*The Friends of Ontario Airport is a non-partisan, non-sectarian organization that unites people of all backgrounds into a special group with a common interest in aviation, and in the development and growth of Ontario International Airport (ONT) for the benefit of all persons.*

## Message from the President, Myron Saulpaugh

Hello Friends, and welcome to the new year! We could not believe what a year 2022 was, and we're already looking forward to 2023. ONT seems to be growing and changing daily. It's everywhere you look, from inside the terminals to the newly opened parking in Lot 6 outside. If you want to be a part of the excitement at ONT, please come to our meetings! We have a great time together sharing stories

about the airport, learning from expert speakers, and finding ways to be supportive out in the community. You're sure to learn incredible new things when you come, and don't forget – the good times are doubled when you share them with a friend. Bring someone with you to your next meeting!

## What a Success 2022 Was at ONT!

In 2022, Ontario International Airport saw over 5.7 million passengers come through the terminals. That's the highest number since the airport's return to local control, and they're proud to say that they've officially surpassed their 2019 (pre-pandemic) totals.

That means that 2022 will serve as the new standard for all of ONT's future growth! The more everyone continues to support the airport and travel with enthusiasm, the more growth will be possible.

## Do You Have TSA PreCheck Yet? Sign Up at ONT!

One of the great things about ONT is how little you have to wait in line to get through security. But ONT continues to innovate! They're now the first airport in the state of California to be offering a no-appointment-required TSA PreCheck Enrollment at the airport.

Next time you travel out of ONT, simply fill out an application online, find an Enrollment Ambassador by Gate 407, and get your approval! It can take less than five minutes, and again, you don't need an appointment. Isn't that convenient?

## Get Closer to the Terminal with ONT Connect!

Thanks to the San Bernardino County Transportation Authority and Omnitrans, you can get on a direct shuttle from Cucamonga Station right to the terminals! It's free if you're riding Metrolink, and runs seven days a week.

## Try ONT's New Cost Calculator

You can now compare the costs of travel in and out of ONT to other Southern California airports! Simply plug in the airfare for each airport, and let the calculator do the rest! You'll see how ONT can save you time, money, or maybe even both.

## ONT Now Has Turo

Turo is an app that allows people to rent cars owned by other people. You can now use ONT as a meeting place for renting someone's car after a flight! Simply use the Turo app to arrange the meeting, then follow the rules and guidelines for the rental.
