

Nation First

Nation First

Nation First

1. China town

Not a forbidden city
Nor a dragon's deity
Not for red charity
Known for shopping popularity
Controlled by Chinese community
Most cities have a China town
Cheap goods you can found
Tourists are seen all around
Chinese food there very sound.

2. Chloroform

The sweet smelling volatile liquid
For operation theatre important fluid
Chloroform is very good solvent
In laboratory so it is important
Chemistry student use is experiment
When young one can feel its excitement
Sometimes used for kidnapping
For painless surgery chloroform was king.

3. Chlorophyll

The green blood that produces food
On its shoulder living kingdom stood
Chlorophyll only can do photosynthesis
It is fact and reality not a hypothesis
Chlorophyll is the kitchen of living thing
Without it no animal and birds can sing
Chlorophyll only made the world green
For carbon absorption it is always keen
Trees, plants, grasses are chlorophyll's nest
For survival of mankind planting tree is best.

4. Chemistry

Not concerned with properties alone
Chemistry has deep rooted clone
Chemistry is science of combination
It always encourages unification
Body chemistry decide attraction
Elements are the backbone of chemistry
Carbon, hydrogen, oxygen do maximum charity
For chemistry catalyst is a good friend
Catalyst change chemical reaction trend
Some people say chemistry is half science
Union of hydrogen and oxygen for mankind divine.

5. Choose

Learn to choose good things in life
Don't pick up useless bad knife
Smooth life if you choose compatible wife
Choose your companions who are positive
Negative people will make life submissive
Choose your friend broad minded and kind
In the hour of need support you will find
It's easy to choose fruit, potato and tomato
It is difficult to choose a man as memento
Your attitude and mind-set is weapon to choose
If you choose bad people whole life will be loose.

6. Chorus

When we sing together
We feel all are like brother
In chorus no one is father

Orchestra is hands rather
Chorus enhance team spirit
Everyone can sing to their limit
Voice of all become one melody
Rehearsals done before solidly
Chorus is part of life in county
National anthem chorus of unity.

7. Mediaeval burka

The beautiful rose under the burka
Never can taste the spirit of freedom
Blurred vision in male's fiefdom
Even in full bloom can't spread beauty
Perform only work and sex slaves duty
Burka is symbol of gender inequality
For orthodox it is religious tranquillity
Mediaeval burka is still suppressing female
It is possible as they are soft and gentle
Gentlemen even now are chauvinist
One day burka will be buried by feminist.

8. Triple talaq

Marriage is a contract we all accepted
Uttering three words how it can be rejected
Life of woman and children are dejected
Due process of law must be subjected
Talaq was there in dark days for polygamy
In modern days triple talaq must be mummy
The right which is not given to both the parties
Can't be accepted for its inherent inequalities
Constitution is equal for female and male

Illogical principle only the blind faith can sale
To achieve millennium goal and gender equality
The burial of triple talaq must be made reality.

9. Technology will bring change

When Salman Rushdie alone can fight
The future may be certainly bright
Taslima Nasreen will show light
Religion will be in position tight
Technology is above religion and culture
Smartphone and net already done puncture
Facebook and WhatsApp will work for future
Banning Rushdie will do no hamper
Fight against orthodox will become sharper.

10. Chowkidar

Chowkidar is symbol of integrity
He is known for his solidarity
Chowkidar it self is an institution
Not good for society its dilution
For politics why un necessary prosecution
When Institution is demolished it is bad
The chowkidar is defamed it is really sad
Prosecute chowkidar as per law of land
If guilty court will not allow him to stand.

11. Christ

The title given to son of God Jesus
He was messiah of mediaeval mass
People listen to his teaching and trust
'Hate sin not sinner' his words robust
Propagated peace and love among people
But the job among hostile people not simple
Crucified by the people who didn't believe
With reincarnation he gave world relief
The Testament is his recorded speaking
Christianity has changed people's thinking
Christ sacrificed his life for mankind
Live and let live his teaching always remind.

12. Christmas

The annual Christian festival
The date of Jesus Christ arrival
Santa Claus gave the good news
The world covered with white dews
Ding dong bell sounds Jesus is coming
Festivity mood with Carol starts booming
The star and cross glow in every church
Christmas a milestone in humanity march.

13. Chromosome

Carrier of genetic information
X and Y are its representation
Chromosome is deoxyribonucleic acid
It is necessary for all life's basic
Forty six chromosomes made human being
The information it carries wonderful thing
Chromosomal aberration cause disorder
In reproduction it remains in the genetic folder
We have no control over our genetic mapping
With good health we can give next-gen a wrapping.

