A MESSAGE FROM YOUR ZOR POTENTATE

The new Shriner year is already in full swing with the Circus a fresh memory. I want to thank all of the Shriners who attended the circus and helped with the various tasks at hand. A special "Thank you" to circus chairman, John Thorstad, who did an outstanding job of planning and organizing the circus event. Thanks also to Assistant Chairman, Mark Severson for all of his help in planning and tirelessly running around the arena making certain that things were getting done. Thank you to their ladies, Deb and Sheri, who worked hard to organize the food station among other things for all of the workers. Their efforts started months prior to the circus and it is very much appreciated. The entire circus committee needs a heartfelt "Thank You" for all of their hard work in making the Zor Shrine Circus a great success. Thank you to all who attended and helped, we couldn't do it without you!

MSA in Deadwood, South Dakota proved to be another huge success. The Nobles from Naja Shriners did a great job in planning and hosting the annual event. Not too often will we see the top four Imperial Officers at an event outside of a sponsored Imperial event. We were fortunate to have Imperial Potentate Gary Bergenski, Imperial Sirs, Jim Cain (Chief Rabban), Jeff Sowder (Assistant Rabban), and Jim Smith (High Priest & Profit) in Deadwood where they presented important information relative to our fraternity and the Shriners Hospitals for Children. I am pleased to report that Imperial Sir Gary was wearing his 'Imperial Zor Shriners Fez' which was presented to him at his installation last July in Daytona Beach.

I apologize for missing the Green County Shrine Club's 50th annual pancake breakfast, as I was in Deadwood for the MSA mid-winter session. It was reported that it was again a great success and well attended. I want to thank the Green County Shrine Club for their continuous hard work and those Divan members who were able to attend the breakfast. Our own Treasurer and PP was there making sure everything was running smoothly. We are already looking forward to pancake breakfast #51.

Lady Judy and I were guests at the Funsters Christmas Party held in Wisconsin Rapids on January 27th. We really had a great time and the event was very well attended by many nobles and ladies. Thanks to the 'Funsters' for making it a wonderful and memorable time. You probably saw the picture of the 'school bus vase' and flowers that were in the on-line newsletter for February. This was presented to us by the Funsters and now lives on Judy's desk.

The Imagineers are working hard to improve on our communications and social media exposure. They are working on the installation of Facebook page sites for all clubs and units. It's important that all the clubs and units have someone designated who is responsible for posting timely pictures and information on their sites. This allows everyone in Zorland and elsewhere to tune in and see what's going on in our temple, clubs, and units. It also gives the Imagineers a source of information to draw upon for the Zephyr in print and/or on-line.

An upcoming event that should be of interest is the Wausau Stated Meeting and party on April 14th. Also, the spring ceremonial is scheduled in Eau Claire on May 19th, with the 'Mystery Dinner' being held the evening before the event. Watch the Zephyr for more information.

Membership is always a key subject and my goal for 2018 is to bring in a total of at least 50 new nobles, including any reinstatements. With the ceremonial coming in May, it is a great opportunity to bring in new nobles just in time to get involved and share in the fun activities of the summer season. We are all on the 'Membership Committee' and there are many good men who should be Masons as well as Shrine Masons! Help us by doing your part! "I am committed now RU? – Refer a good man!"

We are looking forward to making this year a fun-filled year while staying focused on 'Shriners Delivering Hope'.

IMPORTANT INFORMATION

Fundraising Requirements

As Recorder of Zor Shriners I am required to inform all Nobles at least once a year what the fundraising requirements are per General Order No. 1, pages 44-47. I encourage all to review it in its entirety but here is a summary of the critical parts of it.

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe his or her money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the chairman of the board of trustees of the Hospitals is prohibited.

No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.

Any officer, Noble or temple which violates a provision of Fundraising Activities as outlined in General Order No. 1 is subject to discipline pursuant to the bylaws of Shriners International.

