1.Survival of the fittest

Darwin's theory of evolution is right
 For survival all species always fight
 The future of the fittest will be bright
 Think about in Corona episode light
 Make your survival instinct tight;
 I the history of time human race is short
 For survival effectively show our worth
 The battle many species already lost
 No need to worry about economic cost
 If we can't defeat Covid19 future will be worst.

2.Change is the law of nature

Change is the law of nature
 Cloud will not remain forever
 Soon sunshine will be here
 Certainly nature will take care
 Covid19 like disaster is rare;
 Change is always for better
 Temporary setback is not a matter
 To nature write a love letter
 Biodiversity we should flatter
 No one should be a hunter.

3.Balance your life

If you don't have any mission
 Corona must have given vision
 Now onwards don't make life prison
 Never indulge in negativity or treason
 Take lockdown experience as lesson;
 Be all and end all is not promotion
 Life has many reason and dimension
 Make always a rainbow like combination
 Promotion is not the ultimate solution
 A small virus can push to hibernation.

4.O' Father please open the door

O' Father open the door of Church
 Why are you praying alone
 We want to pray with you again
 Tell Jesus to lift the curtain
 He will give light we are certain;
 Tell God we want to read bible together
 He should forgive the sinner
 With his blessings we promise to be better
 Together again we want to go to prayer
 With God our thoughts, Father please share.

5.Make mind brave

Fast cars are lying
 Night clubs are dying
 Doctors are trying
 Death toll is growing
 People are crying;
 Corona is a wave
 Money can't save
 Hide inside cave
 Make mind brave
 Near may be grave.

6.When death is near

When death is near
 No need to fear
 Call all the dear
 Enjoy in full gear
 Make a day year;
 When you have to go
 Don't remain slow
 Make your ego low
 Allow love to grow
 Stand in friends row.

7. When prayer is not heard

When prayer is not heard
 When people lost obituary world
 Don't cry with broken heart
 Move forward on the path
 Carry on your soul's cart;
 There is no if and buts
 Don't lose your guts
 Move on move on
 The dark night is about to end
 The forced pause will bring beautiful trend.

8. This is the time to look back

This is the time to look back
 Clean your dust filled rack
 Read your old notes and diaries
 For future refresh your memories
 Sing alone your favourite melodies;
 When you look back don't open worm
 If you open the box they will do harm
 You will lose colourful past's charm
 Will not be energised to beat the drum
 Bad memories are like harmful germ.

9. Honesty is priceless

Honesty is always priceless
 You have to work tireless
 Never become careless
 Allegations will come baseless
 You efforts will become valueless;
 Ordinary people can't afford honesty
 To uphold it you need high integrity
 Body, mind and soul need solidarity
 Sometimes it comes from heredity
 Now a days honesty is scarce commodity.

10.Indian economy will bounce back

Indian economy will revive soon
 Indian will land on the moon
 Indian economy is still at noon;
 Indian can live without credit card
 Indian housewives are very smart
 With little money they can restart;
 Agriculture is backbone of economy
 Monsoon will change farmers monotony
 Indian economy will start its new journey;
 Industrial production may go down
 It will force workers to village bound
 Rural economy will see turnaround;
 Every household has gold reserves
 For rainy day Indian wife secretly preserve
 Bounce back of India world will observe.

11.India has a strong leader

India is lucky to have a strong leader
 Now he is like nation's father
 Opponents criticisms no one bother
 His hands are becoming strong rather
 People realise that we have to survive together;
 To fight Covid19 Modi is at forefront
 So to Corona boldly India could confront
 Leaders are not staying in comfort zone
 Government machinery following the tone
 People are now inspired, leaders are not alone.

12.Indian is world leader now

India is now world leader
 Covid19 infected don't ask how
 Don't laugh Indians worship cow
 India has helped world, say wow!
 India never invaded any nation
 Always worked for peace promotion
 Kill germs with dead body cremation
 Though people have very high emotion;
 World is looking to India for medicine supply
 In supplying good judgment India has apply
 Hydroxyl-chloroquine is now India's atom bomb
 New world order and polity will come from India's womb.

13.Follow the path of Jesus

The world is full of hater
 Their design always sinister
 To wipe them we need sanitiser
 If they extinct, world will be happier
 Follow the path of Jesus, the saviour;
 When you can't tolerate other religion
 No rational people will listen your opinion
 Humanity and brotherhood is the solution
 Gender inequality needs immediate dilution
 Let us send killings and Jihad to hibernation.