14. Crab and CAB

Crab mentality is more dangerous than CAB
To pull leg all opportunity Assamese grab
Leg pulling is Assamese people's hobby
That is why condition of Assam is shabby
Criticise others even in doing good thing
Always try how to road blockade bring
Like to fish in mud and muddy water
In oceans no Assamese own a trawler
Divided we king that is the basic mentality
In Assam no Assamese can go up is reality.

15. Time heal time kill

Time heal but time also kill
Use of time is the best deal
Utilise your time with zeal
In the world no free meal
Life is recorded in time reel
Time in hand smoothly peel
Don't allow gossip to steal
During sunny day climb hill
Any moment you may be ill
Never accompany rumour mill
Wastage of time will make life nil.

16. Life is mystery

Life is mystery unfold every moment
Can't go to past to correct mistakes
Can't go too far in future know before
The moment in hand is called present
Welcome present with smile no resent
Who know next moment may be accident
So enjoying the present joyfully is pertinent
Let mystery unfold as directed by omnipotent.

17. Church

The building of universal prayer
All human are welcome there
Such a place of humanity rare
The holy cross remind supreme sacrifice
Love the mankind it always describe
Church symbolises human values
Peace and brotherhood it deluge
The atmosphere gives tranquillity to mind
Anxiety, tension, sadness one can unwind
The morning bell ring remind a good day
The teaching of Jesus proudly it say.

18. Cigarette

Neither a symbol of manhood
Nor cigarette is a good food
The smoke don't show aristocracy
Rather it lower spirit of democracy
You have no right to play with others
The smoke destroys health of brothers
Cigarette and tobacco causes cancer
Once infected life will have no answer
Avoid the white tobacco filled cylinder
Many more pages will come in calendar.

19. Let us live like brother

Why this madness for blood
Why play with innocent life
For whom these killings
What stopped us for brotherhood?
O' thy common people of Pakistan
Once if you understand Hindustan
You will over throw the cruel leader
In your country there is not enough fodder
No need of a inhuman destructive war
Nothing will be gained fighting with neighbour
Give up violence let us live like brother.

20. Give peace a chance

War will lead to destruction
Peace will bring construction
War will give economy frustration
People have to live in starvation
Millions of people are still homeless
Malnutrition children are countless
Inflation will make poor people penniless
Innocent children will die for nothing
Peace can only give us better thing
Don't play the drum of painful battle
Leaders, through discussion please settle.

21. Cinderella

The beautiful exploited young girl
The cruel lady abuse every day hurl
Always neglected and ignored by all
Bear everything though she was small
Exploitation of young child not fair
The godmother fairy came to rescue her
In the party she met the charming prince
Finally married her offering weeding ring
For generations the story ignited young mind
In Cinderella plight of child labour we all find.

22. Cinema

The motion picture that changed entertainment
Rich cousin of theatre art is good enjoyment
Cinema created lot of employment
To industrialisation it is supplement
For mass communication most pertinent
Cinema depicts tragedy and comedy of life
Through cinema a breed of celebrity strive
Charlie Chaplin is loved in all pertinent
Big B Amitabh Bachan has no retirement.

23. Pakistani people

Pakistani people are also good
But for wrong cause they stood
Islam taught them to become rude
The Islamic jihadist spoiled mood
One day they will starve for food
Once upon a time civilization flourished

In Pakistan also Hindu culture cherished
Indus valley ruins are still there buried.

24. Circle

Round, round and round
Everywhere circle you found
Circle is a figure bounded by line
With friend circle we are fine
The centre of circle is equidistant
To think out of circle we are hesitant
In life family is the inner circle
For better life family circle never buckle.

25. Circumference

Never restrict vision within circumference
Look beyond the boundary to new horizon
Circumference will restrict your new idea
You will round and round like blind media
Innovation is circumference crossing
Outside boundary you will become dashing
Jump out of the circumference of comfort
You will climb on top of success fort.

26. Till we sing together

The religion, caste and creed are the barrier
Narrow mind is the divisive virus carrier
Technology and education are the uniting force
Religion is no more a motivating source
Caste is now only to reap social benefit
Higher castes don't get any financial credit

New generation will come with new thing
One human race one day everyone will sing.

27. Worst cruelty

Terrorism is the worst form of cruelty
It throttles and destroys humanity
To fight terrorism, show solidarity
Terrorists are people with doubtful integrity
One religion has given terrorism popularity
Isolate religious terrorists from society
The world is not a place of singularity
Respect religious and ethnic plurality.

28. Counting

Enjoy the counting of life
Sometimes forward
Sometimes reverse
Everyone is busy counting
Someone counting years
Someone months someone days
Sometimes counting money
Sometimes counting debt
But it is never ending race
Yet life is not count of years you live
It is measure of good job you did
Many people died too young
But their legacy forever strong.

