

Greedy animal

Greedy animal

Greedy animal

Greedy animal

01. Where the mind is free

I want a world where the mind is free
No obstacle to think differently
No obstacle to sing freely
I will not infringe anybody's freedom
No one should try to measure my fathom
Smile will greet each other
Joy of freedom everyone will share
No boundary in the name of religion
No imprisonment for treason
Everybody follow right and true reason
No absolute freedom to hurt anyone
Let mind jump sprint and fly to space
Barrier free world remains as our resting base.

02. Life's itinerary

In the green grass of Indian Oil Refinery
I started my life's itinerary
The journey was not ordinary
Nor it was very extraordinary
But every walk it was binary
The fine balance of life and career
Every day I had to cross barrier
But it made life beautiful and merrier
No one in the journey remain stranger
When we meet now we became happier
In the long run realised life is stronger
In the thrust for career don't miss life's wonder.

03.Fear

Fear is basic instinct to save life
Fear is also a weapon like knife
That is why we are afraid of wife
For fear of teacher student read
For fear of law we control our greed
The thief gave up theft even in need
The deer don't become tiger's feed
Fear the fearful but face the danger
Overcoming fear is life's game changer
Throw away fear make courage companion
In life one day you will be the champion.

04.No one can suppress

In the world, your space everyone will compress
But seeing it in life never become depress
Your talent, you will no one can suppress
No need to anybody you have to impress
Do work with commitment one day you will progress
Compressed space will bounce back and surface
Every action has equal opposite reaction always correct
With good people everywhere interact
Do action which you think are perfect.

05.Rose

Behind the beauty there is a throne
There is poison behind every crown
Enjoy the beauty from a distance
Never will it give you any resistance
The air will carry mind blowing fragrance
Beauty is a matter of inner substance
If you force throne will create incidence
Enjoy the beauty of rose with prudence.

06.Venezuela

Why I will work more if I don't have need
Why I will produce more if don't have greed
There is misconception in communism seed
Venezuelan people are now suffering without feed
The basic instinct of man is sleep idle
So communism is nothing but riddle
Majority of world population thinks it is fiddle
Many countries already made it bundle
No socialism can survive without respecting basic instinct
Survival of fittest nature will always restrict.

07.Home and house

Between home and house
The missing link is spouse
Alone you are with mouse
Only net you can browse
Looking to sky you will drowse
Can't unbutton blouse
Love will never arouse
Beauty of home spouse rouse
Between home and house
The missing link is spouse.

08.Glass house

Living in a glass house
We throw stone to others
Never realise our vulnerability
Looking through glass transparently
Criticise others living other side
Living in comfort easy to find fault
But when someone returns a stone
Our house shatters into pieces
We tell others cruel unkind
But forgot what we had done
Never pull leg of colleague and friend
To pull you from ditch they are only trained.

09.Run for the crown

When the sun rises in the morn
Our life is one day grown
Made us strong to walk on thorn
The field ahead is not beautiful lawn
While crossing shoes will worn
We will see many friends drawn
Yet we will run for the crown
When we reach day become brown
If we lost in darkness others will mourn
The sun will again rise in the morn.

10.Morning Sun

Morning sun brings new fun
To catch it we all are on run
But on the road lot of turn
Colourful too many yarn
Many mistakes we have done
New things every moment we learn
On the way lot of energy we burn
To get better things we churn
Don't run for greed God always warn.

11.Honesty is still best policy

Honesty is now a scarce commodity
Yet it has universal infinite validity
Still few people stand with it solidarity
Best policy is also the proof of integrity
Among all virtues honesty has superiority
No one can follow the path without simplicity
Honesty has no double meaning and diversity
Everyone now look at honest people with curiosity
Because best policy in society is still honesty.

12.Children's Day

The child in me still alive
So with broken heart I survive
With friends I can laugh loud
Remember childhood with proud
Can jump alone far from the crowd
Always I smile never allow cloud
Will remain child till wrapped with shroud
Beauty of butterfly and kite still fascinate
The day I lost child's heart I will decimate.

