***Presents our 10<sup>th</sup> year Annual Christmas Toy Drive***

***December 23, 2022***

This is the time of year when we network and collaborate with others, to respond to the needs of families, that need assistance during the Christmas Season. During this pandemic, there has been several people that have been laid off, discharged, and forced to co-habitat while looking for housing. Many single parents and families have experienced great loss. Together we all win. Working together means winning together.

For the last 10 years we have been able to provide some relief with your, In kind donations, and with financial donations from private donors and cooperations. We are asking for your assistance in bringing relief this Holiday season as well. Our goal is to deliver water, food, toys, clothes and gift cards to families in need.

Please be informed we have our 501c3 and are in Good Standing. Any donations, you or your organization, will contribute is greatly needed and appreciated.

God Bless,

Dr. Lynda G. Washington