Bob Gorsuch, Recorder – Zor Shriners

Zephyr Submissions

It is MOST important that you follow the procedure when submitting material to the Zephyr. All material, excluding; photos, graphics, etc., must be submitted as a "Word docx 12pt., Arial font." This is a requirement of the printer. This also assists us with editing and proofreading. When material is submitted in another format it slows the whole process down. Timeliness is one of the main focuses of the Zephyr Team!

Please send all content and photos to zorsubmit@gmail.com

Zephyr Nobles will then verify, proofread and return the material back to its author, and await their approval if need be. This is done not to offend anyone but to ensure that you, the Noble, receive a quality publication. This is another of the main focuses of the Zephyr Team!

And, it is crucial that you submit your material on or before the deadline. We ask you to have all material submitted by the 10th of each month. This allows those Nobles five days to verify, proofread, return to author, and await approval. On the 15th of the month all of the material needs to be submitted to the printer. They then work their magic and return it to us for our approval. Upon our approval the Zephyr is printed and by the 27th of the month they are mailed to the Nobles. Voila! The Nobility receives the Zephyr on or darn close to the 1st of the month. This is the MAIN goal of the Zor Zephyr Committee!

Zor Temple Has New Phone Service

A new telephone system for the Zor Temple office was put into operation on January 25, 2018. This new system will improve the efficiency of office personnel. It will also enable Nobles to communicate directly with office staff, the Recorder and the Potentate. The main telephone number remains 608-833-6343. An automated attendant will give you the option to determine who it is you wish to talk to.

Congratulations to Nobel Gary Cuskey

The Hayward Musky Shrine Club & Cycle Patrol would like to congratulate Nobel Gary Cuskey on his election to Potentate of Zor Shrine for the year 2018. We are looking forward to a fun and exciting year under your guidance.

“THE TIN LIZZIE”

A Tin Lizzie is an old motorcar, most-commonly a Ford Model T. The term is said to have been derived from the most common American name for a horse in the early 1900s — Lizzie, short for Elizabeth — and the fact that the vehicle was made of metal or tin. Used as a slang reference for the Model T, the term Tin Lizzie eventually made its way to defining any cheap, old car. In the early days of automobile racing, a Tin Lizzie was a nickname given to a rough-looking racing car. As other manufacturers began to produce automobiles, the term became synonymous for a dilapidated or cheaply-built car or truck.

In the early days of the American automobile, the public was suspicious of the need for a motorized vehicle that often scared horses and damaged roads by creating deep ruts in wet weather. As more and more of the Model T Ford automobiles began occupying the roads and streets of the countryside, the dissatisfied public began giving Mr. Ford's modern marvel not so marvelous nicknames, such as Tin Lizzie. Eventually, the name was seen as a term of endearment and some owners began referring to their own Fords as a Tin Lizzie.

For the most part, the Model T was a dependable vehicle and proved to be a reliable means of transportation that slowly replaced the horse and buggy. As more and more people began to travel in the Tin Lizzie, some mechanical flaws were exposed that required some quick redesign by Ford. The earliest Fords were gravity-fed the fuel required to operate the engine. This means that there was no fuel pump to deliver the fuel to the carburetor. Thus, when the vehicle was asked to climb a steep hill, the fuel in the rear-mounted fuel tank would not flow to the engine, and the vehicle would run out of gas partway up the hill.

Owners soon solved the fuel-delivery problem of the Tin Lizzie and began backing up hills. The awkward process of driving in hilly country gave rise to the Tin Lizzie moniker once again and the name spread to every motor vehicle on the road that gave any inclination of mechanical problems. Many car clubs devoted to the collection and survival of the Model T call their members Lizzie Lovers. - wisegeeks

How do you measure your membership?

Which is more valuable to ZOR: One new member? One retained member? The answer is definitely retention!

Acquiring a new Shriner is anywhere from five to 25 times more expensive than retaining an existing one."

