ZOR NOBLES VOTE  
TO AUTHORIZE SALE  
OF SHRINE CENTER

**Shriners Healthcare**  
for Children™ — Twin Cities

Twin Cities - Transition to an outpatient clinic model.

From the desk of

*Illustrious Sir*

**Wally Trouten**

Platteville, WI • wwtrouten@yahoo.com

**A MESSAGE FROM YOUR ZOR POTENTATE**

In 2018 when Gary Cuskey was installed as potentate, my Lady Gayle and I had fun with them about traveling. We put together a compact disc with nothing but traveling music. Needless to say, the joke really is on us! The lyrics of one song sticks in my head: "I'm a traveling man, made a lot of stops all over the world". Of course, we are not traveling all over the world, but definitely Wisconsin with stops in Minnesota, Iowa, Illinois, and South Dakota as well. We also know that Kentucky, and Tennessee will be added this summer. The good news about all this is that we have met so many wonderful people that support Shriner and Masonic beliefs. These are people that are busy making things work in their Shrine Temples and Masonic Lodges. As our Most Worshipful Grand Master Scott Pedley says, "They are stirring up good!"

I know there isn't space enough to list all our travels, but we enjoyed visiting the Vacationland Shrine Club in Baraboo. They along with so many other clubs and units are working together to make their club and Zor better than we have been. We have also witnessed that in LaCrosse with their Shrine Club and the Firehouse Jesters it is more of the same. Most recently we were in Wausau and, well they definitely were over the top in welcoming us and other Shriners. Thank you Wausauken Indians for hosting the second quarterly stated meeting. Everyone there enjoyed the entire event.

By the time this is printed, we will have already had our summer Ceremonial in Madison and we will have initiated

a number of new nobles. Membership continues to be in the forefront. We started the year with over 1200 members and unfortunately the black camel has visited us way too often. It is up to each of us to strive to bring in new members and reinstate members that have gone by the wayside.

Shrine Circuses continue in June as we have a circus in

Marshfield on June 6, another in Janesville on June 9, a third on June 10, and the Mehara Circuses in Eau Claire and Menominee beginning on June 11. Check the Zephyr or the Zor website for show times. "Come to the Circus, the Biggest Show in Town." At the end of the month Zor will head for Nashville for the Shrine Imperial Sessions. So, it's another busy month for Zor with club and unit meetings throughout the month.

The tickets for annual Zor Sportsman's Raffle are now out and available for Nobles to both buy and sell. Tickets have been distributed to many clubs and units but if you need some, contact either your Divan rep or Rod LaBlanc. The drawing will be held in Eau Claire at the Mehara Shrine Club on October 19. The doors open at 5:00 with an indoor ice fishing derby followed by the drawing at about 7:00. Look for a coupon in next month's Zephyr.

It's a GREAT day to be a Zor Shriner!

# IMPORTANT INFORMATION

## ANNUAL MEETING

Dear Nobles,

If an effort to help keep our fraternity as unified and uniform as possible, during our annual meeting in January we will be offering leadership workshops open to all, and required for, your newly elected club/unit President, 1st Vice President, and their ladies. We are anticipating this annual meeting of leadership will bring us closer together, and reinforce a common set of practices.

Wanting to do a better job for you we have designed workshops/meetings that will meet the requirements set forth by International insofar as having our insurance forms explained, driver forms delivered, along with protocol review for accidents, parades, updating club/unit info, fundraiser request sheets, Zephyr content, and club/unit meetings.

In addition, we will be covering a number of other topics as well. These will be designed to help us in membership, membership retention, and general information.

Do you know your club/unit demographic? Do you know the demographic of Zor? How involved are your ladies? What does a new member experience? Did you know ALL parades need Potentate approval? With the hospital as financially strong as it currently is, how can we most efficiently allocate our club/unit donations? We will have breakout sessions for the ladies as well. Please let me know if there are topics that you feel should be included in this annual event.

As this training will be held in conjunction with the annual meeting and installation, it is expected that our annual meeting attendance will be much larger along with the attendance of the incoming Potentate's dinner. I would suggest that the club/unit set aside money to pay for the overnight stay of either Friday night or Saturday night. We have made arrangements for special pricing at hotels near by. More information will be provided in the 4th quarter.

