Guest Speaker

Denice Gary-Pandol, running for the US Senate, gave a brief version of her campaign speech at the May YCRCC meeting. She then fielded questions. Following the suggestion of a Trump advisor, she is visiting every county in CA. She wants to win Dianne Feinstein's seat for the GOP.

Meet and Greet

Kevin Cyre, on June 15, was at the YCRCC headquarters for a well-

attended get-together. **Jo Marie Fenn** donated plentiful and delicious charcuterie (word for the day) platters. Kevin, a conservative, is a newly elected Shasta County Supervisor. He is the target of a SF based democrat effort to be recalled. If he is recalled, Gov. Newsom gets to name someone to serve in his place until the next election.

For an "amateur politician," Kevin gave an excellent talk and answered many questions. Prayers were given for Kevin and his family, and for the recall effort to fail.

This country, especially California, needs more elected office holders, at all levels, regardless of party, like Kevin Crye.

Rebuild California

Rebuildcalifornia.com

is a web site worthy of becoming familiar with. It was the state-wide nerve-center for the recall Gavin Newsom effort. It continues to strive to bring California back to a state of sanity.

Every Wednesday from 6:45 to 8:00 pm Rebuild California has a live town hall meeting that is accessible via several social media channels.

Johanna Lassaga was the guest speaker for the June 14 meeting and **Kevin Cyre** was the guest speaker for the May 10 meeting.

Videos of these meetings, and many other videos, are available on the website.

James O'Keefe

O'Keefe, and his employees, have recorded officials of ultra-liberal government-funded organizations making compromising comments. The comments are truly horrible to contemplate.

His exposure of compromising recordings of Association of Community Organizations for Reform Now (ACORN) workers helped to bring about the elimination of government funding for ACORN and the eventual demise of the ACORN organization.

Candidates Search

As an on-going effort, YCRCC is searching for candidates to run for a myriad of offices. All offices are important! School board offices are critical! We plan to prepare a step-by-step guide as to how to become a candidate.

Chair Report

One goal of the YCRCC is to make our presence known at as many events as possible. By having "Swag Booths," we can raise money to help our neighbor county committees and to support candidates. Huge thanks to all the Volunteers who helped run the June Swag Booths
