October – December 2020

***Dear Clergy, Family, Business Owners and Friends:***

Greetings to everyone that has endured these trying times, during this Pandemic of the Corona Virus/Covid 19 year 2020. There is such a feeling of overwhelming doubt, gloom and despair in the land. Isolation and quarantining is the norm. People are overwhelmed with feeling all alone. My mother, The Late Pastor E. R. Allen-Staton made her transition 25 years ago to heaven on October 10, 2020. Many Tributes have been given to her. Her life touched thousands from Radio to Television over 30 years in Ministry, in the Chicagoland Area, through her Church Christ Bible Center. Her travels as an Evangelist were extensive and life changing. In her memory, and another way to honor her Legacy, I have started production for a Self-Esteem Movie, to encourage those that have been a victim of emotional, spiritual, financial and physical attack. Those that are overcome with anxieties their goals will never be achieved.

All the riots and news reflect are negative actions, for the most part. I want to uplift people spirits for a change, of feeling hope, and know a healthy lifestyle is possible. We know through Christ all things are possible. Even during this time when a Pandemic and a vicious political world wind is prevalent. There is a way of escape to feeling victorious. Many have health challenges, but this Foundation and Movie will help assist with showing others, how they can succeed through trying times and situations.

My 501c-3 is pending, as you know that will open many doors for counseling, life coaching, seniors, single parents and youth programs. I am asking for your support to bring these projects to fruition. The cast and crew are phenomenal. We are pushing to keep our deadline. Our budget is for both projects combined is 13,500.00 to complete. This budget is certainly attainable with your help and support. You can support me by **Cash App: \$LyndaAllenWashington or Zelle: 708 359-2746 or Make Checks Payable to: Lynda Washington Ministries, Inc.** No amount is too big or too small, but every donation will help us reach our goal. My Board of Directors are working very hard, because we believe in this project, wholeheartedly. If Pastor E. R. Allen was a blessing in your life, I am asking you to consider helping me with these projects. Time is sensitive. I am available to talk, or meet with you or your staff by appointment. Please contact me today so we can finish this year 2020 strong! Ask your business partners to match your gift. Together, we can make this happen quickly before winter comes, causing many delays. This will be such a blessing to inspire many to reach for their dreams. Hard work prevails.

God has given us favor with the best people, in the business for what we are trying to complete. Your generous donation, will help defray the cost, so we will not have to stop production. Please consider, helping us, with these 2 goals, that will be a much needed blessing to thousands. Team work makes the dream work. Each one, reach and teach one. Know that I appreciate your acts of kindness shown, towards me to complete this vision. View: Web Page: [jilota4law.com](http://jilota4law.com) Facebook: Lynda Allen Washington
