**A MESSAGE FROM YOUR ZOR POTENTATE**

It's been a busy summer and it's good to see that the Clubs and Units are becoming more active. Lady Sharon and I have joined in with the Zor Midgets and LaCrosse Firehouse Jesters for some parades. I was able to assist District 5 in the raising of two Master Masons.

We traveled to the Imperial Session in Houston, Texas. I had the privilege of competing and parading with the Zor Mavericks while in Houston. We are looking forward to attending the Midwest Shrine Association summer session in Sioux City, Iowa August 11-14.

There are more events coming up and we hope to see everyone soon!

# ZOR SHRINE CLOWNS HOST STEAK FRY

The Zor Shrine Clown's hosted, which may have been the last steak fry held at our current Shrine Temple on July 13th.

It was only appropriate that the #1 Clown Unit was the ones to host this event.

Back row, left to right, Paul "Puffy" McCallum, Brad "ShutterBug" Andrew, John "Beau" Shaeffer, Larry "Billy" Hanson, John "Rags" Pecotte, Peter "Noodles" Thompson, Tom "MoneyBags" Hildebrandt.

Front row: Lyle "Foxy" Fox, Jack "Wizo" Lyon. Missing from picture was John "Wheels" Thorstad.

A very fitting cake for desert.

# ZOR COMMUNICATIONS

*Greetings All,*

It is great to be back out doing parades, steak fry's, Club and Unit meetings, and just getting together just to get together. It seems like we have taken so many things for granted until you are told you cannot do them anymore.

I want to thank everyone that has responded to my request of getting your Clubs and Units activities on the calendar, and hopefully they have seen a positive response from it. Please, if you have not started yet, send your events to [zorsubmit@gmail.com](mailto:zorsubmit@gmail.com) and we will get them on the calendar and in the upcoming events in the Zephyr.

The fastest way we have to communicate important news with the members is via email. At last count, we have 1,065 members of which 831 have valid email addresses, and yet, roughly 40% of them ever open the emails. We want you to get the information, whatever it is, in the fastest way possible without incurring a large expense. Things like changes in a schedule, death notices, a last-minute meeting, or many other reasons. Please, if you are having trouble finding the emails, or maybe just not sure of what you are looking for, drop me a line or give me a call at [zorcommunications2019@gmail.com](mailto:zorcommunications2019@gmail.com) or 715-630-9143, I will be more than happy to help you.

# ORTHOPEDIC PRENATAL CONSULTATIONS

**Shriners  
Children's™**  
Twin Cities

Shriners Children's Twin Cities is now offering **pediatric orthopedic prenatal consultations** for a wide variety of conditions identified in utero. Every member of our team has experience working with families to develop care plans for babies with orthopedic conditions, and our pediatric fellowship trained staff are here to help your patient understand their child's pediatric orthopedic condition(s) and what treatment options are available after their baby's birth. With nearly 20 specialized providers locally and access to nearly 1,200 doctors across our healthcare system, your patient will find the specialist right for them and their treatment plan.

At Shriners Children's Twin Cities, we utilize a team approach to care. Our specialists work together to provide well-rounded and individualized plans for every patient. We recognize the importance of family involvement and making realistic care plans based on your patient's needs. Specialists that are available include:

- Pediatric Orthopedic Surgeons
- Physical Therapists
- Occupational Therapists
- Radiology Technicians
- Social Workers
- Orthotists & Prosthetists
- Child Life Specialists

We treat the following conditions identified in utero. While a prenatal exam may suggest a child will experience one of the conditions, at their first appointment at Shriners Children's Twin Cities after the baby is born, we will work to make a specific diagnosis through a complete family medical history and physical examination. The child may require additional testing such as an ultrasound, x-ray, or genetic testing for diagnosis.

- Amniotic band syndrome (ABS)
- Calcaneovalgus foot
- Clubfoot / talipes equinovarus
- Congenital vertical talus
- Developmental dysplasia of the hip (DDH)
- Dwarfism
- Metatarsus adductus
- Missing bones / limbs and other limb discrepancies
- Skeletal dysplasia
- Spina bifida

# Don't let your patients be sidelined this summer!

Shriners Children's Twin Cities is now offering **walk-in pediatric injury care**, Monday - Friday from 7:30 am – 4:00 pm. Children can be seen right away by an orthopedic specialist and receive wrap-around care from our multidisciplinary team at Shriners Children's Twin Cities.

At every age, kids take sports and play seriously.

*Kids are not small adults* and therefore, cannot be treated in the same way.

At Shriners Children's Twin Cities, we specialize in pediatric orthopedic care for infants and children up to age 18. We provide pro-level care at critical stages of development. We know kids better, so we can treat them better and get them back to what they love quickly and safely.

Children should be referred to an orthopedic specialist if they have an obvious injury – such as pain, swelling, or inability to move or bear weight – or if they have no obvious injury, but have persistent complaints of pain or limping.