That's because it costs more to find and convince a new member to join than to keep our current members engaged.

Of course, keeping members engaged can be difficult at times also.

Here are a few tips that might help

1) Common ground between a senior Shriner and a Shriner in his twenties could be the most difficult. We have to remember that the most important item is the survival of the club or unit. When or if a younger member

is elected to office or Chairman of a specific event, let him grow with guidance, never criticize or abandon. And In turn if change is inevitable, effectively communicate with slow change.

2) Effective communication can be equally as difficult. Sending out emails, phone calls, postcards, and text messages singularly are

not enough. They all must be done to bridge the gap in generations.

3) Respect for each other can be felt from Superior to Beloit. The opposite can also be felt further and can last a lifetime. Picking up the phone and talking to your fellow Noble keeps harmony.

We are here at this moment in time for a common purpose. We help Children in need with Masonic Principles as our guide. Being a Shriner and retaining your membership has never been more important than right now. So, I ask you, how do you measure your membership?

Fraternally,
Christopher Underwood

HOSPITAL HIGHLIGHTS

By Robert Hering

Shriners Hospitals for Children and ultimately Shriners patients, are the reasons we give of our free time, plan together, work together, and share the news of the amazing services the hospitals have to offer. Starting next month, read this monthly column "Hospital Highlights" to sharpen your knowledge on what goes into making our hospitals unique and the supporting role Shriners play. Let's consider this a monthly "cliff notes" edition of interesting facts and resources regarding the hospitals.

Over the years there have been bits and pieces of information in the Zephyr regarding the Twin Cities and Chicago Shriners Hospitals for Children. Fantastic information has also been handed down from dedicated Shriners. "Hospital Highlights" will share helpful facts, social medial sources, and more to refresh seasoned Shriners as well as bring the newer Shriners up to speed on what these fine hospitals have to offer.

Stay tuned, set your email notifications or watch for the Zephyr in the mail. You will soon have resources at your fingertips about the hospital's history, open house events, summer camps, Women's General Auxiliary, contact numbers for the hospitals as well as the DADS contacts and more. We are fortunate to have two fine hospitals within driving distance from anywhere in Zorland. Lucky for you, that means information regarding both hospitals will be shared to keep you in the know and ready to spread the news to the general public and potential patients.

Illustrious Sir Gary Cuskey & Lady Judy

SHRINERS

Delivering Hope

Illustrious Sir Gary Cuskey & Lady Judy

By Mark Hazelbaker

At the culmination of a day mixing tradition, camaraderie and trademark Shriner hijinks, Gary Cuskey was installed as the 86th Potentate of Zor Shrine. Also as part of the Ceremonial, the newly elected and appointed Divan and officer members assumed new fezzes reflecting their offices. The ladies of each of these men shared in the event, fezzing their Shriner in recognition of the importance of family and home life.

Illustrious Potentate Cuskey shared his aspirations for his year-long tenure. Most significantly, he pledged to bring the Zor Shrine Temple activities to the members. Except for the February meeting which will occur at the Madison Shrine Circus, all quarterly and Divan meetings will be held throughout Zor land. The new Potentate wants Zor members to attend Divan and other meetings and share ideas with the leadership.

The other major emphasis for 2018 will be improving communications. Potentate Cuskey supports the fullest possible use of print and electronic media to reach to connect to Zor members. Enhancements to Zor Zephyr, the web site and use of email news are part of those efforts.

*Zor Installs
2018 Potentate
And Divan*

The day's events began an annual business meeting where action included adoption of a tight budget for 2018 and elected new leaders. The meeting, attended by several dozen Zor members, had a solemn section when the Zor Directors conducted the annual Candle Ceremony, remembering those Shriners who fell to the Black Camel this year.

