A MESSAGE FROM YOUR ZOR POTENTATE

I can't believe that I am already sitting down to write my last article as your Potentate. Where has the time gone? It seems like we just started and . . . 'poof' . . . the year is over!

When I was installed last January as your Potentate, I stated that I wanted to make sure we were having fun while serving our purposes and 'Delivering Hope' to our kids. I also stressed that we had some serious challenges ahead and indicated that I wanted to objectively address our options. I believe that we have seriously and objectively begun to address the important issues facing our Temple and have some of the processes in motion. Where we will end up is uncertain, but I wanted to be certain that we were taking a 'proactive' approach rather than having to be 'reactive' at some point in the future. I believe we accomplished these goals and I'm confident that our leadership will follow through and continue to address these important challenges as we go forward.

Our Fall Ceremonial in La Crosse was undoubtedly a great highlight for Lady Judy and me. The event was very well attended. We celebrated the initiation of 'cold sands' initiates as well as several new Nobles joining us on that day. I welcome them and encourage the new Nobles to become active in their local clubs and units. It was incredible to see nearly 150 people attending the Saturday evening banquet. We thank the ceremonial committee consisting of PP Joe Thompson and Lady Julie, PP Larry Hanson and Lady Jill, and PGM Joe Harker and Lady Mary, for all of their hard work in planning and detailing the many activities making up the whole event. We couldn't have had things go any better or smoother. Also, we want to thank the many others who had a hand in making the ceremonial a huge success, such as the Directors Staff, Ritualistic Divan, Daughters of the Nile, and several

others. A special thanks to MWGM Scott Pedley and Imperial Chief Rabban Jim Smith and his Lady Alice for attending and sharing in the occasion.

As I reflect on the past year I can't help but think how indebted Lady Judy and I are to the Nobility, Ladies, Staff, and others who have helped and supported us throughout the entire year. Admittedly, we have put quite a few miles on the vehicles, spent quite a bit of time away from home,

and have seen the inside of quite a few hotel rooms, but we have absolutely enjoyed every minute, mile, and most rooms over this year.

I have been very humbled for the privilege to have served Zor Shrine as Potentate in 2018. We've enjoyed visiting the many clubs and units where we met many Nobles and their Ladies throughout Zorland. We were always warmly greeted and always treated like royalty. Judy and I will miss the involvement we've enjoyed over the past several years as we traveled through the Divan line. I look forward to continuing to serve our great fraternity in other ways as we go forward. Judy and I will always remember and treasure these special years we have had with the many Nobles and Ladies of Zor Shriners. Thank you for your kindness, friendship, and support and may God Bless you all! Remember to always 'have fun with a purpose' while being Shriners Delivering Hope!

Southwest Wisconsin Shrine Club/QueenB Radio

2018 ALL-AREA FOOTBALL TEAM

The Southwest Wisconsin Shrine Club and QueenB Radio of Platteville has announced their 11th Annual All-Area football team. The players are selected by local media that cover the SWC, SWAL, and 6-Rivers conferences in southwest Wisconsin.

The players were honored at a "Tail-Gate" banquet at the Sports Page in Belmont on November 18, 2018. The Master of Ceremonies for the event was QueenB Radio General Manager Herb Cody. The speaker for the evening was Dennis Murphy. He is a WFCM Hall of Fame member who taught and coached at Black Hawk schools. He shared how many mentors led him along the way. He stressed that no matter how much you love your chosen profession, one must work hard to be a success in that profession. A video interview featuring Alex Erickson of the Cincinnati Bengals and a former Wisconsin Badger was presented. Also he is a past award winner of an All-Area Award as a Darlington High School athlete. He too described what it takes to be a success. While a little luck is involved, hard work certainly improves the luck one has. Noble Peter Augelli talked about what being a Shrine Mason means to him. In this discussion he described the many things that both Shriners and Masons do for society and how proud he is to be part of the organization. The awards were presented

by Mark Evenstad, and RJ Osterholz, sports directors for the 4 QueenB radio stations. A contribution to the Minneapolis Shrine Hospital was made in the players honor.

Black Hawk's Cory Milz was named the All-Area Coach of the Year. He led the

undefeated Warriors (13-0) to 22-15 victory over top-ranked Edgar (13-1) in the WIAA Division 7 state championship game at Camp Randall.

Black Hawk junior lineman Avery Baumgartner was named the All-Area Lineman of the Year.

