SOCIAL FUNCTIONS IN THE MULTIPURPOSE ROOM

FOR ANYONE involved in setting up the Multipurpose room for a social function or Yoga, and then restoring the room back to its original layout,

The card tables when moved must be lifted off the floor, not pushed along the carpet. Pushing loosens the legs and at some point they will no longer be able to be re-tighten. Thank you in advance for your cooperation

THE BEST 1-2 PUNCH IN THE NBA

■ JAKE SAMSON, THE VILLA'S VOICE GUEST SPORTS REPORTER

IN A LEAGUE FULL OF STARS and super-teams, the team in the 215 may have the best 1-2 punch in the NBA. It wasn't the Simmons/Embiid combination that brought this 1-2 punch to fruition. It wasn't the trade for the 10-time all star James Harden that lead to this 1-2 punch in South Philadelphia. It was the fortunate (and honestly astonishing) slip in the draft board to #21 for a young guard from the University of Kentucky. Tyrese Maxey and Joel Embiid may be the best 1-2 punch in the National Basketball Association.

In just his fourth season at the ripe age of 23, Maxey is now top 12 in the entire league in both points per game (26.4) and assists per game (6.8). That points number has gone up from 8 his rookie year, 17.5, 20.3 and now that astonishing 26.4. He is -300 (placing a \$300 bet to win \$100) to win the most improved player of the 2023 campaign. Joel Embiid is on his way to a second consecutive MVP, is first in scoring per game (35.0 points) and 5th in rebounds (11.7). This duo, along with a bunch of fun role players has lead the 76ers to a lot of exciting basketball to start this season.

I still have my reservations when it comes to the 76ers when it comes to the playoffs, but as it stands right now, this duo has been playing the best out of any duo in the league. The 76ers are 20-8 and the fact that you can basically pencil in this 1-2 punch for 61 points, 16 rebounds and 13 assists per game is nuts. It may not be this year, but with one more piece in free agency this next season along with Maxey maybe taking one more little jump, this could be the team to beat in 2024-2025. Still, we have to enjoy this when we have it, and with the way that these 2 have been playing, every 76ers game has been must-watch.

A RECOMMENDED NETFLIX SERIES: EXTRAORDINARY ATTORNEY WOO

■ BARBARA DAVIDSON

EXTRAORDINARY ATTORNEY WOO is an unusual series on Netflix which I thoroughly enjoyed*.

We follow young Woo in her first year at a top law firm in South Korea. Graduating top in her class and scoring near 100% on the bar, she is intellectually gifted but struggles because she is on the autism spectrum. Making friends, feeling empathy for her clients and finding balance is her battle to win.

With every new case she meets the intellectual challenge by finding an off beat solution and along the way she learns more about herself and how she can relate to her client. We follow her progress as she becomes a member of a team of young lawyers and while she is competing with them, they ultimately become comrades.

There is even a love interest for young Woo which as you can imagine is very complicated. But it is all a part of her search for normalcy.

The brains and artistry behind this series deserves a lot of credit. Fantasy and great background music add to the drama. There are even elements of dance. This combination of a great supporting cast and imaginative production have created a thoroughly unique series.

*Make sure to get the English language version.

Today's Reverse Mortgage - A Viable Option for Seniors

Whether it is the highest inflation rates in 40 years, the skyrocketing prices of gasoline, or the recent rumblings of a recession on the horizon; There are real financial concerns in our country that could impact our biggest demographic, the senior population, right where it hurts!

About 64% of all baby-boomers rely on social security as their biggest or only source of income. About 50% have no pension coverage to fall back on, and about 33% have hardly any retirement savings at all. These facts, in conjunction with seniors living longer than ever before, do not bode well for our most savvy generation whose biggest concern is... **running out of money!**

As the old saying goes, every cloud has a silver lining, and each retiree just might be closer to that lining than they think... surprisingly enough it could be found in the roof that's right over their heads.

It is no secret that your home could be considered your biggest asset. But it is interesting to hear that there is a disproportionate amount of real estate wealth among retirees. In other words, there are many senior homeowners who have equity in their houses in amounts that far exceed what has been saved in other forms of retirement, and they are simply unaware of it. This equity could be a nice source of tax-free supplemental income.

