# From The Potentate

## Monte Steiber

“Thank You” to the Southwestern Shrine Club for hosting the Easter Leaster Bowling Tournament on March 21st. There were not many bowlers this year, but those of us that participated had a great time. One major problem was they did not let the Potentate win.

The Easter Egg Hunt was a big success again this year. The kids had a great time. A Big Thank You to Cheryl and Chuck Porter and their committee for a job well done!!

The Divan has initiated a project to upgrade Zor's website. Bob Giesler, Chuck Miller, Brian Goff, and Larry Herzog recently met with 2 companies to give us bids on upgrading the website to include a “members' only” portion for the

Nobles to be able to make reservations and pay for events on-line. Once we make a decision, and move forward, we will have to dedicate someone to update the website on a weekly basis.

Just a reminder that the Spring Ceremonial is May 30th in Eau Claire, so get those petitions sent in to the Zor office. The meal reservations are due by May 16th to Gary Cuskey.

The first Steak Fry for the season will be Wednesday, May 13 at the Shrine Temple. Please make your reservations by May 6th by sending in the coupon or calling the Zor Office (608-833-6343). It is still a bargain at \$10 per person, and is a great social event.

On May 13, prior to the Steak Fry, there will also be an Informational Meeting at the Shrine Temple on the Potentate's Fall Foliage Trip to the New England area. Gemma Hall, from the ABS Travel Agency, will be present to answer questions and make a presentation on the trip's itinerary. Time is running short to make reservations. Now is the time to get registered for the trip which is scheduled for October 5 – 14. Please come and join us.

## St. Croix Valley Shrine Club discuss plans

By Milt Helmer

At the regular scheduled meeting of the Board of Directors of the St. Croix Valley Shrine Club, President Larry Wiegand and his committees finalized plans for the coming year activities.

The Club lived up to its reputation as the premier Shrine Club in the state by reporting on several new initiatives designed to offer additional support to the Shriners Hospital for Children®.

In addition to the clubs annual Little East West Shrine Game in October, they also are in the process of adding two more fund raising/support projects. Among them is an idea used in the past but brought back with a fresh spin by new Noble Tyler Behr. In Ty's plan, Nobles will be asked to bring in teddy bears to be given to the Auxiliary for the children at the hospital. Plans so far include making little St. Croix Valley vests for the bears to identify the club making the donation.

Noble Helmer also passed out special stickers provided by Noble Jack Thomas. The stickers will be placed on jars and coffee cans and distributed throughout the Valley to collect Pop Tops for the Shrine Auxiliary. The tops are used to fund wheel chairs at the Hospital.

The St. Croix Valley Shrine Club reported on last year's Hospital Day/Trout Pond. Past Potentate Larry Riemenschneider said last year's event was held under the protective covering of the parking garage and was very successful. The combined events will again be co-hosted by Zor and Osman Shrine on Hospital Day of May 16th. The club voted to donate \$1,000 to the event.

Jerry Hauschildt, the leading Shrine recruiter and head of the annual Onion Sales, gave his report saying the onions are coming along fine. The Vidalia onions will appear a week later than last year due to dry weather in the south.

The Zor Roadrunners Captain Jerry Wilkens reported their first practice is planned for Wednesday, April 29 at the New Richmond Legion Club, followed by later practices to be ready for the 2015 parade season. Increased Shrine membership has resulted in newer members wishing to become drivers. New members will need practices before they can join the parade unit.

Roger Keller, the new chairman of the Little East West Shrine game, explained some new ideas for the upcoming event on October 2 & 3rd. Included is the Potentates Banquet on Friday, Oct. 2nd at Junior's in the downtown River Falls Best Western Plus Hotel. The new features of the event will include special goody bags given to attendees that will be custom decorated by the children at the Shriners Hospital for Children®. The banquet will also have a custom made ice sculpture with expanded menu complete with appetizers. The traditional event will help celebrate the University Homecoming with a joint parade, Shrine units from all over the Upper Midwest and a Shriners Grand Marshal.

# Hamburger event raised over \$10,000 for Family Assistance Fund

By Milt Helmer

The Nobles of the St. Croix Valley Shrine Club invited civic and business leaders from all over the St. Croix Valley to come enjoy a simple dinner of "Hamburgers". However, these hamburgers were different. The cost per burger was \$500 with all the proceeds going to the Shriners Hospital for Children® in the Twin Cities Family Assistance Fund.

Kevin Pechacek of the West Wind donated the burgers and community leaders joined in the celebration.

Noble Rod Rommel, a member of the Board of Governors of the Shriners Hospital for Children® in the Twin Cities gave the attendees a briefing on the hospitals need and showed two DVDs showing Shrine Hospital success stories.

Noble Roger Keller showed the attendees a display of prosthesis used over the years at the hospital and also briefed everyone on the upcoming Little East West Shrine game, held at River Falls on October 3rd. The event is held each year in conjunction with the University of Wisconsin-River Falls homecoming and features a parade with Shrine units from all over the Midwest.