13.Ramayana

Rama was a king who fought with bow and arrow
But his thinking was never selfish and narrow
First wise king to propagate monogamy in world
His decision to honour father's promise was bold
Fought for dignity of woman and Ravana was killed
Yet for greater interest of kingdom fire test was hold
To save people best friend Laksman was abandoned
For justice his decisions were never random
No such king in ancient history can be found seldom
Truth, honesty, integrity, justice was his fiefdom
So was in the history best his kingdom
Statue cannot now fill the vacuum of his ideal
People's mind and heart have to become real.

14.AECian Diaspora

The common linkage is old memory
AEC bonding for us is not temporary
Always feel all AECians contemporary
Life was real, degree complimentary
All are now brand ambassador honorary
The best part of our life spent in Jalukbari
With friends that is the life's golden summary
Time has separated and we are away from alma mater
Coming together to rewind AEC's memorable chapter.

15. My Lord

The judge is neither a software nor an app
He is bound to follow the people's map
Law is not above the common will of people
Jalikkattu once made it very simple
My Lord is not incarnation of Lord Rama
A human being in society doing same karma
In democracy court can't bully Parliament
Common will of people can reverse judgement
Delay defeats equity law only told
Ayodhya issue why My Lord cold.

16. An Evening in Delhi

How nostalgic the AECian days
An evening in Delhi brought old rays
Though the gathering was small
Time cannot defy the bonding at all
New road map took shape with high hope
Coming together in fast city not a joke
More and more people will be tied in the rope
New technologies together we have to cope
A small spark can cause California fire
The new road map will force AECian never to retire
Play senior AECian your innings till the last ball
Contribute to society however it may be small.

17. Near Miss

Near miss is nothing but a flying kiss
Between girlfriend and kiss always a ditch
See near miss in life as a necessary bliss
While learning bicycle too many near miss
Many times we failed to catch the big fish
In city driving near miss is part of life
Analysing near miss is nothing by hype
Love near miss, one day you may not miss jackpot
Chasing wild geese one day you will become rot.

18.Last bet

Sonowal and BJP is our last bet
Bangladeshi Muslims are now pet
NRC in Assam is now a torn net
Identifying foreigners now forget
Bangladeshis are now not feared rat
Eating Assam's food water they are fat
They will easily bell the Assamese cat
Soon they will also wear the power hat
Sonowal and BJP is our last bet.

19.Democracy in India

In illiterate India democracy became opium
To serve people in election you must pay premium
All political parties are business consortium
Politicians are without ethics and decorum
Like religion democracy failed to deliver good
Leaders are only in selfish and hungry mood
Once in the power they treat people rude
Millions of people are still don't have food
Without education how democracy will stood?

20.Emotion

People say in situation don't show emotion
In life there will be no progress promotion
Emotion creates only vulnerable situation
Instead of promotion you will get demotion
But we are human not machine or robot
In every walk of life we need emotional comfort
To stand boldly human requires emotional support
Without emotion joy, happiness, pain can't manifest
Life will only be an unwritten blank digest
Allow emotion its natural flow, life will glow
But becoming over emotional may give blow.

21.Talking animal

We are animal of talking
It is more important than eating
So mobile companies are glowing
We are slow and poor in running
But we are clever and cunning
We can do all type of hunting
We are very poor in jumping
But we can enjoy life laughing
We are best animal in talking
Mobile phones are in roaming
Mouth to mouth civilization is moving.

22.Vulture

Nature's scavenger fly very high
They look to the dead from the sky
Environment change made them dry
To save vulture do not remain shy
Otherwise one day man will cry
New world vulture, old world vulture
Man did them too much torture
These species are about to puncture
Once they were part of our culture
To maintain ecosystem we need their future.

23.We are greedy animal

We are greedy animal
Always fill our plate
More than we can eat
Accumulate wealth
Beyond we can carry
Looking them we are merry
When life comes to an end
In the last journey of life
Nothing we find in the ferry
For our wasted life we feel sorry.

24.Brahmaputra

Not a simple river flowing through Assam
It is the lifeline of Assamese term
The meeting point of many civilization
Sankardeva made the Assamese culture standardisation
Flow throughout the year nonstop for decade
The glory of mighty Brahmaputra never fade
The devastating floods in summer may be painful
But it makes Assam valley fertile and resourceful
The beauty of Brahmaputra beyond expression
Look at it from Bhairabi Temple you will get eternal satisfaction.