29. Conflict

The conflict of good and bad is eternal
War is peace's uncle maternal
Sometimes war is necessary evil
The unruly hostile demon it kill
In modern warfare country need skill
Israel defeated mighty Arabs with courage
To win war country need confidence
Lord Krishna killed his evil uncle
Hostile Pakistan Indian should bundle.

30. Pure for sure

Pure for sure
Only Modi can cure
India need strong leader
Modi is now bolder
Everyone become Modified soldier
Enemy country will become colder
Rahul is still a toddler
India need Modi's shoulder
Watchman is honest undoubtedly
Modi again shout loudly.

31. What civilization is not

War is not civilization
It brings only destruction
Ashoka is not great for war
He propagated peace too far
Bin Laden is not civilization
Mother Teresa is justification

Hiroshima bombing not civilization
It reminds devastating destruction
Civilization is Japan's new constitution.

32. Citizen

The legal resident of town and country
By birth citizenship has no boundary
Son of the soil are always natural citizen
Though they may be poor artisan
Only citizen have the voting right
Citizen with passport road is bright
Citizen have duties and responsibility
Which they should discharge with solidarity.

33. City

Behind the tall building
Live poor homeless sibling
Fast car fast food part of life
During night bar and pub strive
Services provided by invisible poor
But they live in a room with single door
Traffic jam and big malls part of city
The child labour live a life of pity
The colourful luxurious life always in focus
The existence of working class as if bogus
Yet have and have not live in fine balance
For existence of city all have relevance.

34. Circus

The travelling company of entertainment
Acrobat, gymnast, animal perform in tent
The jockey try to entertain audience hell bent
Russian circus once ruled the circus world
Their performances were excellent and bold
Technology has made circus now redundant
For TV, internet to visit circus people are reluctant
Older generations still remember thrill of circus
Animal rights activists say circus has no purpose.

35. Civil

Civil society has too many evil
Sometimes havoc created by devil
Military alone can't rule civil society
Though civil servants lack integrity
Civil engineers love corruption
That is why defective construction
Civil war can lead to destruction
Civil hospitals never give satisfaction
Civil society is now corrupt as a whole
Civilization has lost the honesty soul .

36. Clap

Clap clap clap always clap
But never never never slap
You can't clap with one palm
Before you slap try to be calm
Clap is good because it appropriate
Slap is bad because it depreciate

Clap is expression of joy and happiness
Slap is product of anger and mental illness
We pray to God with clap and folded hand
Clap is always spontaneous harmony band.

37. Hostile neighbour

When innocent peace keepers die
The whole nation mourns and cry
People in large number say bye bye
The hostile neighbour creates unrest
Don't understand brotherhood is best
India's patience, tolerance always they test
Never allow Indian peace keepers to rest
Fire now engulfed their country and nest
Financial pressure from neighbour and west
Will now suffer for killing innocent in haste.

38. Deep corner of heart

In the deep corner of heart
Humanity remains always alive
Circumstances make people cruel
For survival happens deadly duel
To become cruel anger add fuel
Those who control anger are jewel
At birth all souls are innocent rural
Yet very few can pass the time's trial.

39. Move on

When your sky is covered by dark clouds
When thunder gives horrible sounds
Don't stop your steps but move ahead
The rain will come and sky will be clear
The sun will rise again and rainbow there
Don't fear the difficult painful struggling day
After the dark night sun always bring new ray
If you move on boldly time will handsomely pay.

40. The show must go on

The show must go on
The country must move on
Life may be lost by some son
The country is now in one tone
Planned activities no need to stop
The sinister design of enemy will flop
Together their aggression we will block
Pakistan will reach the bottom rock
It is not the time to weaken government
Every citizen must support with commitment
The show must go on as usual in country
The army is fully capable to protect boundary.

41. Modi is not responsible for all

The propaganda is now manipulated
Modi is responsible for all ill circulated
Congress ruled thirty years uninterrupted
During Congress rule poverty propagated
Modi is in the helm of affairs for five years
Yet for Modi entire opposition why fears

To take bold decisions Modi never dares
For poor and downtrodden always cares
Congress is not getting commission share
That is why to defame all opportunists roar.

42. Citizen please remember

All citizen please remember
Modi will not be PM forever
He is trying to reform system
To uproot age old custom
Corruption is in the blood of people
To eradicate it not so simple
Even act can't stop talaq triple
Reform will certainly make ripple
Status quo will make nation cripple
Modified system will bring dimple.

43. Assam always thrills

The greenery, red river and blue hill
The beauty of Assam always thrill
But the indigenous are without zeal
So, the resources out siders steal
Locals are happy with two-time meal
When outsiders become rich, they feel
With agitation Assam's economy they kill
To cure Assam's woes people, need bitter pill.