14.Corona failed to change the orthodox

Corona failed to change the orthodox
 They are suffering syndrome black box
 Sometimes they are clever like fox
 Yet for religion unnecessarily fight like ox
 Don't realise that most religious texts are hoax;
 Orthodox will use all modern gadgets
 With smartphones their lifestyle is latest
 They exploit science and technology most
 But in social situations they always roast
 With mediaeval thinking they give opinion and post.

15. Tourism industry is under pressure

Did you ever travelled on cruise
 They really try to entertain and amuse
 But now burnt down their main fuse
 Losses to the industry will be huge
 Travellers of cruise please don't abuse;
 Tourism industry is under pressure
 Losses no one can now measure
 People can't enjoy now other culture
 Many people will lose travelling pleasure
 Once tourism was economy's treasure.

16. How to turn around world economy?

How to turn around economy of world?
 Actions should be quick and many fold
 Decisions must be strong and bold
 No simulation should be kept in hold
 Innovative financing should be rolled;
 World economy has already become cold
 Glittering shine is diminished from gold
 Economic slowdown word become old
 To shape economists must find out new mould
 Corona made world economic order old.

17. The beautiful modern world

The beautiful modern world
 Suddenly become ghostly
 Things changed abruptly
 Celebration is now deadly
 Must stay inside coldly;
 Within a month everything changed
 Livelihood difficult to be managed
 Millions lost their jobs all of a sudden
 Moving ahead is now a big burden
 Difficult to smile looking to the garden.

18.The Funny World

The place called world is really funny
 Though the road mostly thorny
 But beautiful is the life's journey
 Pretty women's smile may be horny
 Overall in world we get comedy tourney;
 Rich here get the blessings of God
 Poor people's prayer never got nod
 Time put in their ass hot iron rod
 The affluent listen music on iPod
 The disadvantaged carry the load.

19.Have you seen Corona?

Have you seen the Corona
 No, neither you nor I
 But if you go out it may pass by
 Corona virus is invisible
 But it is invincible
 Yet it's stopping possible
 Only social distancing is desirable
 To soaps Corona become humble
 If you use masks it can't give trouble
 In social gatherings it spread in multiple.

20.O my inconsistent mind

O my inconsistent mind
 Solution you have to find
 Every moment how to unwind
 In lockdown time is now blind
 Soon time will again become kind;
 Time is flowing on its own speed
 To anything it never give any heed
 Corona forced us to be a new breed
 It may be result of our misdeed
 To spend time let's plant hybrid seed.

21. Time is not hostile

Time is never hostile
 It is only very fragile
 It is too volatile
 Every moment mobile
 Time is also ductile;
 Time can't be dissolved
 It can only be resolved
 Time can't be stopped
 It always eloped
 Never can be duped.

22. When in trouble

When in trouble
 Don't chase bubble
 Never throw pebble
 Always be humble
 Life will become stable;
 Keep your mouth shut
 Avoid everything that hurt
 Don't try to become smart
 Clean all of your dirt
 Move on pulling your cart.

23. Now or never

Now or never
 Bury your anger
 Give up ego forever
 Say bye bye to greed
 You have realised need;
 Food cloth and shelter
 Best friend now farmer
 Love and affection companion
 Gold is not best attraction
 Smile and laugh is better option.

24.Let us break the barriers

The world will not be same again
 For years the scars will give pain
 To clean the dark days it needs rain
 For moving ahead break Covid19 chain
 To face the trauma people we must train;
 Time to break the barriers built by prophet
 No need to play all time religious trumpet
 Don't follow the path shown by puppet
 For Corona God, Allah, Ram in same basket
 Humanity and brotherhood should be the duet.

25.We are back to old days

In nomadic days date was irrelevant
 The same has now become prevalent
 Saturday, Sunday, Monday all are same
 Every day you can play your favourite game
 In lockdown we all have become lame;
 We are temporarily back to days of past
 Hope too long this situation will not last
 Soon the Corona viruses might will burst
 The youth of new generation will not rust
 Mankind will quickly clean the dirty dust.

26.Don't hoard food

Basic instinct of life is to live
 But basic instinct is not to give
 Man need everything more
 Basic instinct is as much as can store
 But any moment death can open the door;
 In the hour of crisis don't hoard food
 Equitable sharing in society is good
 No one knows how long crisis will remain
 By hoarding food nothing you can gain
 Better our greed we should contain.