Zor Shriners heard from our membership director that recruitments of new members are beginning to slow the loss of total members. But, the trend remains downward. For that reason, Potentate Cuskey informed the assembled audience that they and every other Shriner are our membership committee. Everyone should make it their goal to reach out to the many good men in their communities and invite them into the Masonic fraternity and the Shrine.

During a presentation to the Shrine meeting, the Right Worshipful Grand Master of Masons of Wisconsin, Arby Humphrey, offered more encouragement. The Grand Lodge's Day of Light program last fall raised about 200 new Master Masons. The program was not a short cut to light. It is an efficient way for candidates to go through the entire Wisconsin Program.

These new 200 Masons and others who will follow represent a heartening change in the membership of the Blue Lodges. It is up to the Shrine to reach out to new Masons and interest them in our programs.

The discussion of membership concerns led into the related concerns about Zor's finances. As Zor has lost members, revenues have decreased as we lose both dues payments and the fund raising those members used to contribute. As the result, Zor has had to trim operating expenses wherever possible. For 2018, the Divan and officers prepared a tight budget which sustains Zor's programs and charities. Funding the activities will require dipping into Temple reserves. The reserves are there to carry Zor for 2018 and beyond, but the Divan and leadership warned that Zor must find new revenue sources.

Zor's members proceeded to elect their principal officers for 2018. After the usual "few more announcements," the business meeting closed.

It then became clear that while the new head of Zor was committed to the serious business of the Temple, he could not escape the lighter side of the annual festivities. The assembled nobles and ladies socialized over refreshments and dinner.

At that point, the fracas began. Four

highly suspicious characters who claimed to be investigators for a government agency appeared. Incompetently attempting to conceal their identities with cheap sunglasses and loud blazers, these four insinuated that they had evidence of trademark violations by Gary Cuskey. Their aspersions were based on Potentate Cuskey's ownership of Badger Buses of Spooner. The four malcontents, who did not fool anyone into believing they were not members of the Directors' Staff, finally accepted that the Spooner company's name was in no way improper. They withdrew.

Your 2018 Zor Divan Front row, left to right, Larry Hanson PP, Treasurer, Mark Jerdee, High Priest and profit, Wally Trouten, Chief Rabban, Ill Sir Gary Cuskey, Potentate, Barry Ausen, Asst. Rabban, Rodney LaBlanc, Oriental Guide, Bob Gorsuch, Recorder. Top row, left to right, Joe Harker, Chief of Staff, Allen Heinkel, Capt. Of the Guard, Mark Hazelbaker, Marshall, Al Brueggen, 1st Ceremonial Master, Roger Keller, 2nd Ceremonial Master, Brian Dunham, Outer Guard, Karl Gant, Chaplain, Chris Underwood, Membership Chairman.

Shortly thereafter, Past Potentate John Thorstad took the podium to inform the assembled guests that if they believed Gary Cuskey had become Potentate just because he had been properly elected, they were mistaken. Far from it, Thorstad indicated. Gary Cuskey had yet to trod the rough and weary path of being approved by the dinner guests. And, while the guests were satiated with ample portions of a well-stocked buffet, they yet hungered to judge the humble Potentate-elect. When PP Thorstad called for a "thumbs up, thumbs down" vote, the guests mercilessly withheld approval.

That led PP Thorstad to inform Gary Cuskey that to be fezzed as Potentate, he would have to be serenaded first. Ever a good sport, Potentate Elect Cuskey took position on a chair atop a dais. He had barely been seated when a group of a dozen or so raucous females danced in, singing and proclaimed themselves the Divanettes. For the next 15 minutes, these harpies circled Gary Cuskey like sharks toying with their prey. They proclaimed an ostensible purpose – to present Gary Cuskey with a recording of songs for the road that he could listen to as he travels the state. And they proceeded to play a dozen songs which had at least minimal connection to the months ahead. Along the way, though, these females manifested their true intent, which was to harangue poor Gary Cuskey with off key singing while hanging necklaces of mardi gras beads around his neck.