Mineral Point junior quarter back Isaac Lindsey was named the All-Area Offensive Player of the Year after leading the Pointers (9-2, 6-0) to a second straight conference title. Lindsey completed 142 of 237 passes for a league-high 2,260 yards, 26 TDs with only 6 interceptions in 11 games. He also rushed for 632 yards and 10 TDs on 115 carries.

River Valley senior linebacker Shane Liegel was named the All-Area Defensive Player of the year after earning Co-SWC Defensive Player of the Year for the SWC runner-up Blackhawks (8-3, 4-1 SWC). Liegel finished his senior with 107 total tackles, 12 tackles for loss, two sacks and one interception.

MAKING OF A NEW CLOWN

Being a Clown has long been a great tradition and there is a little clown in all of us at times. Clowns are around to entertain and bring laughter to children of all ages. Clowns are also founded in tradition and in Zor, that is very true, in fact the Zor Clowns in Madison were the first clown unit in all of Shrinedom.

The time has come for a new Clown in town. With the change of the calendar and the elections of new officers, the Zor Clowns of Madison announce the date for the annual Zor Potentate / Sweetheart party. This year it will be held on Saturday February 23rd at the Madison Shrine Center. We will begin with social hour at 5:00 pm and sit down to eat at 6:00 pm. The cost is \$22.00 per person. Please send your reservation to Dale Holmen, 13 St. Albans Ave. Madison, Wisconsin 53714. Checks should be made out to: Zor Clowns. All reservations are due by February 17th which is the last day of the Circus. Coupon is below.

The fun for the evening begins with you as you arrive. Each year we have a bag raffle with all the proceeds given to the International Shrine Association "Red Sneaker Fund" to benefit the Shrine Burn Hospitals. So we need you to come early and spend your money freely. Our next tradition is asking all Past Potentate Clowns to bring along the picture from their year for display. Looking back it is hard to believe they ever looked so good. A picture does tell the true story of the man.

The REAL entertainment is when our new Potentate puts on his true face and becomes a true clown. This is his time to put on a happy face. This year we will have the pleasure of having the President of the International Shrine Clown Association with us.

Remember it is a great day to be a Shriner and it is always a great day to be a Clown.

THE FEZ OF A ZOR SHRINER

A room full of thumbs up!

ZORSUBMIT@GMAIL.COM

Inspired by a moment,
To help children in need,
Faith, Hope and Charity,
Paying forward... a good deed.

Elegant is our red Fez,
With its long black tassel,
Ready to aid with passion,
Shriners love... without hassle.

Three letters of ZOR,
Adorned above our head,
A rhinestone scimitar,
Hand stitched with Gold Thread.

Our Fez is worn high,
With pride and honor,
Our emblem recognized,
Proudly...we are ZOR Shriners.

Our red Fez is thanked often,
For the work of Nobles...before Thee,
Today we help children,
Tomorrow... may they walk free.

Nobles delivering hope,
Creating fellowship and fun,
More meaningful for the soul,
Delivering Shriner patients,
On a healthcare run.

Performing great wonders,
With Shriners love and care,
Our nurses and doctors,
Help children from everywhere.

Past patients can look to the future,
Supported with our Shriners bond,
"The sky's the limit,
and a little beyond".

Circus, parades and public events,
Creating balloons and smiles,
People remember the ZOR Fez,
Not the man or the many miles.

Our historic red Fez,
Glistening since 1872,
Our future was formed,
By past Nobles,
Today, this Noble... is YOU!

Together we are stronger,
Charitable, unified and kinder,
All Blue lodge brothers,
And Nobles of ZOR Shriners.

We Proudly wear our ZOR Fez,
Whenever we can,
Humbly devoted,
A Mason,
A Shriner,
A Noble Man!

Rose Bowl Parade - Shriners Float Entry

A young patient continues to intercept passes and excel in football

Adison continues to succeed as a football player after adjusting to wearing a prosthetic leg

He has been tackling in the field since he was 6, but in 2018, Adison had to overcome much more than a strong football offensive line. After having his right leg amputated due to a gunshot wound, Adison and his family were referred to Shriners Hospitals for Children — Houston. A member of the Shriners fraternity in their hometown of Eagle Pass, Texas, reached out to his parents, Daniel and Leticia, and helped them with the hospital admission process.

Adison received care for his wound, rehabilitation services and a prosthesis while at Shriners Hospitals for Children — Houston.

