## Zor Creates Long-Range Planning Committee - Membership Survey Under Development

Do you think about where you are at today and where you are going to be in the future?

Well, that is what Zor is doing. Potentate Bob Gorsuch and Chief Rabban Larry Hanson created a Long-Range Planning Committee (LRPC or the Committee) to address exactly this question and the various issues surrounding where Zor is at today and where it is going to be in the future. The LRPC is charged with identifying issues and developing recommendations in response to those issues – to be presented at the Annual Meeting in January 2014.

The LRPC is comprised of members

from the various geographical areas the Zor covers as well as members with broad based experience not only in Zor Shrine but also in the Masonic Fraternity. The members of the LRPC are: Gary Cuskey, Spooner – 2nd Ceremonial Master, Dick Jones, Madison – Past Potentate, Matt Hughey, Wadsworth IL – Directors Staff & LRPC Chair, Dale Olson, Whitewater – Treasurer, James Olson, Sun Prairie - Past Grand Master, Steve Peterson, Wausau – Past Potentate, and Todd Wohlert, La Crosse – Zephyr Editor.

The LRPC had its organizational meeting on January 12, 2013 prior to the Installation of

Officers. The Committee was quick to identify those issues facing Zor in the short and long term. Those issues could be categorized under the following general headings:

- Membership;
- Facilities;
- Finances;
- Units & Clubs;
- Hospital Support;
- Organization and Leadership;
- Support/Administrative Staffing; and
- Communication

Given that the Committee members had more questions than answers to the issues

raised, the LRPC decided to survey the members to get their thoughts and ideas. The Committee hopes that members who receive the survey will take it to heart and spend the requisite time to complete the survey. It is expected that the survey will be distributed soon.

The responses to the member survey will be analyzed by the LRPC and will form the primary basis for the recommendations in the Committee's report. When the necessary and sufficient analysis and review of the survey responses has been completed, the LRPC expects to share them with the membership.

Hopefully by the time you are reading this Zephyr it will be spring and the snow will be gone.

Zor again had a great Madison Circus with attendance of about 1000 more than last year. Zor thanks all of the Nobles & Ladies who worked at the circus and a special thanks to those Nobles who purchased their circus tickets.

This is the time of year that Clubs & Units will be booking participation in 2013 events and parades. There is no change in the process from past years. Your Club or Unit must request permission from the Zor Office for approval before the events takes place. If you book additional events after you have submitted your request for approval, you must notify your Divan Representative and the Zor Office of any new events. If your event is fundraising is for the Hospitals, you must submit a written request to the Zor Office and Zor will forward your request if approved by the Divan to the Imperial Office for their approval. In no case, shall you send your request directly to the Imperial Office.

**From The Potentate**

**Bob Gorsuch**

The Madison and La Crosse circuses are now history. From all accounts, they were very successful. The two performances in La Crosse were both sold out! I was told over 6,000 attended each show. I sold more programs in one night than I have in 3 nights in Madison. The Madison circus totaled over 33,000 for the 6 performances. The Madison circus is the largest source of covering our fraternal operations.

On April 27 there will be a quarterly meeting of Zor Shriners in Wausau. Watch

your Zephyr for details. This is in keeping with my hope we can reach out to all parts of Zor. Even though our "headquarters" may be located in Madison currently, we do not want to be a Dane County only focused organization. I am always open to hearing from anyone who feels we need to do more in this area.

Since we are only having one official ceremonial this year in December, we will be doing frequent "cold sands" presentations to bring new members into the Shrine. We will come anywhere,

anytime. Just contact me at [rgorsuch@oakbankonline.com](mailto:rgorsuch@oakbankonline.com) or call me at 608-279-2139. Communication is the key to having a successful organization. But it has to go both ways; from your leaders to you and from you to your leaders.

Question of the month: When was the last time you signed a petition for a new member?

Remember why you became a Shriner!

Bob & Carol

## Pins in Platteville – The After-Easter Leaster Returns

The 3rd Annual After-Easter Leaster bowling tournament is back for more fun AGAIN this year. The Southwestern WI Shrine Clubs special event is Saturday April 6th at Pioneer Lanes, 1185 Hwy 151, Platteville, WI. Only \$20 per player entry fee. 3 per lanes - Singles Scratch. 1 p.m. start time. Walk-ins will be honored and mocked.