Mercifully, there are only 12 months in a year, so the mix tape presentation eventually

came to an end. The Divanettes withdrew, leaving Gary Cuskey seated with a bemused look on his face.

Fortunately, behind every successful man is a great lady. In Gary's case, his wife Judy came to the rescue. She stepped up to the dais, Potentate fez in hand, and placed it lovingly on her husband's head. He thanked her for her good offices with a kiss. And with that, the 2018 kick off festivities were at an end.

The event was a microcosm of what lies ahead for Zor – a substantial amount of important work supporting the major charitable duties of our fraternity, and, quite a bit of fun.

In 2019, Zor's annual meeting will be Saturday, January 12. If you write it on your calendar now, you too can share in the high-spirited fun.

Why does a chicken coop have two doors?

If it had four, it would be a chicken sedan.

Why do cows have bells?

Because their horns don't work.

What did one eye say to the other?

"Don't look now, but something between us smells."

"What's wrong, Bubba?" asked the pastor. "I need you to pray for my hearing," said Bubba. The pastor put his hands on Bubba's ears and prayed. When he was done, he asked, "So how's your hearing?" "I don't know," said Bubba. "It isn't until next Tuesday."

What do you call a parade of rabbits hopping backwards?

A receding hare-line.

Midwest Shrine Association Summer Session 2018

August 15-18, 2018

The Midwest Shrine Association Summer Session 2018 will be held in Deadwood, SD August 15-18, 2018

The Naja Shriners are hosting this event and are proud to say that every room in Deadwood is being held for Shriners attending the Summer Session. It's expected that up to 2000 Shriners may be there.

The Deadwood area is a tourist haven and this is a busy time of year for them. Therefore, we have a deadline of March 31st to get our room reservations in. The rooms will be unblocked after that so lodging could be problematic.

We have 40 rooms blocked for us at the Lodge at Deadwood. If you or your club/unit wish to make lodging arrangements it is imperative that you contact Housing Chairman and Chief of Staff Joe Harker before March 31st.

It will be a great time at the Session with Motor Corp, Chanter, Clown, and Band competitions. There are also two motorcycle rides planned, a golf outing, trail ride, along with two parades; One in Deadwood and one in Spearfish.

Deadwood holds a lot of history and there is much to see in the area, Devils Tower, Mount Rushmore, Custer State Park, Needles Highway and a whole lot more.

25 YEARS OF BEING A SHRINER

Here is Bernie Kahl with Potentate Gary Cuskey receiving his twenty-five-year certificate being a Shriner at the Blue Hills Lodge Valentines dinner held in Rice Lake WI. February 12th, 2018.

Can't You Just Taste Those SWEET VIDALIA ONIONS?

A new year has come upon us again and it is time to start thinking about onions sales. I talked with Shad Dasher on January 10th and the onions are all planted and they are looking good. They did have some snow on them but he said don't worry about that because they were still dormant. If they keep on growing like they are they should be ready the first week of May. I will contact you by April 6th for your order.

Remember, this is an agricultural product so the availability of the onions is all dependent on Mother Nature. Pre-selling onions is easy to do, you can put up a flier at a local business or local watering hole and they sell themselves. The flier is available on the website under Zor events then hit the Vidalia onion button or I can email or send you a flier if you would like one. Steve Livernash never sold onions online before. Last year he posted it on face book and sold 1000 pounds.

Pretty good for a first timer. If you want to learn how to do this just ask the Zor Imagineers. I do have extra room on each truck for more onions. The trucking has already been paid for so the extra onions you sell are pure profit.

If you have never sold any before and need help, let me know and I can help you out. Remember, when you buy a bag for yourself take 4 more to sell to your friends and neighbors. If you are going to want any recipes go to the Zor website and they are available there.

