July Meeting Highlights

New Meeting Date

Starting in September, the new monthly meeting day will be the 2nd Monday of each month. This change is made so our members can attend Marysville's City Council meetings and vice versa.

YCRCC endorses Trump

A motion was made and unanimously approved to endorse Trump in the March 2024 primary.

Dominique (Dom) Belza, Marysville Councilman

Dom gave a brief presentation on Marysville issues. He described how difficult it is to get road repairs done due to state level red-tape. Gas-tax money designated for road repairs is available,

but getting it is cumbersome and time-consuming.

Kevin Cyre On-The-Air

Every Other Sunday at 8 AM 1460AM & 96.5FM. His show will have special guests and he will discuss Shasta County issues. July 30 was an "on-the-air" Sunday. If you want to listen to a past show, you can listen to them at the station's website.

Kevin Crye is a newly elected Shasta County Supervisor. Democrats are trying to recall him because he voted to go back to paper ballots. **YCRCC** is dedicated to keeping him in office.

Food for Thought

For presidential elections, California is a winner take all state with regards to Electoral College votes. Since 1992 100% of California's Electoral College votes have gone to the democrat presidential candidate.

Only Maine and Nebraska appoint electors based on the winner of the popular vote within each Congressional District plus two "at-large" electors based on the winner of the overall state-wide popular vote.

Democrats would never go for it, but if California went to a district system, similar to the national Electoral College system, Californians living in "Red" congressional districts would no longer be voiceless with regards to electing Presidents. This would encourage presidential candidates to pay a lot more attention to California than they now do. Presidential candidates mostly ignore California because the outcome is a slam dunk for democrats.

Candidates Search

As an on-going effort, YCRCC is searching for candidates to run for a myriad of offices. All offices

are important! School board offices are critical!

Don't be put off by the red tape and funding that is required. You do not need to do it by yourself. If you, or someone you know, would like to run for an elected office, YCRCC is here to help you get started and to help you with your campaign.

Max Bonilla

For being only 18 years old, **Max Bonilla** has wisdom way

beyond his years. At the Capital Mall he confronted **Gavin Newsome** and the video went viral. He has been the guest on several radio and TV shows, including **Fox40**, **OANN** and **Newsmax**. If you would like to hear his views on a variety of subjects, such as fentanyl, Kevin Kiley, reparations for black-Americans, sex trafficking, etc., visit **Max's Corner** at the rebuildcalifornia.com website.

Chair Report

One goal of YCRCC is to make our presence known at as many events as possible. With your help we are doing a lot to achieve this goal. By having Swag Booths, we raise money to help support

candidates and worthy causes.

A huge thanks to all the Volunteers who helped run the July and August Swag Booths.