The object of the game is to get the lowest score. The purpose of Low Ball is to practice on your 7 and 10 pins and to practice focusing on a specific target. You want to get the lowest score, but there is a catch. Here are the rules for Low Ball:

- 10 frame game
- Ball must hit at least one pin
- Every gutter ball or zero (0) count = +10 to final score
- Lowest score wins

In Low Ball, bowling strikes and spares are scored exactly the same way you

would score a strike or spare in a regular game of bowling. At least one pin needs to be knocked down. A perfect game in low ball is a twenty (20). Meaning that one pin is knocked over on each of the two balls per frame in the score. To get the lowest possible score, aim for the 7 and 10 pin each frame. If you knock down 4 pins on your first ball, you want to try to hit only one of the remaining six pins down. If you knock down 6 pins on your first ball, you want to try to hit only one of the remaining 4 pins and so on. A gutter ball will be recorded as a strike if it is on the first ball in a frame. If on the second ball you do throw a gutter ball, it will score as a spare. You've got to knock or topple over at least one pin on each thrown ball to get a low score. Therefore, this version of the game is quite a challenge. If there is a tie, there will be a 5 frame bowl off.

## Patient Creates Local Support through "Curvy Girls"

Shriners Hospitals for Children® provides treatment for all types and levels of scoliosis, a musculoskeletal disorder that causes an abnormal curve of the spine. Our pediatric orthopaedic surgeons are especially skilled and able to provide care to children needing complex surgeries to correct their scoliosis. One patient receiving expert care from Shriners Hospitals for Children for this condition is Camille Tharpe from Shreveport, La.

When Camille was first diagnosed with scoliosis at age 10, the realities of how treatment might affect her seemed to be a distant issue. On the verge of entering the challenging social constructs of preteen life, she approached her condition with a cautious, yet optimistic, outlook.

Upon her first visit to Shriners Hospitals for Children — Shreveport, Camille's medical team began monitoring the development of her spine. While initial visits yielded positive results, later examinations indicated movement and changes consistent with additional curvature in her spine. Camille was informed she would require a back brace running from her hips to her shoulders to prevent further curvature.

"My reaction was kind of what other preteen or teenagers' reactions would be — absolutely terrified," she said. According to Anthony Sin, M.D., a neurosurgeon providing spine care at Shriners Hospitals for Children — Shreveport, concerns about physical appearance are common among those undergoing care for scoliosis.

### Looking for Support

Immediately after learning she would require a brace, Camille and her mother, Christine, searched for support outlets online. Their search led them to Curvy Girls, a national scoliosis support group founded by Long Island teenager and scoliosis patient Leah Stoltz. By that evening, Camille had spoken with Stoltz on the phone, and her focus had already begun to change toward the positive.

"That was a total turnaround moment and she was ready to embrace wearing her brace after that phone call," Christine said. "Girls need to have someone they can talk to about wearing a back brace 23 hours a day, the clothes you wear with a brace and how to just get through the day."

With the support of the national organization, Camille set out this past summer to form the

first Curvy Girls chapter in Louisiana. Through fliers, media appearances and promotion to local physicians' offices, Camille generated enough interest to host her first local Curvy Girls meeting.

Attended by local scoliosis patients and several parents, the inaugural meeting had an important impact on Camille.

"The major thing I took away from our first meeting is that I'm helping these girls, but they're helping me so much and they're encouraging me to be braver and more open," said Camille.

Shriners Hospitals for Children is pleased to be able to help children with scoliosis, and proud to see our patients giving back to others.

Camille Tharpe, a patient at Shriners Hospitals for Children — Shreveport, founded the first Curvy Girls support group in Louisiana.

# Another Banner Year at the Alliant Energy Center

Circus Chairman John Thorstad is pleased with the results of this year's circus, as we have had 2 years in a row with great circus attending weather. No snow, sleet, or freezing rain. The final profit check has been turned over to the office with a total net profit of \$127,000.00. (2nd best year in recent history)

Total attendance was 31,497 for the 6 shows. The Saturday 2:30 p.m. show had the largest crowd with 7211 and the Friday night show with 3629 was the smallest. It is a record setter when you have

to set up folding chairs on the arena floor to handle the walk-in crowds.