One of the guests at the dinner was Jacqui Steele of Plum City, who was a patient at Shriners Hospital for Children® when she was seventeen. Her back surgery helped improve her quality of life.

The committee that put together the event included Barry Ausen, Jeremy Fussy, Dave Hoffman, Roger Keller, Rod Rommel, Larry Wiegand and chairman Milt Helmer. Master of ceremonies Milt Helmer extended a sincere thank you for the generous support of the area donors.

# Explanation of Zor dues

Every Shriner must pay these dues annually (unless they're a perpetual member)

- Zor's annual membership dues are **\$70.00** per year based on following:
  - **\$50.00** - Temple dues (Zor's dues) are (This amount may vary from Temple to Temple)
  - **\$5.00** - Hospital (Dues are the same for each Temple)
  - **\$15.00** - Imperial per capita (The same for each Temple)
- Associate dues for Zor are **\$50.00**
- Perpetual members may make a one-time payment for life.
- Perpetual dues for 2015 would total **\$1600.00** based on the following:
  - **\$1000.00** - Zor's annual dues (20 years times \$50.00)
  - **\$150.00** - Hospital (30 years x \$5.00)
  - **\$450.00**- Imperial per capita (30 years x \$15.00)
- **A noble cannot be in arrears to pay the \$1600.00**
- **Nobles that owe for this year are in arrears \$70.00**
- **Therefore they would need to remit \$1670.00**

A Noble may pay any or all perpetual amounts. Example: Per capita dues may increase and you have paid the perpetual amount, \$450, you would experience a saving over that of an annual dues payer.

# Hospital Dads: WE DRIVE SO KIDS CAN THRIVE!

Thank you to these Nobility who donate their time and energy transporting our kids. If you see any of these caring folks, be sure to thank them for all they do.

Robert Sands Promotions Inc. is coordinating the operation of the 14 shows throughout Zorland. Timothy Noel Tegge (www.timothytegge.com) from Baraboo, will be the lead entertainer for a second year. Tim will have an all new show for this year, with additional entertainers.

Each Club/Unit will have a Noble selected as the contact person that will correspond with our promoter, in making this a successful show in their community. This person will be sent posters, promotional materials, and will be the "cheerleader" to promote the show in your community. It is all important that the Nobles from each sponsoring Club &/or Unit support your contact person in the distribution of these materials throughout your community. This will assist in increasing the attendance in your community, to make this show a success.

## Pop Tab "Thank you"

By Janet Johnson

A special thank you to all who continue to support my "pop tab" project. Started in 2000 as a local fund raiser then presented to the General Auxiliary at Twin Cities in 2002 for other groups to consider; it has grown and provided many thousands of dollars for our "kids". Both Twin cities and Chicago now have picked up the project at the hospitals as well as many of the Auxiliaries. We just had a local man bring us 264,000 all bagged and labeled - Yes, he counted them!

Since 2000, we have recycled over 10,000 pounds and raised over \$6000 from our garage. As a side note, the gray colored tabs on soup and vegetable cans are steel. We must go through every bag or bottle with a magnet and take out all steel and other items then place in larger containers so we get the best price at the recyclers. Thanks again and keep the tabs coming to help the wheel chairs roll!

## Divan trip to Chicago

By Oriental Guide Wally Trouten

On March 24, Potentate Monte Steiber and his lady Ann attended the Divan Seminar at the Shriners Hospital for Children in Chicago. They were joined by Chief Rabban Bob Giesler and Lady Pat along with Oriental Guide Wally Trouten and Lady Gayle. The day started out with hospital tours and a lunch in the Activity Mall.

After lunch, the Chairman of the Chicago Hospital Board of Governors William R. Kuehn welcomed the guests from the Divans of the various temples that support the Chicago Hospital. He also recognized the Potentates from the Temples in attendance. Hospital Chief of Staff Dr. Jeffrey D. Ackman and Occupational Therapist Kate Nikolai shared not just one, but two

patient success stories. Douglas E. Maxwell, President and CEO of Shriners Hospital for Children updated everyone on what is happening system wide and a surprise announcement for the hospital and guests. The Chicago hospital is one of the first to receive an EOS imaging system. The EOS system provides full-body images of patients in a natural standing or seated position in both 2D and 3D. The system also delivers a radiation dose that has been measured to be nine times lower than that of computed radiography X-ray<sup>1</sup> and 20 times lower than basic CT scans<sup>2</sup> in accordance with the ALARA (As Low As Reasonably Achievable) principle of radiation reduction. For these reasons, the EOS system is the ideal mode of imaging for

monitoring the treatment of pediatric scoliosis patients like those who seek treatment at Shriners Hospitals.

Also announced was the use of the ReWalk Device. ReWalk is a wearable robotic exoskeleton that provides powered hip and knee motion to enable individuals with Spinal Cord Injury (SCI) to stand upright and walk. It is always uplifting to hear about all of the advancements and success stories that our hospitals are making in the treatment of our patients.

The attendees were also provided with folders that describe the various services provided to patients at the Chicago Hospital.