27.For society senior citizens are precious

Now life doesn't begin at sixty
 To seniors life becomes naughty
 Senior citizens are more vulnerable
 For them Covid19 is intolerable
 So to stay inside home is desirable;
 For seniors travelling will be hazardous
 With pre-existing illness Covid19 is dangerous
 For society senior citizens are precious
 For their safety society should be serious
 The source of Covid19 infection is various.

28.Sun never bothers for revenue

Sun rises as usual
 It never follows ritual
 Neither Corona can stop
 Nor eclipse can drop
 Even the atom bomb will flop;
 Sun is life's basic source
 Never it changes course
 Life in some form will continue
 Sun never bother for any revenue
 There may be only different avenue.

29.Coco Our Pet Dog

Coco greets me as usual
 As if everything is normal
 Playing with me the duel
 Not worried for Covid19 trial
 Corona no Corona all equal;
 God is this time kind to pet
 On dogs Corona has no bet
 So Coco has nothing to regret
 Coco still thinks master is great
 But alas, I am caged by fate.

30. Enjoy life today

Borrow money and enjoy life
 It will be difficult when come wife
 If you spend, she will point a knife
 Eat, drink and travel when you are alone
 Once you tie the knot your freedom gone;
 No need to save till you are thirty plus
 Later on for friends party you can't rush
 For survival self-confidence is trust
 In old age even big money may rust
 Take risks now, if required bite dust.

31. Useless weapons

All are nuclear weapons useless
 All investment in space research toothless
 All our prayers are baseless
 All technology is shameless
 All together can't fight a virus wireless;
 Can there be pause in spending on arms?
 Can there be a pause in space research?
 Can there be a halt in Mosque, Tample construction?
 Let the rational people think for a while
 In future we must stop lockdown exile;
 More investment should flow in biotechnology
 Research should be in the field of immunology
 Work should be rigorous in genetic engineering
 Money should flow for ecology, environment protecting
 Will mankind give attention in this line of thinking?

32.For years mother earth was crying

For years mother earth was crying
 To remove her pain no one was trying
 On sick bed alone nature was lying
 Time only world leaders are buying
 For our inaction people are now dying;
 The imbalance in nature created by us
 We can't tell how long nature's furry will last
 The myth of supreme animal has burst
 Human beings must reaffirm trust
 Let the destruction of nature become past.

33.We are back to basic

We are back to basic
 Hunger is the instinct
 Goal is now distinct;

 Even Olympic become silent;
 Fast lifestyle now forget
 Minimizing lockdown target
 With foodstuff fill your basket.

34.Don't spit on the road

Don't spit on the road
 Corona will jump like toad
 Someone's body it may board
 Mass transmission it may unfold
 Your saliva inside mouth please hold;
 Don't cough without tissue or cover
 Corona may drive like a land rover
 In distant place people may catch fever
 The virus can cross thirteen river
 Hygiene in public place is forever.

35. Corona is now on world tour

Corona is now on world tour
 Use against it weapons four
 Masks, sanitizer, soap, distancing more
 Patience and cleanliness is need of hour

 All over the world Corona is kite
 Now on roads they showed their might
 Don't allow Corona to reach it's height.

36. Don't visit malls now

 Loitering with crowds is now foolishness
 Pray in home to God and his highness
 Share food with neighbour, show kindness.

37. The economy will change

The world economy will certainly change
 Agriculture and healthcare will be base

 Within few months death toll may triple
 For jobless life will become horrible
 Next winter may bring to America big trouble.

39. Unique war

Covid19 is an unique war
 Any one can be hit by hummer
 Every human is a soldier
 We have to build wall with boulder
 Soon new weapons will come to our folder;
 The enemy is dangerous and invisible
 To detect its existence is not simple
 Anywhere it can come and give trouble
 Good thing is in soaps it is easily soluble
 To sanitizers Covid19 becomes humble.

40. Practice brotherhood before you preach

History of few religions isn't killing?
 After murder they keep on smiling
 For power to kill their brother willing
 War on their heads always boiling
 To darkness society they are pulling;
 Violence and killings can't be for peace
 Nonviolence and love religion must teach
 Practice brotherhood before you preach
 Heart of people religion should reach
 Dirt and cruelty of history please ditch.

41. Against virus antibiotic toothless

In front of Covid19 we are helpless
 Still fighting it fearless
 Not going out careless

 Staying inside friendless;
 Some viruses are harmless

 To treat doctors are still clueless
 So Covid19 can act ruthless
 Except lockdown everything useless.

42. Veto Power

Only five nations have veto power
 But in real crisis useless their tower
 No use in this global lockdown hour
 Even death powerful nations can't lower
 Death in less privileged nations are fewer;
 People's will more important in disaster
 Veto power is for encouraging war sinister
 No need of veto post Covid19 world order
 In UN true democracy should be the ruler
 Honour should be given to the performer.