"A tip of the fez" for the great support this year, many hands and great idea's make things run smooth, and Chairman John thanks everyone for pitching in. "First, I must always thank my wife Debbi for all she does with the ticket counting and with the food purchases. 2nd to Mark Severson and Bob Sands who attended meetings with the new AEC Executive Director Mark Clarke while I worked and got a few positive changes to our current contract which helps both Zor and the Carden Circus. Next comes the program bicycle door prize donor's: Directors Staff, Mini Cars, Camel patrol, Madison Clowns, Road Runners, Midgets, Wranglers, Funsters, and the following clubs: Sahara, Madison, Southwestern Wi., Lakeland, Mound View, Green county, Wild River, St. Croix Valley, and Indianhead plus the Divan and Past Potentates. And to the Pipes and Drums who again purchased all the bicycle helmets for all the winners. And lastly, thanks to all who "bit the bullet" and did not request a refund on their parking stub which saved us approx. \$ 600.00."

As for the elephants – we had several PETA, Alliance for Animals, and Dane County Supervisors who purchased tickets and came to watch the animals during the show and for the rides at intermission with camera's and note pads. We had several Shriners positioned around the rings who kept a watchful eye with no major problems reported.

Zor had to rebill 11 members who used their tickets and had not paid for them totaling \$638.00.

Medical report from Sunday night's motorcycle accident: after being transported to the hospital, they were back later that night to help with the final loading of equipment. Ring master Joseph Bauer took 2 weeks off, the girl on the back of the cycle performed the following night in the Danville, Illinois, and the cycle driver finished off the Sunday night performance.

Plans are in the making already for the 2014 show's – involving the Masonic youth groups, changing the Sunday show times, finding a new location for the Sunday morning brunch according to Roy Holm, bringing back Fez Head Fred, and donating tickets to the military. So mark your calendars for February 14, 15, 16 as George Carden Circus returns to Madison with another award winning performance.

# Easter Egg Hunt Brings a Bit of Spring to the Shrine Center

By Sheri Severson

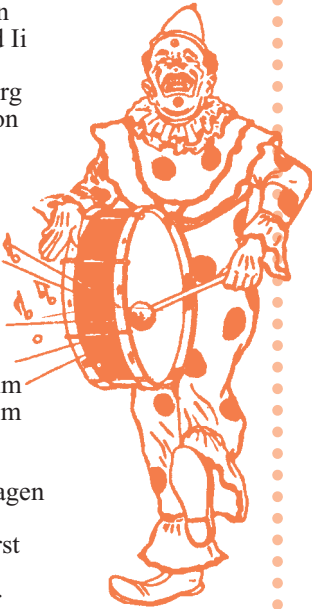

Is it really Spring? One couldn't tell from looking outside the Zor Shriners Center with snow everywhere. In spite of leftover winter, family, friends, and children enjoyed a sun shiny day at the Shrine Center for the annual Easter Egg Hunt. The guest of honor, Mr. Bunny, brought smiles and plenty of eggs for the kids to find. Hosts Chuck and Cheryl Porter along with Jobs Daughters Bethel #44 helped the rabbit by stuffing nearly 400 eggs with all kinds of treats for the kids.

As families arrived at the Center, they were greeted by Potentate Bob and Lady Carol and several members of the Divan. The kids were busy at the craft tables decorating the bags with foam cutouts of stars, flowers, butterflies, and eggs. Due to the cold and snow, the bunny was sneaky

and hid the eggs in the Oasis room and basement of the Shrine Center.

Following a lunch of ham, turkey, PB&J sandwiches, chips, fruit and cookies, the kids greeted the big white bunny as he entered the center. The kids took their turn taking pictures with Mr. Bunny. Then it came time for the big event and Mr. Bunny escorted the kids outside to retrieve their precious eggs.

About 50 parents, grandparents, and children joined in the festivities as over 30 children searched for the brightly colored eggs. The kids had a great time gathering eggs and peeking inside to see what treats they went home with. A big thank goes you to Chuck and Cheryl Porter for coordinating the event, along with Jobs Daughter members and Nobles and Ladies who helped with the activities.

# March Membership Madness

March 16th was the Mexican Fiesta Party, hosted by the Southwest Wisconsin Shrine Club, at the Las Palmas Restaurant, in Platteville. The emphasis of the party was on membership, and showing guests how much fun we have as Shriners, in addition to having a great time with Nobles, their Ladies, and honoring our

Potentate. With 50 Nobles, Ladies, & guests in attendance, a Membership video was featured along with a great buffet, dancing, and the Potentate whacking away at a piñata. More pictures of this event and more are available on the Zor Shriners Facebook page.

These Nobles are watching their Ladies have a good time...and are slightly frightened.
