CHOOSE YOUR SHAMPOO:

Emu Oil

Formulated to penetrate and condition the skin for ultra-moisturizing severely dry skin. This formula absorbs into the skin, promoting epidermal growth and dermal thickness while enhancing hair growth

Shed-less

Designed to clean and condition the coat while penetrating the skin to moisturize, repair and strengthen the hair shaft. The combination of almond, grapeseed and coconut oils provide nourishing Omega 3/6 fatty acids and nourishing vitamins that are essential to effectively reduce shedding.

Sno-Flake

This formula will keep your light-coated pet looking brilliant with a natural, coconut-based shampoo. Full of botanical conditioners and restorative properties of almond oil, vitamin E, and glycerin, it soothes the skin while making the coat whiter & brighter.

Baking Soda Deodorizer

For the dirtiest dogs, this deep cleaning and deodorizing shampoo has powerful cleaning with moisturizing components of aloe vera to attack grime. Nourishing vitamins A, C and E add final touches of shine and luster. Scented light baby powder.

Hypo-Allergenic

For the pet with sensitivities and allergies, choose our mild, fragrance-free shampoo. Gently moisturize your pet's skin without stripping away essential oils. Soap and detergent free.

Tea Tree

This wintergreen-scented shampoo is a deep cleaning solution with natural properties that act as an antiseptic, fungicide and bacteriostat reducing overall bacteria production. This formula is 100% free of tar and sulfur.

Oatmeal Almond

Oat protein, almond oil, and nutrient-rich vitamins combine to create a shampoo formulated to moisturize skin and soften dry damaged hair.

Medi-Tar

Contains a veterinary formulation of solubilized coal tar USP and natural aloe to soothe itchy skin or inflamed areas of the skin caused by hot spots, seborrhea and non-specific dermatitis.