*Fraternally,  
Wally Trouten - 2019 Zor Potentate*

## ZOR TEMPLE OFFICE HOURS

## SUCCESSFUL POTENTATE PARTY AT WAUSAU

The Wausaukan Indians would like to thank everyone who came to Wausau for the Potentate Party. Our time @ Timekeepers Distillery was a success and enjoyed by all who attended. A great time was also had during the dinner including the raffle and entertainment.

Thank you again for taking time out of your schedule to drive to Wausau in honor of Ill Sir Wally and Lady Gayle.

*Divan daughters having fun during the derby at the Wausau Potentate party. Jess Brueggen and Lexie Lablanc.*

# Green Bay Packers Midwest Shrine Football Game

The Midwest Shrine Game is scheduled this season for Thursday, August 8th, at Lambeau Field. This event, hosted by Tripoli and Beja Shrine Temples, has been well attended for many years. The Packers Organization has donated thousands of dollars over the years to the Shriners Hospitals for Children. Any Zor Shriners who are interested in attending the game and participating in the 'Pre-Game' on the field activities are welcome to attend and take part in releasing balloons and / or hold-ing the American Flag during the singing of the 'National Anthem'. Beja Shriners host a pre-game 'Tailgate Party' which is open to all Shriners. The 'Tailgate Party' is at a cost of \$20.00 per person. Drinks, burgers and brats have been the traditional menu for the event. Tickets for the game against the Houston Texans are available through Tripoli Shriners in Milwaukee. Tickets will be available closer to the event and can be ordered by contacting Tripoli Shriners at: Tripoli Shrine Center, 3000 W Wisconsin Ave, Milwaukee, WI 53208. Phone: (414) 933-4700. The game is scheduled to 'kick off' at 7:00 PM with activities starting at least 4 hours prior to the game. In order to participate in any 'on-field' activities you must be registered with the Packers in advance. As the Packers do restrict the number of 'on-field' participants it is not guaranteed that all will be able to be on the field. It is dependent on the number of Shriners from the other temples attending as well. What is guaranteed is that it is a great time and the Beja 'Tailgate Party' is a great opportunity to meet and share in the fellowship with other Shrine Masons. More information will be forthcoming as we draw closer to the event or you can contact Zor Past Potentate, Gary Cuskey.

Imperial Sir Gary Bergenske and me at the August 12, 2016 Midwest Shrine Game.

# Mascoutin Shrine Club

Wautoma, Wisconsin

ZOR SHRINERS

## ZOR NOBLES VOTE TO AUTHORIZE SALE OF SHRINE CENTER

Zor's first digital membership meeting gave almost unanimous support the sale of the current Zor Temple in Madison. By a similar margin, the members established a Task Force to study Zor's space needs and recommend future solutions.

The special membership meeting involved the first use of digital internet technology to allow Nobles throughout Zor's territory to participate without traveling to Madison. About a third of the participants joined over the internet.

Nobles heard presentations from Recorder and Past Potentate Robert Gorsuch and the writer of this article, Second Ceremonial Master Mark Hazelbaker.

Illustrious Noble Gorsuch noted that Zor's 9-acre parcel had increased in value because of the current strong real estate market. But, while the real estate may be worth a substantial amount, it does not generate any income. Dwindling membership, increasing costs and

declining fund raising all have led to Zor running an operating deficit. If the real estate were sold and invested, the income should make it possible for Zor to continue its fraternal operations for many years.

Hazelbaker offered three reasons to sell the Zor Shrine temple – it is not needed; we cannot afford it, and sale will allow us to focus on our true purpose of charity and fun. He noted that there are fewer than two dozen Shrine meetings a year at the Temple. But, the building costs Zor more than \$53,000 a year to operate – almost equal to the \$63,000 of dues revenue received each year. Most Zor members are not interested in paying dues to support a building which is rarely used, he said.

By selling the Shrine Temple, Zor should benefit from significant investment income. That income, coupled with restructuring operations, will permit Zor to reduce the current emphasis on fundraising. We will still be out there raising money!