44. Hooch tragedy

Drinking alcohol is always comedy
Hooch death made drinking tragedy
Punish the liquor sellers cruel rowdy
Even the poorest need some thrill
Selling spurious liquor traders kill
Dozens of people instantly die
The whole community then cry
But will not say alcohol bye bye
Politics will be dirty and very high
After few days everyone will be shy
People will consume liquor with fish fry.

45. Silent life

I don't have any talent
So my life is very silent
I don't spread any pollutant
So no question of client
Seeing people I become violent
The world they make turbulent
They must be stopped blatant
Saving the planet most important.

46. Alcohol

One peg is good
Two pegs smooth
Three pegs loose root
Four pegs unstable foot
Five pegs loud moot

Six pegs throw boot
Little alcohol good for health
In medicine alcohol is wealth
Never become slave of whisky
Life will become hell and risky.

47.Class

Divide society in the name of wealth and status
If you have money you are in high class
Without money you are in the mass
Classical music is always classic
Classroom teaches us life's basic
Classmates live in classes society
Classification, classified are necessity.

48.Clean

Free from dirt, marks or pollutant
To clean one's mind is not job instant
To clean society is very difficult
Failure to clean neighbourhood own insult
Clean environment gives good health
Clean nation is every citizens wealth
Cleanliness is next to godliness we say
A clean home always makes beautiful day.

49.Clear

Make your mind and thinking clear
Success in life will be very near
Clear water does not spread disease
Efficiency always clear mind increase
Clear your doubts to make life transparent
In clearing garbage life will be different
Clear road is needed for smooth movement
For progress clearing your files important.

50.Click

Click click click
Beautiful chick
Ready and smile
Click for future file
Camera lost click
Future of mouse bleak
Selfie clicks welcome
It is click of the time.

51.Climate

The four seasons make climate
For survival of animals it is ultimate
Sunshine, rain, humidity, cold weather
All makes climate of a place together
Climate determines vegetation and tree
In the ever-green forest animal live free
Climate is the factor for biodiversity
Don't destroy climate for modernity.

52.Climate change

The biggest threat to mankind
We must stop climate unwind
It is very difficult to rewind
Solution to change must be find
Climate change can destroy civilization
Climate change is not for standardization
Biodiversity and climate complex combination
Many species will face extinction
To stop climate change society need determination.

53.Nobody want war

Nobody want war
It pushes back far
Life becomes coal tar
Think ways how to bar
Terrorism is evil
War is also devil
People war will kill
No war in revenge zeal
It will take long to heal
Yet for self-defence must fight
Self-defence is our birth right
To save own life we must put might
If we win then future will be bright.

54.One horned Rhino

One horned Rhino is Assam's pride
To look at it take an elephant ride
Kaziranga is Rhino's natural habitat
It is an ever-green beautiful forest
Horn is Rhino's weapon of defence
Killing Rhino is a criminal offence

Superstition made Rhino horn valuable
Its existence become very vulnerable
Poachers are now Rhino's enemy one
Other than human Rhino has enemy none.

55.Indian politics

Politics in India become dirty
For it responsible all party
For power too much bitterness
Pushes countryman to distress
Corrupt politicians win election
People do mistakes in selection
Decent debate thing of the past
Quarrel for personal greed and lust
None of the party people can trust
For democracy good leadership must.

56.Life's journey

Life is not a fairy-tale journey
Nor it is a one-day tourney
Life is indefinite hurdle race
Difficulty every moment to face
The road may not be smooth
The environment may be ruth
Jump the hurdle and move forward
In between accept cheers and reward
Even if you fell down stand up again
Don't wait though there is heavy rain
Move on move on till the final destination
Your journey is your life's real remuneration.

57.Surgical strike

Surgical strike is for removing tumour
It is not for people and politicians' humour
Don't spread any unnecessary rumour
In the nation debates will create clamour
It will downgrade security forces glamour
No need to ask for proof from security force
We know they are our inspiration source
Surgical strike is not a day to day affair
It's video footage and details no need to share.

58.Patriotism

Patriotism is not delicious meal
Patriotism is a matter to feel
Patriotism give citizens zeal
Patriotism is for unity deal
Patriotism is not for divide and kill
Patriotism is for integrity heal
Patriotism is not for peel
Patriotism also inspires reel
Patriotism is attitude to chill.

59.Nationalism

When country is below religion
Nation saw its many division
Religion is a destructive force now
Nobody knows it can be controlled how?
Religion is part and parcel of society
But it has failed to infuse integrity
Islamic nations are fighting within
War is Arab world's daily routine
Nationalism must grow above religion
Third world countries will improve position.

60.Nation first

Nation first

Unity must

India vast

Attitude cast

Division rust

Grow trust

Throw lust

History past

Enemy dust

Religion last

Nation first.
