Catering Packages For All Gatherings

At Southern Spoon we have a saying...

“We want to be the second most talked about thing at your event.”

Having Southern Spoon Catering your event couldn't be easier. Set up a phone consultation, schedule a tasting (if possible), select a package, book us. Leave the rest to us.

Whether it is a corporate event or wedding, our attention to detail and amazing service will make your event special. We take pride in our work and strive to make it memorable.

Each menu is customized to your liking, including dietary requirements.

*“We Love Southern Spoon!
We love to go in and eat and
they also catered my wedding
this past weekend! The food
was a hit and delicious as always.
Adam and Crystal are the nicest
people and are so nice to work with.
We love them!!!” - Shannon*

*“Southern Spoon went above and
beyond to create the best catering
menu for our wedding! He took our
vision and put it on a plate. Adam
was so easy to communicate with,
beforehand and on the day of the
wedding. We received so many
compliments on the food, and it's
all thanks to Southern Spoon.
We would definitely recommend
booking them for your next
catering event!” - Raven*

Southern Spoon was founded in 2008 in small town North Carolina. Ten years later we brought our concept to Nashville and have quickly become one of the top choices for catering.

Our food truck allows us to bring fresh cooked food to any event. We recently opened our first restaurant in Smyrna, TN. Our love and passion for cooking helps inspire us to create fun and delicious recipes.

Southern Spoon offers customized creative cuisine and top notch services.