"No one, including me, really wants to sell our property," said Potentate Wally Trouten "It's a tough decision which we need to face. Now comes the exciting part – finding the way to meet our needs."

It's important to note that selling the property is a transition, not an end. It's the beginning of the next phase of Zor's history. We need to decide what to do for Zor's events and operations after the sale. For that reason, the Nobles also voted to create a 7-member task force which will study Zor's long term space needs and make a recommendation to the Nobles. Past Potentate and Past Grand Master Steve Willett will lead the Task Force.

There are many options open to Zor – building or buying a new building; renting space; sharing space in a Masonic building, or some combination, are all possible. The goal is not just to take the money

It's important to note that selling the property is a transition, not an end.

and sit on it. Rather, it is to meet the needs of 21st Century Zor with new facilities and programs.

The Task Force has to deal with complex issues – where should which functions occur? How much office space does Zor need? Where will the Directors Staff keep all the props they have accumulated? The answers will come.

The vote does not mean that the building will be sold tomorrow or even in a few months. There are expressions of interest in the land, but no firm offers. Once Zor accepts an offer, the buyer will need substantial time to go through pre-purchase activities. Almost any change in the use of the property will require approval by the City of Madison, which is a lengthy process. It is likely Zor will be in the building for some time, probably as much as two years.

The discussion at the special membership meeting reflected a sober consensus. No one is happy to face the changes ahead. But Zor members showed they are reasonable and understand hard facts. Sometimes we have to make difficult choices to move ahead. This is one of those situations.

May 16, 2019

*Nobles and Friends,*

**We officially have a new home! After a great deal of planning and searching, we will be moving to a new building in the City Place Development in Woodbury, Minnesota, an eastern suburb of St. Paul, Minnesota, by the summer of 2020. This move is a step in our transition to an outpatient clinic model. Construction of our new site will begin later this summer and continue into the middle of next year. The current site will be sold as the transition to the new site is completed.**

Ease of highway access, proximity to other local area amenities, first floor access and the opportunity to design and build out space incorporating the knowledge gained from 96 years of service, were all elements that influenced the selection of the site and the timing of this transition. Developing a new site is a special opportunity to create a patient-centered environment for the modern era. The new site will continue to serve children from a seven-state service area.

Shriners Healthcare for Children's new facility will provide a wide range of services for children with orthopaedic conditions including:

- **Clinic Services:** providing a family-centered, team approach to care. Patients will see specialty physicians, nurses, therapists and other pediatric-trained specialists in an environment designed for children.
- **Child Life:** providing families with support during appointments through play and anxiety coping activities. The Child Life program also offers over twenty (20) camps and programs to meet the physical and emotional needs of children with orthopaedic conditions.
- **Radiology:** providing standard x-ray service as well as EOS, which provides 3-D, full-body imaging with up to 85 percent lower radiation.
- **Rehabilitation:** providing physical and occupational therapy to help children build skills, strength and mobility needed for everyday activities.
  - + **Scoliosis Specific Exercise** – a specialized physical therapy program that uses exercises, stretching and breathing to improve a patient's scoliotic posture.
- **Orthotics and Prosthetics:** offering orthotic and prosthetic services specifically for children, including upper and lower extremity prosthetic care, scoliosis bracing and a broad spectrum of pediatric orthotic services.

## **Shriners Healthcare** for Children™ – Twin Cities

**Twin Cities**  
Pediatric Specialty Care  
Orthopaedics

2025 East River Parkway  
Minneapolis, MN 55414  
Tel: 612-596-6100  
[twincitiesshrinershealthcare.org](http://twincitiesshrinershealthcare.org)

- **Telehealth:** including telehealth capabilities that enable video connection to other remote sites across the region, creating more opportunities for access to children in need of pediatric orthopaedic services. This capability enhances Shriners Hospitals for Children's reputation as the largest network of specialized pediatric orthopaedic and burn telehealth sites in the world.
- **Surgery Services:** All surgeries will be performed by Shriners Healthcare for Children — Twin Cities physicians at Gillette Children's Specialty Healthcare in St. Paul, Minnesota, or other pediatric hospitals.