25.I am not alone

Who told I am alone
No need for my clone
At sixty I am in safe zone
No path need to be shown
I have no greed for a crown
Yet my spirit is not down
Lot of grave yards in the town
Friends everywhere I will found
The world is really round
Within radius all are bound.

26.When my sorrow piled

When my sorrow piled
I feel like a motherless child
My heart weeps in the wild
I stared to the moon silently
Think about mother proudly
The tears flow violently
Sorrow reduces slowly
Do not feel anymore lonely
I can face challenges boldly.

27.Assam Rhino

Where there is a will there is a way
Rhino poachers in Assam are now at bay
The one horned Rhino now see new ray
Congress ministers were in hand and gloves
That is why poachers were able to cut Rhino throats
The National hero Sonowal gave bold direction
Forest conservators are following instruction
So there is drastically Rhino killing reduction
Assam's pride one horned Rhino is now in safe hand
Everyone in world now play Sonowal's success band.

28.Lachit Barphukan

Napoleon of Assam was Lachit
Winning battle was his habit
Killed his own uncle for motherland
In the frontline of battle even when ill
He had the battle winning skill
Crushed the mighty Mughal army at Saraighat
The Mughal ran away seeing Lachit's combat
In India he was like Shivaji and Rana Pratap
The hero of Assam is in every Assamese's heart.

29.Practice

Practice leads to perfection
Perfection gives satisfaction
Do not afraid of tough situation
Work with firm determination
No need to go for agitation
Your skill is your ammunition
All enemy will go to hibernation
No one will be there for interruption
Enjoy success with illumination.

30.Smile

Smile costs you nothing
But makes beautiful morning
The day starts with loving
Smile gives heavenly pleasure
Smile is your hidden treasure
No one will ever try to measure
Greet everyone with a smile
Rude heart will become volatile
With love his mind will be docile
Smile can only make anger ductile
Use your treasure as much as you can
In the journey you will gather lot of fan
Smile will make you a beautiful woman.

31.Count of life

Never count life by number of years
When there is nothing to cheers
Measure life by good job you have done
New things you have planned to come
Do not weight life by amount of rice consumed
Remember how many minds you have perfumed
Count life with feathers in your cap
Not by number of nights you nap
Measure life with how much good will earned
Not by calories of food you have burned
Measure life with how many places you have visited
Not by broken relations for which now you regretted
The beauty of life not in number of years God give
But by the memorable journey you in which you live.

32.Failure

If you failed at something
Do not cry and start jumping
Look at failure and start laughing
You mind will start bouncing
Failure is nothing but a rung in success
If you failed at first attempt it is great
Go forward do not depend on fate
With experience opportunity will open gate
You will become failure's hate
Your success will not be too late.

33. Accelerator

Car never moves at constant speed
To control speed accelerator is need
Same sound is not produced by all reed
All human beings are not of same breed
To run with fast people press accelerator
To work with moderate become accumulator
To give energy to slow and weak become generator
But to move safely in life always control accelerator
Make your knowledge and wisdom your moderator.

34. Accident

It happened unexpectedly
Hit the divider suddenly
Made a sound loudly
Injured many people badly
Car and bikes are travelling boon
But accident become a bane
Drivers do not follow the lane
Without traffic rule accident can't be tame
On the road traffic police is lame
For accident whom to blame?

35. Assam accord

Assam agitation made record
Finally leaders signed an accord
For survival Assamese people strive
In the agitation lot of people lost their life
In the election masses gave vote shower
The leaders captured political power
They forgot accord reason may whatever
No foreigners was deported in forty year
This proves the agitation leaders behaviour
Nobody wants foreigners issue to settle
Assam accord is now only for political battle.

36. Acid

Hydrogen molecule with chlorine
For acid hydrogen is haemoglobin
Folic acid is always a good vitamin
Acid reacts with base to produce salt
Throwing acid on girl society must halt
To know acid litmus paper is best
In life one has to pass lot of acid test
Only after that people can take rest
Pollution is causing acid rain on earth
For potable water there will be dearth.