If you have any questions, feel free to call me at 715-377-3032 or email me at bausen@frontier.com

Thanks again,
Barry Aussen, Onion Chair

**Roger Robinson
Chairman
Board of Governors**

February 23, 2018

Nobles and Friends,

Recently, it was announced that changes were being considered for how we care for our kids at Shriners Hospitals for Children-Twin Cities. These changes are in concert with the national trends in healthcare toward more outpatient-oriented care while the need for overnight medical (inpatient) care declines. At present, only a small part of our service involves overnight stays.

Recent news stories together with recent discussions at the winter MSA meeting has created uncertainty, many questions and a slew of rumors both for the nobility and for our Hospital staff.

The SHC-TWI Board of Governors want to make some things very clear, and end some rumors; We ARE NOT CLOSING the Twin Cities Hospital! We are developing plans for a transition to an Ambulatory Surgical Center (day surgery) service model. The vast majority of our work is currently in an outpatient environment and none of that is changing. Our kids will continue to get the greatest care available to them, just as they always have. The only change is for the inpatient procedures that will be shifted to other partnering facilities, just as we are currently doing for selected cases.

Along with this change, we are also planning efforts to expand our presence throughout our service area. This expansion will take on a variety of forms that could include new affiliations with other healthcare organizations and individual providers, expanding the use of our telehealth technologies and establishing physical clinics, just as a few examples. We see this as an exciting opportunity that supports the SHC system initiative of "Reaching More Kids in More Places."

As a Board, we want you to know that we are fully engaged in this change process and are committed to giving our nobility, and our friends, valid information about any changes. We are also committed to ensuring any changes are done in a proper and well planned out format, that not only creates "logical" business sense, but also remembers the human element of all involved, both our wonderful staff, our patients and their families. The SHC-Twin Cities Board of Governors has communicate our expectations regarding planning and timelines for any transition to the Joint Boards to ensure all parties involved have like expectations.

We ask for your continued help and support as these changes unfold. We commit to communicating information to all of the Temples supporting SHC-Twin Cities. On behalf of the SHC-TWI Board of Governors, we thank you and your nobility for your support!