Concurrently, we continue our planning efforts to expand our presence throughout our service area. This expansion will take on a variety of forms that could include new affiliations with other healthcare organizations and individual providers, expanding the use of our telehealth technologies and establishing physical clinics, just as a few examples. We see this as an exciting opportunity that supports the Shriners Hospitals for Children's system initiative of "Reaching More Kids in More Places."

We ask for your continued help and support as these changes unfold. We commit to communicating information to all of the Temples supporting Shriners Healthcare for Children — Twin Cities. On behalf of the Shriners Healthcare for Children — Twin Cities Board of Governors, we thank you and your nobility for your support!

Please do not hesitate to contact me, or your local board members, with any questions or concerns.

*Fraternally,*

*In my line of work it's really easy to get caught up in the negatives, but then on days like today we get to enjoy the positives! Our kids at Northwest Journey in Black River Falls have been saving pop tops to donate to Shriners Hospitals for Children. Today Alan Brueggen and Allen Coenen, representatives from the Zor Temple came to say thank you to our kids and grilled out for them. The kids really enjoyed their visitors and sitting in the midget car. It was great to see two important parts of my life mingling and coming together! Thanx guys!*

# Shriners share their mission with American Legion

By Milt Helmer

The Shriners of the St. Croix Valley Shrine Club were special guests at the regular meeting of Fletcher Pechacek American Legion Post on Wednesday May 8th at the Legion club in River Falls.

After introductions the Legion members received a video presentation outlining what the Shrine does at the Shriners Healthcare for Children® in the Twin Cities. The video and a short introduction was given by Past Potentate Larry Riemenschneider of Amery. In his remarks Noble Riemenschneider explained the annual events carried out by the St. Croix Valley Shrine Club that help support Shriners Healthcare for Children®.

Bob Hering, who is a member of the board of governors at Shriners, explained in depth the work done by Shriners in the Twin Cities.

Since 1923, Shriners has provided specialty medical care to children with orthopaedic conditions. In late 2018 that went from Shriners Hospital for Children to Shriners Healthcare for Children, changing from a hospital to an outpatient clinic.

Larry Waters of the Legion is shown presenting a check for \$400 to the St. Croix Valley Shrine club is club member Bob Hering of Roberts.

Shown left to right are visiting Nobles, Past Potentate Larry Riemenschneider of Amery, St. Croix Valley Shrine Club President Roger Keller of New Richmond, Club Vice President Ed Swenson of River Falls, Chief Raban Barry Ausen of Star Prairie and Board of Governors member Bob Hering of Roberts. Photo by Milt Helmer

“The new clinic model incorporates physicians visits, radiology, orthotics, prosthetics, rehabilitation along with telehealth and offsite clinic operations.”

Shriners surgeons now perform the majority of procedures at the Gillette Children’s Specialty Healthcare in the Twin Cities.

“With these changes, they are committed to their mission” said Hering, adding “We want to ensure the patients to become as healthy, active and independent as possible, regardless of a family’s ability to pay.”

Just some of the numbers from last year at the SHC – TC are:

- 2,978 - unique patients of which 1,015 were new patients
- 462 - surgeries
- 2,796 - orthoses and prosthesis were made
- 35 – outreach screening clinics
- 22 – specialty camps and events

The Shriners Healthcare for Children Twin Cities handles Orthopaedic Treatment Specialities but not limited to-

- Arthrogryposis - stiff joints
- Cerebral palsy
- Club foot
- Hip disorder
- Juvenile rheumatoid arthritis
- Limb deficiencies and deformities
- Osteogenesis Imperfecta – brittle bones
- Rickets
- Specialized plastic surgery/ scar revisions
- Spina bifida/ myelodysplasia
- Spine deformities - scoliosis
- Sports injuries – stable fractures

In 2019 they are working to develop and expand a network of outreach sites. Shriners is seeking to introduce telehealth services and an outreach model that offers more frequent clinic but also smaller clinics in remote areas. The whole intent is to promote more points of access with greater frequency. This model will replace the larger annual or biannual patients visits in the past. They will create more access to service for kids and minimize the cost of transportation while developing high – quality and specialty services. Shriners will continue to provide the special, wrap around care that is a hallmark of Shriners service.

