

Friends of Ontario Airport

April 2019

FRIENDS MISSION

The Friends of Ontario Airport is a non-partisan, non-sectarian organization that unites people of all backgrounds into a special group with a common interest in aviation, and in the development and growth of Ontario International Airport (ONT) for the benefit of all persons.

A few words from your "Prez"

Message from the President, Myron Saulpaugh:

It is hard to believe it is already April and the Ontario Airport is moving ahead in so many areas. The passenger counts are moving up and the cargo tonnage shows that ONT is number one in the country. There are many construction projects going on at the airport that will drive us into the future.

APRIL 18TH WE ARE MEETING IN THE BOARD ROOM AT THE ONT AIRPORT ADMINISTRATION BUILDING.

Dennis Anderson is this month's speaker:

Dennis Anderson is the Manager of Ontario – Airside from TBI Airport Management. He is responsible for Airside Operations and Airfield Maintenance at Ontario International Airport. Dennis is a self-motivated, proactive and accomplished executive offering years of experience in airport and airline management with expertise in strategic planning, employee development and operational planning. He has proven track record of leading people to accomplish and surpass organizational objectives. A strategic leader who employs a winning attitude and the highest standard of excellence.

Dennis worked in the airline side of the business starting with America West Airlines and ending his career as the Managing Director for USAirways at the Las Vegas Hub with over 1600 employees. He started his second career in aviation as the Manager for Henderson Executive and Jean Sport Airports with the Clark County Department of Aviation and departed as the Assistant Director of Airside Operations. He took his new position at Ontario International Airport in March 2018.

MEET JOHN SCHUBERT, CFO THE NEWEST ADDITION TO THE OIAA MANAGEMENT TEAM

John had been Senior Director of finance for the Tucson Airport Authority (TAA) for the past decade. John's leadership helped to transform the airport organization and culture while positioning the Tucson airport for long-term success.

John is a certified public accountant licensed in Arizona, and his career spans more than 20 years in financial management, operations and technology sectors. Prior to joining the TAA, he managed audit and consulting services for a variety of nonprofit clients in his work for a Tucson-based certified public accounting firm. Previously, he had been controller of a software development start-up and chief operating officer of two social service agencies with more than 1,000 employees and annual budgets totaling \$35 million combined.

John is a native of Illinois and earned a Bachelor of Science degree in Business Administration at the University of Arizona where he majored in accounting. He maintains memberships in the American Institute of Certified Public Accountants, American Association of Airport Executives and Government Finance Officers Association.

New Construction at ONT

There are three major projects under construction at the airport. First is the demolition of the West Cargo Ramp as the start of the FecEx expansion. Second is the Taxiway G improvement project that repaves the east section of the TWY along with gates 1, 2 & 3 by terminal one. Third is a new Cargo Complex that is for the Southwest and MTS cargo relocation.
