### James O'Keefe / Kevin Cyre Event

On July 7, the Yuba, Nevada, and Placer County Republican Central Committees co-hosted an event in which **James O'Keefe** was the main speaker. The event was held at the spacious Destiny Church in Rocklin.

Our YCRCC Chair, **Johanna Lassaga** was the MC. **Dawn Contreras Douglas** sang a cappella a beautiful rendition of our National Anthem. **Kevin Cyre** was the guest speaker.

**Kevin & Johanna**

After only 3-months on the job as an elected District Supervisor in Shasta County, Kevin is fighting a democrat party effort to recall him. They want to recall him because he voted for going

back to using paper ballots that passed by only a 3 to 2 margin. Using paper ballots is the exact opposite of the democrat's campaign to only use voting machines. If, heaven forbid, the recall is successful, His Lordship, **Gavin Newsom**, will appoint someone to fill the vacancy until the next election.

**James O'Keefe**

James was the founder of **Project Veritas**. By way of recorded interviews, this investigative journalism company disclosed employees of organizations, that received taxpayer funding, being willing to do shocking and horrible deeds.

An example was employees of abortion clinics were willing to arrange for selling aborted baby parts.

**James O'Keefe**, an investigative journalist, is no longer with Project Veritas. He now is the founder of the new **O'Keefe Media Group (OMG)** that is dedicated to exposing corruption. **OMG** has started an academy to train citizens all over the United States on how they can legally expose corruption.

During his talk, James introduced **Max Bonilla**. Max is a truly exceptional young man with wisdom way beyond his years. He is so young; the next election will be the first he will be able to vote in.

Max is part of the **Rebuild California** organization that is dedicated to restoring sanity to our once great state of California.

**MAX's CORNER** is part of the [rebuildcalifornia.com](http://rebuildcalifornia.com) web site.

The above photo taken at the event shows **Orrin Heatlie**, founder of **Rebuild California**, and **Max Bonilla**.

An example of Max's wisdom is evident on a **Max's Corner** video where he counsels conservative republicans to not lose faith in **Kevin Kiley** for his not voting for the original resolution to Censure Adam Schiff (the "FFs" are pronounced "T"). The reason was the resolution, that included a \$16 million fine, would have been meaningless because it would have been declared unconstitutional.

### Chair Report

One goal of YCRCC is to make our presence known at as many events as possible. With your help, even in brutally hot weather, we are doing a lot to achieve this goal.

By having Swag Booths, we raise money to help support candidates and worthy causes.

A huge thanks to all the Volunteers who helped run the July Swag Booths.