Following the brief presentation, the American Legion club in River Falls presented a check for \$400 to the St. Croix Valley Shrine Club President Roger Keller of New Richmond.

# Calling for Imagineers

Greetings Nobles,

The topic of this month is Communications and how you can help improve them. WebFez is one of the useful tools that Imperial has developed for us to keep our information up to date for the Temples. This is something that is fairly easy for everyone to use that has a computer. Along with this article I have attached the instructions on how to register and how-to login into WebFez. By keeping your address, phone number, and E-mail address up-to-date, it will make it easier for the office to get in touch with you if the need should arise.

To keep you informed of the latest and urgent information, we are sending out an E-blast, via MailChimp, to all members that have a valid e-mail address. We are currently showing that 839 members have valid e-mail address and are receiving the E-blast, unfortunately only about 35% are choosing to open them. These types of services are used for two reasons, they are very efficient and are free to use. With the cost of everything going up and the membership in a decline, we need to find new ways of saving money for the Temple and still getting the word out to the members.

We are now ensuring that every Noble, Candidate, and Widow is receiving the Zephyr each month. The monthly bill has increased because of this. For all the friends of the Zephyr, we want you to know how much we appreciate your donations to help offset this cost. We also post the Zephyr on the Zor website for easy access, which is another way you can help us cut the cost of the Zephyr, by choosing to use the online version instead of receiving a hard copy of it. If you would like to op-out of receiving the hard copy, please send me an e-mail to zorcommunications2019@gmail.com and say OP-OUT. Thank you in advance for helping us to cut the cost.

If you ever have any questions or suggestions for me, please drop me an e-mail at zorcommunications2019@gmail.com.

*Thank you for your time and interest,*

*Chris Peters,  
Marketing & Communications  
Chairman and Zor  
Imagineer's President*

**Chris Peters**

## HOW TO REGISTER

**Use WebFez to verify your personal information, payments and Shrine activity**

### How to REGISTER for WebFez:

- Go to your browser's address bar and type in: [webfez.shrinenet.org](http://webfez.shrinenet.org)
- Click the Register button on the Login page: 
- From the Registration page, choose your Temple from the drop-down list and then type in your Member Number and your First and Last names.
- Click on the Register button. You will be directed to the Create a New Account page. On this page, enter an E-mail address that you will use to log in with, confirm the E-mail address, and then enter and confirm your Password.

Email	<input type="text"/>
Confirm Email	<input type="text"/>
Password	<input type="text"/>
<small>(Passwords must be between 8 and 12 characters with at least one upper case and one lower case letter and at least one number)</small>	
Confirm Password	<input type="text"/>

- Scroll down to read the WebFez User Agreement and Privacy Policy. Agree by clicking the checkbox.
- After the checkbox is selected, click on Register. This will Register you for WebFez and log you into the system.

## HOW TO LOG IN

**Use WebFez to verify your personal information, payments and Shrine activity**

### How to LOG IN to WebFez:

Important: In order to log in to WebFez, you must first be registered. If you have not yet registered, please see the illustration regarding how to register. (above)

**You only need to register once.**

To log in to WebFez, please follow the steps below:

- Go to your browser's address bar and type in: [webfez.shrinenet.org](http://webfez.shrinenet.org)
- Enter your login E-mail address and Password in the designated fields:
- Click Log in: 

Email	<input type="text"/>
Password	<input type="text"/>

# TIME SAVE OR SPEND?

**Steve Livernash**

CAPTAIN OF THE GUARD  
IMAGINEER'S PROJECT MANAGER  
prosticker@solarus.net

these hours can be viewed as hectic work or a pure sense of pride and fulfillment. Times of the past are only memories. Time experienced today is living in the moment of the present. Time to be spent in the future can be uncertain but can be predictable and planned. Goals set forth can be reached if you have inspiration. An inspired mind leads to a vision. Vision expands your thoughts of image. With imagination you can create. With creativity you can innovate. Innovation changes the future and gives you the ability to reach a goal.

