**YCRCC Lincoln Dinner**

Meetings for the **3/23/2024 Lincoln Dinner** have begun. This is truly a team effort. Everybody's help is vital to make the event a success.

appearance starts at about 33 minutes into the program and her second appearance starts at about 1:13 into the program.

**October Meeting Highlights**

It was great to rehash how **YCRCC** was able to help prevent **CAGOP** from moving the platform away from long held conservative values. The nation was watching what California would do. The effort failed and we won the vote to re-adopt our conservative platform. There is no substitute for Victory!! Our chair, **Johanna Lassaga**, who is also a member of the **CAGOP Platform Committee**, played a huge role in making this happen.

**Eric Early** paid for the beautiful wrap job. The trailer looked good

- Margaret Atwell** and friend.
- 10/29** Arbuckle Car Show –
- 11/4** Foothills Lions Club Chili Cookoff
- 11/5** Sikh Parade (Nagar Kirtan) in Yuba City

**OUTRAGED!!**

**10/20 Johanna** was a guest speaker on the KABC radio show **OUTRAGED** hosted by **Mike Netter** of Rebuild California. **OUTRAGED** is a new weekly radio show that promotes conservative values. If you turned off the program after it seemed like her interview was over, you missed a lot. But, it is not too late to listen to the entire interview. Go to [rebuildcalifornia.com](http://rebuildcalifornia.com), go to the **VIDEOS** Tab, select the **OUTRAGED** drop down, hover over the shows until you find the **10/20** video. Johanna's first

before. Now it looks great.

**YCRCC in Action**

- 10/14** Plumas Lake Picnic in the Park. The Pop-up was used.
- 10/16** Colusa Central Committee meeting.

**Police State Movie**

On **10/23** and **10/25**, many **YCRCC** members attended special showings of **Dinesh D'Souza's** movie *Police State*. **Dinesh** rented the entire theater. Tickets were only available at his website. It showed how bad it really is in the USA today. The FBI needs to do a lot to recover the good reputation it used to have. It now has the reputation of being used as a democrat party controlled political weapon that is being used against conservatives, and especially against **President Trump**.
