YCRCC co-hosts Eric Early

Eric Early and his wife **Emerald**

8-15-23 **Eric Early** gave an inspiring campaign speech at Boyd Hall in Yuba City. The event was hosted by both Sutter and Yuba County Republican Central Committees. His speech was excellent! Never, not even once, did he refer to any notes.

Eric is against spending trillions that has fueled the inflation that is crippling Americans. He supports strengthening our borders, harsher penalties for fentanyl traffickers, the Parents' Bill of Rights, giving cops what they need to protect us, and efforts to end Russian aggression in Ukraine and bring peace

back to Europe. He believes Communist China must be treated as an enemy of our nation.

Eric is not a politician. He is only running to become our U.S. Senator because he believes it is his duty to correct the disaster that is being perpetrated upon us by career ultra-liberal democrat politicians. He will take a big cut in pay if he wins.

Eric has been an attorney for 30 years and he is the managing partner of a nationally ranked 20-attorney law firm in Los Angeles. He and his wife are the proud parents of 4 children. They have 3 dogs, 1 cat, and a young turtle that can live to be 120 years old.

In 2020, **Eric** ran against career-politician **Adam Schitt** for **Schitt's** House of Representative seat that **Schitt** has held since 2001. Unfortunately, the liar won.

In 2024, **Eric** hopefully will be the republican candidate to run against **Schitt**, or some

other democrat, for the open U.S. Senate seat.

August Meeting Highlights

Eric Early gave a wonderful talk at the **YCRCC** monthly meeting. It is safe to say he has **Trump's** endorsement because he was invited to both the White House and to Mar-A-Logo while **Trump** was president.

Eric Early's website: www.ericearly.com has a terrific video. If Emmys were given for campaign videos, his should win one.

During his talk, **Eric** mentioned how much he and his wife love **Orrin Heatlie**, the son of the editor of this Newsletter. **Orrin** ran the recall **Gov Newsom** campaign, and he is helping **Eric** run his campaign.

A motion was made for **YCRCC** to endorse **Eric Early**. It was unanimously approved!

Kevin Kiley also gave a brief, but excellent

talk at the meeting. In person, Kevin is very impressive. He is knowledgeable, and absolutely the right person to have a seat in the U.S. House of Representatives.

When asked why he initially voted “No” to censure **Adam Schitt**, he explained there is nothing in the Constitution that enables the House of Representatives to levy fines.

With the fine provision removed, and now with **Kevin’s** “Yes” vote,

Schitt was censured by the House of Representatives. Since 1890, only 8 representatives have been censured.

As boy genius **Max Bonilla** said, **Kevin Kiley** is not a RINO. Visit Max’s Corner at:

Thank you Jo Marie Fenn

At both The Yuba City event, and the Marysville monthly meeting, **Jo Marie** again provided plentiful and excellent charcuterie.

YCRCC Swag Booth Trailer

Using a trailer for our swag booth would save a lot of setup and teardown time.

After some discussion, a motion was made for **YCRCC** to purchase a swag trailer. Before a vote was taken, **Johanna** casually mentioned that she and her husband, **Al Lassaga**, had gone to Kelseyville and bought a trailer for \$7000 that would be a perfect swag booth trailer. Ironically, **Johanna** said the seller had used it to sell T-shirts from.

The motion to reimburse the **Lassagas** was unanimously approved.

YCRCC in Action

8-19-23 Brownsville Mountain Fair Swag Booth.

Daid Fennell, and his wife **Na**, setup next to the **YCRCC** booth. **David** is running for the State Senate District 1 seat that includes a vast amount of northern California, including Yuba County. In 2022, **David** ran for Lt. Governor.

The seat **David** is running for is open, because the incumbent, **Brian Dahle**, cannot run again due to term limits. **Fennell’s** main republican opponent is **Megan Dahle**, **Brian’s** wife. When **Brian** went from the state Assembly to the state Senate, **Megan** was elected to his Assembly seat.

Congressman LaMalfa **David Morgan** from **Doug LaMalfa’s** office announced there will be live townhall

meetings at Susanville 8-24, Cedarville 8-25, Colusa 8-31, and Shasta Lake 9-9. For times and locations call **David** at 530-524-0443.

August 26 Plumas Lake Annual Block Party

Bad Axe Rebekah

YCRCC First Vice Chair, Rebekah Carlson, at the Brownsville Mountain Fair, competed in the Axe Speed Throw Contest. She was the only woman in the event.

In this contest, the objective is to score as many points as possible by standing on a line and

throwing a double-bit axe at a log target about 20 feet away, run to retrieve the axe, run back to the line and throw it again. Do this as many times as possible until the 2-minute time runs out. Using a borrowed double-bit axe **Rebekah** scored 14 points, which is more than some of the male competitors.

Rebekah also entered the ladies only Hardhat Frisbee Contest. The objective of this contest was to throw hardhats like a frisbee through an opening in a plywood panel. Boys then would race to retrieve the hard hats and bring them back to the contestants. **Rebekah** got second place in this contest.

Harrison, the Overall Lumberjack Champion, a Brownsville legend, gave Rebekah a nice Yeti cup.

Our Busy YCYCC Chair

Johanna Lassaga has made lots of appearances since our last Newsletter. She was the MC at the **Eric Early** event in Yuba City; she visited an Alameda County event to support college republicans; she attended a Santa Cruz County Republican fund raising event; she attended a Calaveras County event, and she attended the 2-day ReAwaken America Tour in North Las Vegas.

Candidates Search

As an on-going effort, YCRCC is searching for candidates to run for a myriad of offices. All offices are important. School board offices are critical! In case you are interested, *the average salary, including per-diem, for California State senators is over \$190,000 a year.* Don't be put off by the red tape and funding that is required. You do not need to do it by yourself. If you, or someone you know, would like to run for an elected office, YCRCC is here to help you get started and to help you with your campaign.

Chair Report

The Chair would like to recognize **Rebekah** and **Tom** for all their hard work. They both work

so hard at every booth, and without them I can personally say that we would not make the kind of money that we do from our booths. They truly are a team to be reckoned with. The passion for our Republicans future is so apparent with the two of them that they become infectious! They both are greatly appreciated!