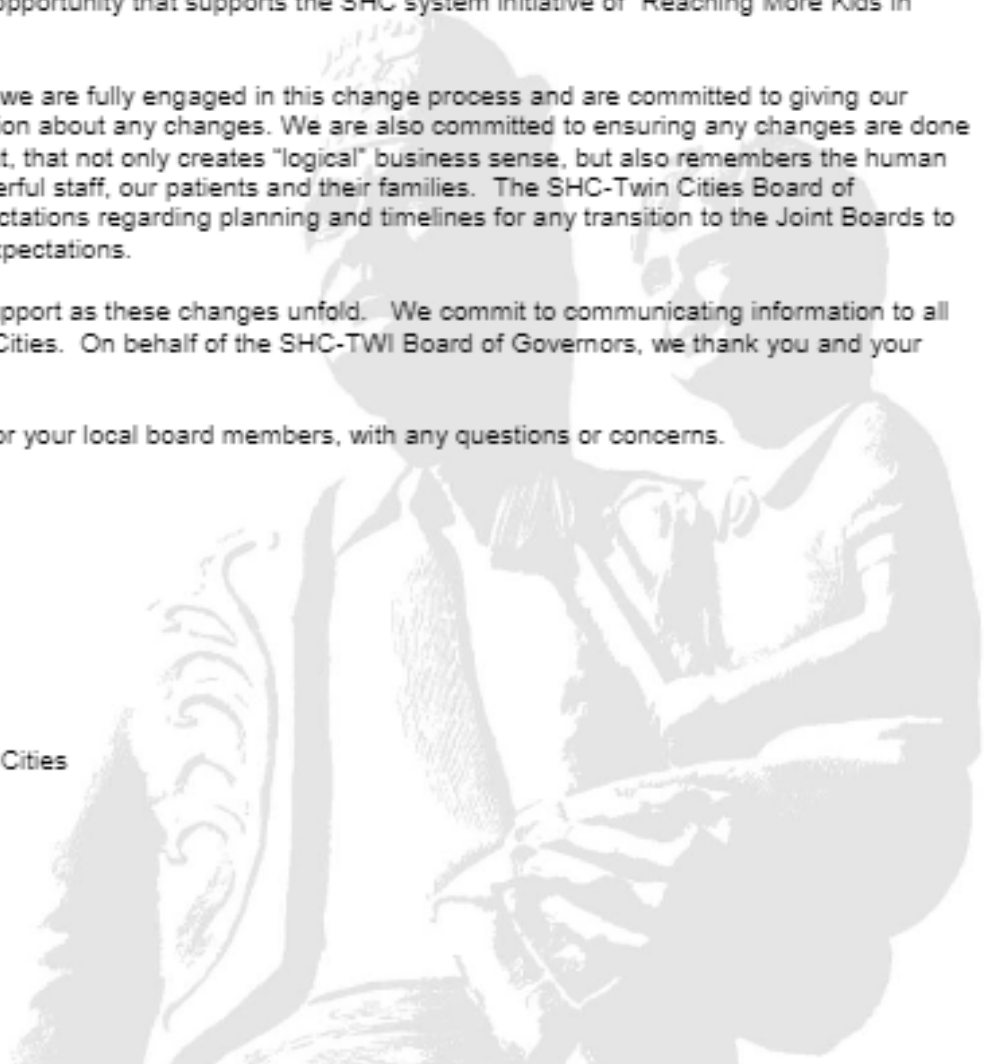

Please do not hesitate to contact me, or your local board members, with any questions or concerns.

Fraternally,

ALWAYS HAVING A GOOD TIME

New Potentate Gary Cuskey of Spooner shared his goal for 2018 at the St. Croix Valley Shrine Club annual Valentines Party on February 9th at the Ellsworth Masonic Center.

Having some good natured fun, Ill Sir Gary models the Zor Shrine bib during the catered dinner.

Ill Sir Cuskey said his goal is to initiate 50 new Shriners during his year at the helm. He further said the spring Masonic Day of Light is expected to generate up to 200 new masons, so his goal is only a small percentage of that projection. He went on to echo the thoughts

of Most Worshipful Grand Master Arby Humphrey that "the world needs masons more than ever before."

Cuskey went on to announce some changes in the upcoming Zor Zephyr. Due to a hiccup due to the departure of a Zephyr editor, the February edition was online, but changes brought about by the new team of "Imagineers" the March issue will be redesigned and greatly improved. He is excited about the changes being made by this creative team. One of the changes calls for the submission of news articles from around the Zor world. All people have to do is post their news on their Facebook pages and the Imagineers will download them for the print edition.

Noble Doug Hoffman of River Falls is shown proposing a question during the fast paced Newly Wed game at the Ellsworth Masonic Center Valentine party on Feb 9th.

Club President and Divan member Roger Keller of New Richmond introduced Sister Diane Thomas of Hammond who talked about the need for new members in the Order of the Eastern Star.

The evening was filled with introductions and announcements of upcoming events in Zorland. One such announcement was the introduction of the St. Croix Valley Shrine Club's mascot, a fury little camel with the Shrine bear riding on top. His name is

"Humpfree" and will make appearances at all club functions this coming year.

Potentate Cuskey lady Judy announced her initiative for the coming year. Judy said the Shriners Hospital always have plenty of items for younger patients but not always for the older kids. She announced a program that will urge the purchase of gift cards that can be used for gas, meals, treats, etc. when they visit the Hospital. They are easy gifts to give and will be much appreciated.