“He had to overcome many difficult challenges,” said Daniel. “Physical therapy was hard for him. He would cry out in pain, but he prevailed.”

The recovery period for Adison was anything but simple. Nevertheless, with continuous physical, occupational and recreational therapy, Adison managed to get back on his feet. He uses a prosthesis for everyday wear and switches to his running leg when playing sports.

Less than a year since his injury, Adison, now 11, is back on the field. He is a defensive lineman for the Broncos, a team in a local youth league in Eagle Pass.

“The hospital is a six-and-a-half-hour drive from home, but it’s worth it coming down here for the quality of care,” said Daniel. “The people, the service – it’s been excellent. We are thankful for everything they have done for us.”

Legendary rock band donates worldwide hit song to Shriners Hospitals for Children

FOREIGNER has recorded a special version of its classic song "I Want To Know What Love Is"

FOREIGNER, the classic British-American rock band, has announced that it will be donating its hit song *I Want To Know What Love Is* to Shriners Hospitals for Children. FOREIGNER recently recorded the song with Kelly Hansen as lead vocalist, and they will be creating a new music video featuring Shriners Hospitals for Children patients. The new release will be available for download on Google Play and iTunes on January 1. FOREIGNER is donating all sales proceeds to Shriners Hospitals for Children.

The Mick Jones composition *I Want To Know What Love Is* hit the top of the charts all over the world when it was released in 1984, and is FOREIGNER's biggest hit to date. It remains one of the band's best-known songs and is listed as one of *Rolling Stone Magazine's* greatest songs of all time.

"There is a spiritual undertone to *I Want To Know What Love Is*, and when you apply the lyrics to a cause like Shriners Hospitals for Children, it brings a whole new meaning to the song," said FOREIGNER lead guitarist and songwriter Mick Jones.

"It's hard to put a dollar amount on the value of this gift, but this is truly a monumental donation in our mind," said John McCabe, executive vice president of Shriners Hospitals for Children. "Participating in the music video will be an invaluable experience for our patients. The fact that sales proceeds from the download of this song will go to Shriners Hospitals for Children is a wonderful bonus."

"FOREIGNER has been involved with Shriners Hospitals for 10 years, and we've been looking for a way to make a more meaningful impact," said lead singer Kelly Hansen. "The lyrics of this song really speak to the qualities we've observed in the children here at Shriners Hospitals. The kids show this amazing resilience and happiness that really makes one think how powerful love is."

About Shriners Hospitals for Children

Shriners Hospitals for Children has locations throughout the United States, Canada and Mexico, and is changing lives every day through innovative pediatric specialty care, world-class research and outstanding medical education. All care is provided regardless of the families' ability to pay.

Shriners Hospitals for Children is a 501(c)(3) nonprofit organization and relies on the generosity of donors. All donations are tax deductible to the fullest extent permitted by law.

About FOREIGNER:

Responsible for some of rock and roll's most enduring anthems including *Juke Box Hero*, *Cold As Ice*, *Hot Blooded*, *Waiting For A Girl Like You*, *Feels Like The First Time*, *Urgent*, and the worldwide No. 1 hit, *I Want To Know What Love Is*, FOREIGNER continues to rock the charts more than 40 years into the game with massive airplay and continued *Billboard* Top 200 album success. FOREIGNER also features strongly in every category in *Billboard's* Greatest of All Time listing. The band is consistently in the Top 20 on classic rock radio. As a result of the depth of the catalogue, the band gets more airplay at the format than Eric Clapton, The Who, Fleetwood Mac, Bon Jovi, U2, Bad Company and many of their peers.

