our customers to inspect our Factories at Shrewsbury, so that they can see for themselves the healthy conditions under which all our goods are produced.

Opening Orders.

NEW BEGINNERS will find in our stock all they require, special attention being given to Opening Orders, and great care taken that nothing but saleable goods suitable for their neighbourhood are supplied. Those acquainted with the trade will fully understand the importance of this precaution, and we invite an inspection of our stock before handing over money to strangers for goods they have never seen, and which very frequently turn out quite useless for their requirements.