37. Adultery

Love has no boundary
So there is adultery
It is always voluntary
Grass on the other side is green
Neighbour's wife beautiful and thin
Adultery is love undefined not a sin
Mating of two adults not illegal
Encounters happen sinusoidal
Osho Rajnish called it spiritual.

38. Adventure

Make life colourful with adventure
Adventure is better than caricature
Though adventure is not leisure
It gives satisfaction and pleasure
You may also discover a treasure
Adventure is strong man's measure
New excitement bold people desire
So in life brave people never retire.

39. Advocate

Black and white dress
For justice they press
Client only became depress
Very high advocate's cess
Sometimes made mess
If you don't pay advance cash
Your case will go to thrash
Yet Advocates are necessary evil
As long as in society crimes prevail
In politics also advocates are dare-devil.

40. AIDS

The disease AIDS threatened mankind
Cure from the disease yet to be find
To unprotected sex AIDS is not kind
If you are monogamy AIDS is blind
Many young people lost their life
AIDS is a disease of peculiar type
Destroy body's immune system slowly
People became afraid to face it boldly
Social stigma pushes to isolation usually
Prevention is only cure for AIDS
Unprotected encounter always suppress
In the fight against AIDS man will get success.

41. Baby boom

In India throughout the year baby boom
Baby boom will be the cause of doom
Too many people have no living room
Every moment population only zoom
New born baby is always welcome in home
But population made difficult to groom
No seat in good school colleges for child
The unemployment problem is now wild
Baby boom in India must be made mild.

42. Bachelor party

Before the sun of freedom sets in life
Bachelor party is to welcome wife
No barrier of slang or good word
Gathering of only a friendly crowd
Wine whisky flow throughout night
Loud music and light make it very bright
In bachelor party everything is right
After marriage is solemnized life will be tight.

43. Backbiting

Common human nature called backbiting
Most of the people are afraid of fighting
People do not prefer to comment in writing
So the best way to criticise is backbiting
Backbiting creates friction and tension
It plays dirty trick with human emotion
Finally leads to the breakdown of relation
No one like or trust back biter in the society
Because they destroy harmony and polity
In the long run back biters life became solitary.

44. Balance sheet

Not merely count of profit and loss
It also reflect asset liability in gross
Flat balance sheet means no growth
Static is your company's net worth
Balance sheet also shows your goodwill
Higher the value lesser the chance to derail
Left hand side is always equal to right side
In business strict discipline you have to abide
If your revenue is less than your expenditure
Certainly one day your business will face closure
Life is similar every moment to do balancing act
Otherwise your life will derail it is universal fact.

45. Adolescence

The period between childhood & adulthood
During the period frequently changes mood
Towards their parents adolescents became rude
Their thinking towards real life remain crude
In dirty water adolescents always try to take bath
Parents have the herculean task to show them right path
Right-wrong, good-bad, forbidden all they want to taste
For adolescents safety and future parents can't take rest
Mistakes of adolescence made many people's life miserable
To keep watching eye on adolescent child always desirable.

46. Balloon

Round ball pumped with air
Birthday party without it is rare
Red, yellow, blue and green
Some are like snake and thin
Burst with sound if touches pin
Though balloon is children's toy
Balloon decoration give everyone joy
Hot air balloon people used to fly
To have a balloon small child cry
Even in cyber age balloon gives fun
To save childhood let balloon run.

47. Ballot

Ballot is not simply a piece of paper
To save democracy ballot take care
People's mandate expressed in ballot
For power hungry politicians it is carrot
Ballot has dethroned many mighty people
Corrupt and bad leader ballot can topple
Boundaries of country ballot has changed
The job of ballot box EVM now managed.

48. Bamboo

The giant hollow green grass
Once it was fuel of the mass
Bamboo is called green gold
Its use and utility are many fold
Bamboo houses not yet history
Bow and arrow part of war story
From bamboo paper is made
Bamboo shoots even now we eat
The Chinese eat with bamboo stick
Matured bamboo is stronger than brick
Bamboo helps us in reducing pollution
For rural economy bamboo is a solution.