Mickie named Chicago Bears Magellan Champion of the Game

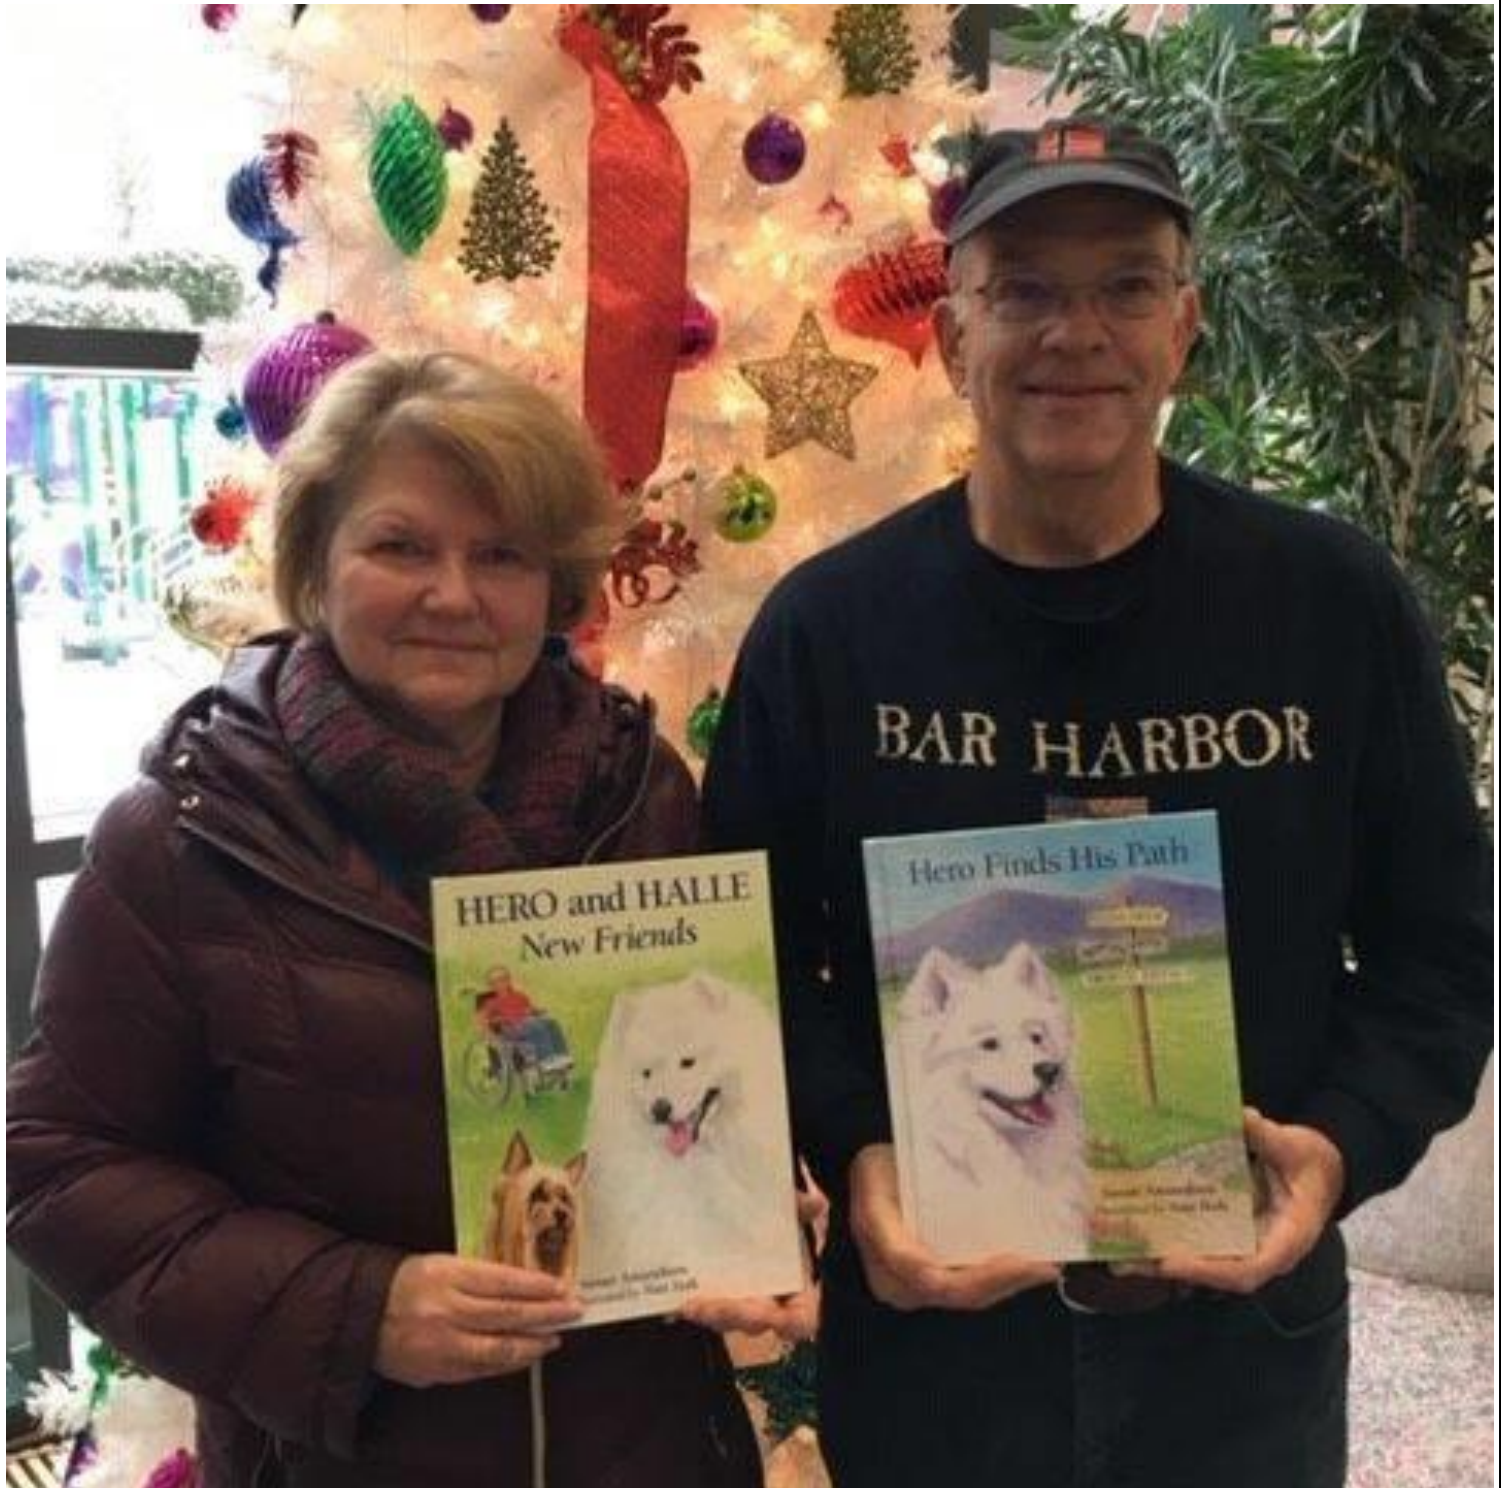

Upon meeting 11-year-old Mickie, her sweet laugh and can-do attitude are evident. Mickie was born with Pierre Robin syndrome, a congenital condition involving facial anomalies.

When she was less than 1, an in-home speech-language pathologist suggested that Mickie see specialists at Shriners Hospitals for Children — Chicago. During an appointment, Mickie was also diagnosed with low muscle tone, scoliosis and kyphosis (an excessive outward curvature of the spine). Following halo traction treatment in 2011, Mickie had her first [spine surgery](#) at the Chicago Shriners Hospital. Spinal growing rods were implanted along her spinal column to help straighten the curve as she grows. Mickie has had several subsequent surgeries that have greatly reduced her spinal curve.

Since then, Mickie and her family have been ambassadors for the Chicago Shriners Hospital, sharing their story with community groups, at hospital events and even walking in the annual Medinah Ladies' Fashion Show in Oakbrook, Illinois.

On December 9, Mickie represented Shriners Hospitals for Children — Chicago as the Magellan Champion of the Game at the Chicago Bears vs. Los Angeles Rams NFL game at Soldier Field. [Magellan Corporation](#) partners with the Bears to grant hospital patients an exciting game-day opportunity. Mickie and her family watched players warm up from the sidelines before the game, were brought on the field by mascot Staley Da Bear and projected on the jumbotron during the first quarter of the game. We agree with the Bears and Magellan Corporation that indeed, Mickie is a champion!

Mickie's mother said her surgeon, Kim Hammerberg, M.D., "gave Mickie her life back" through all the great care provided to her. In her free time Mickie enjoys hanging out with friends, playing the trumpet and piano, and of course, rooting for Chicago sports teams.

I am very grateful for the Shriners. They fixed my cleft lip completely. If they didn't fix my lip people would stare at me. There are doctors that help me with my ears, my speech, my teeth, and my feelings. They fixed me up and I'm not looking as funny anymore. They will take care of me until I am 21 years. We pay zero bucks because people raise money to pay Shriners for me. My sponsors name is Gordon, he is the one that got me to go to Shriners. I can't imagine how different my life would be without Shriners. I love Shriners.