The question becomes... how does one get their hands on that equity? Especially when diminished retirement income makes

it harder to qualify for any type of traditional loan. Not to mention 90% of all seniors want to remain in their house which eliminates the option of selling. The answer is a Home Equity Conversion Mortgage (HECM), otherwise known as a reverse mortgage, and this is where we can help.

Here is a list of Today's Reverse Mortgage facts and requirements:

- 1) The senior(s) must own the home as their primary residence.
- 2) Only one borrower is required to be at least 62 years of age. And there is a new proprietary program for 55 year old's! For each program, any underage spouses are protected.
- 3) The mortgage becomes repayable only when all borrowers no longer occupy the home as the primary residence... assuming real estate taxes, homeowners insurance, and any association or condo fees are properly maintained.
- 4) There is no change in ownership of the home and the borrowers RETAIN the title, equity, and ownership.
- 5) The money that you receive is TAX-FREE CASH and does not affect Social Security or Medicare Benefits.
- 6) The interest accrued on the loan may be tax deductible. (Check with your tax advisor)
- 7) The credit and income requirements are more lenient than those of traditional financing programs.
- 8) The loan is a non-recourse loan, meaning the borrower(s) or their heirs **will never owe or have to pay back more than what the house is worth.**
- 9) The equity (cash) can be accessed by way of an equity line of credit, a fixed monthly payment to you, a lump sum, or any combination of the three!
- 10) The cash can be used for anything you choose. A few examples are: health care, college tuition, investments, vacations, establishing trusts, debt consolidation, buying a new car, etc.

NewMark Home Mortgage is specifically geared towards reverse mortgages for seniors. The Managing Principals, Greg Newman and Michael Markoff, have both achieved the exclusive **Certified Reverse Mortgage Professional (CRMP)** designation through the National Reverse Mortgage Lenders Association (NRMLA) out of Washington, DC. As of November 2023, there are only 209 CRMP's nationwide and just seven with offices in the state of New Jersey (Greg & Michael represent two of these seven)! Their certification ensures that you will be working with accredited professionals who are held to the highest of ethical standards and properly trained to look out for the senior's best interests.

NewMark Home Mortgage continues to reinforce relationships with key investors and strategically positions itself to have a wide variety of the best mortgage products at their disposal. Greg and Michael lead an experienced staff in properly servicing the senior community, delivering exceptional customer service that is second to none. They look forward to personally meeting with each client and can accommodate them in either the comfort of their own home or at one of the local offices. Family members and advisors are always encouraged to participate in this exciting decision making process.

Please call Greg Newman and Michael Markoff so they can help you determine if a reverse mortgage is the right fit for you. **They can be reached at 856-797-3434.**

"PHILADELPHIA A TO Z"

■ STEVE WARSHAW & HOWARD RABINOWITCH

THE MEN'S CLUB held a very successful event on Thursday November 30, 2023 at the Clubhouse.

We had 88 residents of Five Ponds watch a presentation by Rick Spector of Movie House Productions do a presentation of *Philadelphia A to Z*. He used each letter in the alphabet to recognize a place or person or event in Philadelphia. Afterward, we had treats that are synonymous with Philadelphia. We had pretzels, Tastykakes and Goldenberg Peanut Chews. It was a fun event that we hope to run something similar to in the future.

Thanks to Rick Goldberg and Howard Rabinowitch for their assistance and Sam Feldman and his team for setting up the room.

FALL SHUFFLEBOARD BANQUET

■ DAVID GILFOR, 215-205-6175

WE HAD A VERY SUCCESSFUL Fall Shuffleboard season with 48 residents signing up (40 players and 8 subs). Each team played one game a week for twelve weeks. Out of 20 teams, the top six went into the playoffs.

The winning team was Allen Bornstein and Rick Goldberg.

As always, we had a Pizza Banquet on Tuesday, December 12th to celebrate the winners and the end of the season.

We will have a signup in the Clubhouse on January 9th at 5:30 PM for the Winter 2024 season. The first day of the season will be Monday January 22nd.