The realization of momentary time can either slow down life or make it super-fast. To many times you hear of people mentioning "where did all the years go?" Years pass because of same repetitive routines. Regular routines become the normal and consume time. By breaking the daily or monthly routine, you break the same old same old. Nothing different leads to the same memory over and over. Taking a different way to work or store each day can create a new memory by seeing new things. Realizing monetary time by watching a minute hand on a clock, can make the last hour of work seem like forever. The first seven hours flew by because you were working and not watching a clock. Waiting for the last hour to tic bye before a weekend. If we can take the same approach of momentary time of a minute hand, we can slow down life to a slower pace. Coast and notice the little inspirations. We can not add time to our lives, but we can make it seem longer. Time does not stop for a minute for anyone, but we can live each 60 seconds. Awareness of time is the present before another wrinkle is seen in the mirror of the future.

ZORSUBMIT@GMAIL.COM

Shriner Nobles and their Ladies spend a great amount of time helping children. We do it through participating in our own way.

Riding in a car at 55 mph down a road, like a second hand. You see only the objects that are big and noticeable. Such as the Shriners Hospital for Children's billboards. I learned this as a young hand lettering artist from the old timers of outdoor advertising. The best billboard should only have 3 big words or one sentence. If you don't have time to read it all, you will look away with no impression. Shriners "Love to the Rescue" sums it up.

Walking or riding a bike down the same road is a totally different experience. You can hear the birds chirping and see a bee pollinating a flower. The smell of fresh manure spread on a field. Slowing down like a minute hand you can see, hear and smell the small things found in life. The same billboard can be full of information, like a business card you hold, as you have time to read it all. All this changes with speed and how fast our brains can capture and process information. Paying attention to detail of a leaf or the whole tree in one view is our choice.

Spending time with loved ones should be an hour hand. Taking the time and trumping our fast-paced lifestyles. Spending time taking children on a healthcare run can be a good part of a day. Selfishness is no part of the "Hospital Dads" and riders agenda.

Saving time is like going to a 6:30 pm show. Once inside the theater and eating buttery popcorn the outside world goes away. You totally get engulfed in the film and by 8:30 pm when you walk outside the world seems to be so quiet for whatever reason. Feels like it should be 11:00 pm. All because we processed so much information in a short amount of time our brain is tricked into it should be a later time.

We can't cheat on time neither. The original worker at a lumber mill didn't punch in for work using a time card. They were given a metal token with your worker number and the words "Time Check" stamped into the alloy. The company name on the reverse side. When your token was given to the clerk you were now on the clock and paid for the time worked. Given back to you at the end of the workday. No covering for Johnny who's late again with punch clocks.

Taking a 9-hour road trip to this summer's MSA can seem to take 10 hours if you look at every mile marker. Can seem like only 5 hours if you get into a good conversation with the friends in the car. "The speed of life can be regulated, by balancing momentary time, if you let it." Is something I've come to realize. Watching a second hand may be a bit extreme. A minute hand versus an hour hand. A week versus a month. A year versus a decade. It is our choice to be one of the 3 clock hands or no time check at all. Not stopping to realize the date leads to seeing how fast the calendar can flip a page.

When was the last time you saw a hummingbird while riding in a car? Sometimes the slow view ahead captures more than the fast pace seen in the rearview mirror.

Try asking David Ragan who drives the Shriners #38 racecar to look for you in the stands. At 180 mph you can wave all you want, but it takes a still photo shot to capture both our Shriners Hospitals logo and some person waving 38 rows up. "Imagine That"

Great Gift - Great Cause

### ZOR SHRINE MEMBERSHIP

*June is a month of growth, friendship and sunshine*

AND A GOOD TIME TO PAY IT FORWARD

*with acts of kindness*

- Consider offering a heartfelt compliment to someone who is always there to help you out.
- Do you know a new member? Call them up and see if they would like a ride to the meeting...it will brighten your day.

13 miniature 1964 Ford Thunderbirds

### Hello everyone!

As you may or may not have heard, the ZOR Midgets have recently relocated from the Sparta Area to the Portage Area. With that being said, the Midgets are actively looking for some new drivers. If you are interested, you can email [zormidgets@gmail.com](mailto:zormidgets@gmail.com) or call Tyson Swan directly at 608-697-7629.