49. Banana

The soft pulpy yellow fruit
Ripe banana is always sweet
The tropical tree is not very tall
In the strong wind it easily fall
For Hindu people banana is pious
Against banana no religion is bias
Banana is good for health doctor say
Eat one banana with food every day
Every part of banana tree is useful
Banana chips made people cheerful
Banana republic may be unstable
But in market banana is always saleable.

50. Ancestor

Monkey is called as our ancestor
Darwin says God is not creator
With unicellular organisms life started
In the path of evolution many ways it bifurcated
So ancestor of all living things is same
From fish to tortoise to monkey and man came
Religion also says for dog, fox, donkey God is same
For the mistake of Adam and Eve whom to blame
Human race now only climate change can tame.

51. Baggage

If you want to travel fast and far, travel light
With light baggage journey will be bright
After journey realise hand baggage is right
In life we carry baggage bigger than might
To acquire unnecessary baggage we fight
Marinating baggage became our plight
In the weight of baggage mind lost light
Mind's thinking process can't fly like kite
Throw away unnecessary baggage to garbage
To travel fast and far you will get courage.

52. Bargain

Bargain is not confined to market alone
In every walk of life bargain has clone
Life itself is bargain with circumstance
Give and take has now prevalence
Give and take is nothing but hard bargain
Without give and take failure is certain
Even in home wife bargain with husband
Without bargain she will not get thousand
In life the art of bargaining is very essential
Good bargaining skill has lot of potential.

53. Bell

When the alarm bell ring in the morning
The time starts for the day's accounting
To run for school pressure starts mountain
In the maths class student will do counting
Every hour the bell will ring loudly to remind
The teacher has to ignite young bold mind
The bell will also ring in Temple and church
Human mind it tells to clean and brush
The bell on the road side say do not rush
Otherwise speeding vehicle will crush
The job of bell is to remind and warn us
So that we do not miss the beautiful bus.

54. Apology

Nothing wrong in saying sorry
It will clear your mind's worry
Apology is not lowering self esteem
But your respect you can redeem
Apology is a virtue weak can't afford
Only bold and strong people can support
Defending wrong is human psychology
Great man rectify wrong with apology.

55. Apple

Newton saw apple falling and discovered gravity
Without apple polish you can't expect prosperity
An apple a day can keep doctors at bay
In corporate life polishing will give better day
Apple is one of the bestselling fruit on earth
Throughout the year apple supply has no dearth
In modern days apple became good computer
A for apple sound became much more louder.

56. Appreciate

It is very easy to depreciate
But we are shy to appreciate
For slightest fault we criticise
Big mistake we try to criminalise
How many times you have appreciated today
Whether you have appreciated in the week think on Sunday
The best time to appreciate is today and now
Ask your children the good jobs are done how
Appreciation is not buttering or apple polish
Self-confidence and higher performance it establish.

57. Arrogant

No point in arguing with arrogant people
They are stubborn and adamant not simple
Arrogant people always think they are right
Even for their know mistake they will fight
Arrogance leads to hypocrisy and false ego
Even good and wise become dark shadow
To drive away arrogance open mind's window
Once the arrogance gone you will see rainbow.

58. Assertive

In life be bold and assertive
Don't be mick and submissive
Assertive people are confident
Their spirit is always vibrant
Toughest hurdle they can cross
In the society they became boss
Assertive people are good leader
In struggle they never surrender.

59. Air

Mixture of Colourless odourless gas
Nitrogen and oxygen air's main base
When air flows fast it is called wind
Human habitat sometimes hurricane ruined
Cool breeze air delight our body and mind
In cities pure and fresh air difficult to find
Greenhouse gases are poison for air
Trees only can make polluted air fair
Without air no living thing possible
Pollution can make healthy life in earth impossible.

60. Beggar

No home, no money, no food
For doing job they are not good
To some human God is rude
Some are blind, some are lame
Workshy beggar should shame
For begging they play different game
For easy money drug addicts do begging
Don't give them money rather do ragging
Help the old, poor, handicapped beggar
Not the lazy, alcoholic, idle pauper.