Shrine and other dignitaries were introduced at the Annual Shrine Club Valentines party. Left to right are Dan Sherry, District Deputy of Dist. 2; Roger Keller, Shrine Club President and Divan member; "Humpfree" the camel; Judy Cuskey and Ill Sir Potentate Gary Cuskey of Spooner; Brenda Gaulke, Associate Grand Matron of the Wisconsin Order of the Eastern Star and Barry Ausen, Zor Assistant Rabban. Photos by Milt Helmer

Tammy Winkelman of the Shrine Auxiliary reported on her mission to provide prom dresses and tuxs for the upcoming prom in March. She said she has a garage full of dresses and formals, but they are always looking for more for ages 16-18.

The evening was made more interesting with Noble Doug Hoffman and his lady Cheryl as they conducted a light hearted rendition of the Newlywed Game.

Hancock Lodge Worshipful Master Kraig Krueger and his lady Angie were guests of honor at the annual event.

"Humpfree" the camel will begin to make appearance all over the St. Croix Valley.

to the Midwest Shrine Association Winter Session

By Mark Jerdee

Following that suggestion Joe Harker, Chief of Staff and Wally Trouten, Chief Rabban met in Madison on Wednesday Jan. 31st and picked up our Conestoga wagon (aka Fraternal van) and began the long trip to Deadwood, SD. Along the way they gathered up fellow adventurers Gary Cuskey, Potentate, Barry Ausen Assistant Rabban, Mark Jerdee, High Priest and Prophet, and Rod LaBlanc, Oriental Guide.

We stopped in Mitchell, SD the first night and since they would have frowned on us for starting a cook fire to make supper, we went to Whiskey Creek Wood Fired Grill for supper.

After spending a restful night, we continued our journey. We arrived at The Lodge at Deadwood around 3 PM.

We settled in and even if it wasn't the hot sands that we had crossed we still visited the refreshing oasis offered by our fellow temples. There we renewed old friendships and made new ones.

The first day of the meetings started out with a Counterparts Breakfast. This is when the Divan members from the Temples get together to discuss the happenings in their respective areas. This was followed by the opening of the General Business Session. We were joined by Imperial Sirs Gary Bergenske, Imperial Potentate, Jim Cain Sr, Chief Rabban, Jeffery Sowder, Imperial Assistant Rabban, James "Jim" Smith Imperial High Priest and Prophet.

The meeting was recessed and we attended breakout seminars on Leadership, Public/Donor Relations, Housing, Stop Burn Injuries and Shrine Circus and Fundraising Association. After lunch the Imperial Officer's made a presentation on the hospitals.

Friday night was the banquet. These are my counterparts. Photo taken by Imp. Sir Jim Smith our counterpart.

Topping the evening off were the infamous "boat races" A great time was had and they raised \$800 for the hospitals.

Saturday was the last day. The membership report showed that our Association had been visited 465 times by the black camel. Zor accounted for 56 of those.

Dr. Mielke made a hospital report which was followed by a touching story by a young couple.

They have four children of their own and felt that they had more love to give so they adopted four Chinese girls. One at a time. The first three have spinal bifida and the fourth cleft lip and palate.

They had been getting treatment for the first child at a Denver children's hospital. When they picked up the second girl she had just been taken out of a Spica cast that she had been wearing for nine months. During that time, she was confined to a crib with no view other than the ceiling. Needless to say, she had other issues she was dealing with.

The parent took her to Denver and the attending physician wanted to do surgery immediately. The mother said she was deeply conflicted not wanting to put this young child back into a cast. The mother called a friend who is a pediatric nurse. That nurse referred her to a Shriner who made arrangements for the child to be seen at the Twin Cities Shriners Hospital. In conference with Dr. Mielke it was decided that the best this for the child was to adjust to being a part of a loving family and her new home. That surgery could wait.

The couple was so impressed that they now have all four of their adopted children getting treatment at the Twin Cities hospital.

The Business Session was closed and we began our trip east.

There were predictions for bad weather but all was well until Albert Lea. After that travel slowed due to road conditions but we all made it back safe and sound.