43. Approach should change

Approach to face Corona should change
 Livelihood now people have to manage
 Trying to live with food will be strange
 The buffer stock will soon lose leverage
 How life will move ahead without marriage?
 God created man and woman and ordered to multiply
 Darwin's theory was for rational people and simplify
 Now during disaster no presence of God to pacify
 Science has to invent ways and vaccine to nullify
 God, religion we should not any more glorify.

44.Approach should change

Approach to face Corona should change
 Livelihood now people have to manage
 Trying to live with food will be strange
 The buffer stock will soon lose leverage
 How life will move ahead without marriage?
 God created man and woman and ordered to multiply
 Darwin's theory was for rational people and simplify
 Now during disaster no presence of God to pacify
 Science has to invent ways and vaccine to nullify
 God, religion we should not any more glorify.

45.Roam inside home with hiss

Friends are waiting with wine
 But we can't go out to dine
 Restaurant are free from line
 Inside home we will be fine
 Only one room and bed is mine;
 Roam inside home with hiss
 Never in life we thought of this
 Companion of friends we will miss
 Our loved one we can not kiss
 Life will be full of only with bliss.

46.What next?

No one knows what is next
 No solution like copy paste
 Staying inside is the best
 For few more days take rest

 Forget about your company's revenue
 Mankind has to find out new avenue;
 Tomorrow may have better sunshine
 Let's work together to make life fine.

47. Nature always changes for better

Nature always changes for better
 Human only deliberately tamper
 Environment and ecology it hamper

 Human intelligence force it to regress
 So sometimes nature is furious tigrress
 We should not try to make nature mistress
 In retaliation nature will force us to distress.

48. War and epidemic

War and epidemic part of civilization
 Sometimes it is for sensitization
 Sometimes it is for mass destruction
 Sometimes they are for reconstruction

 Both war and epidemic destroy old breed
 Many a times they destroy the bad weed
 They also sow in civilization new better seed.

49. If Corona we can bell

If Corona we can bell
 It's presence it will tell
 It's sinister design will fail

 Kiss and hug will come back
 We can travel in ships deck
 Visit again supermarket rack
 Sit in restaurant and avoid pack
 Fear to face Corona will be lack.

For it no need to be smart

Make gratitude attitude, don't hurt.

51. Humanity is lost in the woods

Humanity is now lost in the woods

All are looking for medicine and foods

Nature have changed everybody's moods

In supermarket limited availability of goods

People praying almighty to save hoods;

In the darkness gold lost its glitter

Money is no more the everything cutter

For people rice is important than butter

In the woods no one will deliver a letter

Same is important and ordinary matter.

52. Slow and steady will win the life's race

Slow and steady will now win the race

The furry of the time they will not face

Rationality and logic always their base

Fast or slow, destination is now same

For all human beings survival is the game

Even the fastest people are now lame

Strangest one now nature can tame

Being steady will now give life and fame.

53. My heart beats rapidly

My heart beats rapidly
 My eyes blinking frequently
 Everything closed hurriedly
 The virus has taken grip firmly
 Yet we will face it boldly;
 Senior citizens are worried
 Poor people are marooned
 On streets no one is found
 People don't hear busy sound
 But to carry on life we are bound;
 Fear of death in America hound
 Inside home we make round
 To console God is not around
 Citizens are crying to earn pound
 Years will be needed to overcome wound.

54. One ping pong

One ping pong
 World is playing
 Nobody is enjoying
 People are dying
 Friends are crying
 Doctors are trying
 Leaders are saying
 China is lying
 Humanity is worrying
 Soon vaccine is coming?

55.Virus becomes novel

Virus become novel

 It may be because older one's immunity low.

57.Forget your greed

Good or bad Corona now dictate
 People repent for their past mistake
 Try to increase immunity booster intake

 In the field you can show greatness;
 Without determination mind is fickle
 Under pressure you will easily buckle
 Soon you will be thrown as a bundle
 Fears on body and mind will be palpable
 Failure will bring tears to trickle.

61.Double edged knife

Globalisation is a double edged knife
 Dangerous than the wicked wife
 Any moment it can take our life
 Speculation and rumours always rife
 Better was cold war days lonely life;
 In integrated economy die for others fault
 To go out of it you can never revolt
 Accept everything with pinch of salt
 Sometimes throw away your better malt
 But never ever alone you can halt.
