

Friends of Ontario Airport

April 2017

FRIENDS MISSION

The Friends of Ontario Airport is a non-partisan, non-sectarian organization that unites people of all backgrounds into a special group with a common interest in aviation, and in the development and growth of Ontario International Airport (ONT) for the benefit of all persons.

A few words from your "Prez"

Message from the President:

We are in the midst of putting together the golf tournament for May 19, 2017. This is the major fund raiser for the year. It is the time for members to get involved and get the word out to their friends that golf. We need sponsors, golfers and raffle prizes to make it another great tournament.

If you were not at the last meeting you missed a great presentation from Jun Lao of the FBI. He gave an interesting perspective on security at the airport and surrounding area. The current month's meeting will also be of interest to our members. We will have the teacher of the Baldy View ROP, Airport Careers Class, Pat Campbell, tell us about one of the major charities we support and how it relates to the future of ONT. You don't want to miss it.