Conditions seen at our walk-in clinic include, but are not limited to:

- Sprains
- Strains
- Fractures
- Broken Bones
- Sports Injuries
- Play Injuries

Please keep in mind we do not have an Emergency Department on-site; therefore, spine injuries and concussions should go to the appropriate facility. Should you have questions, please call 612-596-6100.

In order to get children back into action safely, complete follow-up care is available from our providers and our supporting departments at every visit:

- Physical Therapy
- Occupational Therapy
- Radiology
- Child Life

By choosing Shriners Children's, patients have access to nearly 1,200 doctors in one of the largest pediatric specialty healthcare systems in the world — the most amazing care anywhere.

Shriners Children's Twin Cities treats children regardless of the families' ability to pay. We accept and bill private insurance and Medicaid. However, all in-house care is provided regardless of coverage or coverage limitations.

Should you have questions regarding walk-in services, or other services at Shriners Children's Twin Cities, our Professional Relations department is here to provide information needed to ensure pediatric patients are receiving the orthopedic care they deserve. We would love to be a resource for you and your team.

# MEMBERSHIP MUSINGS

*Greetings Nobles and Ladies,*

I hope everyone is having a wonderful summer! It's great to see our clubs and units out in the public either doing club functions or performing in parades. I also hope that you and your family had a wonderful 4th of July holiday. I had the distinct pleasure to attend the Imperial Session in Houston, Texas from July 4th to July 8th.

**Mike Kastens,  
New Richmond**

I met several Shriners from around the world and spoke with them about their membership and how the other Temples communicate with their respective membership. I can tell you ZOR has some great things going for it as far as communicating with the members, but there is always room for improvement.

ZOR Temple received a Bronze Award during the Hall of Fame Membership Luncheon event. It was nice to receive this award, but it also tells us that we have a lot of work ahead of us to reach the Silver Award and someday possibly the Gold Award. I look at this as a marathon not a sprint race, in other words we are taking the small steps necessary to work our way towards the Silver Award, but we may be stuck in the Bronze Category for a few years.

In this issue, I am going to share with you some facts going forward that will show you why maintaining membership in ZOR is so important.

<b>Table is current as of:</b>	July 11, 2021
<b>Members as of January 1, 2021</b>	1,075
<b>Creations</b>	10
<b>Affiliations</b>	0
<b>Restorations</b>	2
<b>Associations</b>	0
<b>Demits</b>	3
<b>Suspensions</b>	4
<b>Expired (deaths)</b>	22
<b>Expulsions</b>	0
<b>Resigned</b>	0
<b>Associate Drops</b>	2
<b>End Regular</b>	1,058
<b>Gain/Loss</b>	<b>-17</b>
<b>Gain/Loss Percentage</b>	<b>-1.58%</b>

I'm hoping that we can work together to turn around the numbers in red to black by the end of the year! But that will take ALL OF US working together to get back into the black.

There is currently as of July 11, 2021, 100 Nobles who have not paid their 2021 dues and are close to being suspended for non-payment of dues. Also, by the time you get this issue of the

Zephyr, Imperial will be starting to send out the 2022 dues notice. So, it's important if you have not paid your dues for 2021 to get them paid AS SOON AS POSSIBLE!! I as Membership Chair don't like or want to suspend any Noble for non-payment of dues.

Here is another table showing the membership of ZOR Shrine for the past 5 years.

<b>Table is current as of:</b>	July 11, 2021
<b>2017 Active Members:</b>	1,268
<b>2018 Active Members:</b>	1,204
<b>2019 Active Members:</b>	1,129
<b>2020 Active Members:</b>	1,075
<b>2021 Active Members:</b>	1,058

As, you can see the membership has been declining for the past 5 years and it is even more important if we drop below 1,000 members ZOR may possibly lose 1 vote at the Imperial Sessions. I am sure you maybe asking yourself why is losing a vote at the Imperial Sessions important. Well, there could one day be an important resolution that could impact our Temple in either a positive or negative way.

Another interesting fact is at the rate ZOR is going will be under 600 members in the year 2030. Now, that's only 9 years away and it would effectively shutdown our Temple as we know it today. This is a very sobering statistics that I have shared with you.

We have options available for you to use to pay your dues to avoid being suspended for non-payment of dues or you having to owe for 2 years of dues before the end of December during the holidays. These options are available to ALL MEMBERS of ZOR!

The options are as follows:

1. Making monthly payments from either your credit card, checking or savings account. This would be 12 equal payments in the amount of: \$7.09 per month.
2. Making quarterly payments from either your credit card, checking or savings account. This would be 4 equal payments of: \$21.25 per quarter.
3. Making a payment every 6 months from either your credit card, checking or savings account. This would be 2 equal payments of: \$42.50 every 6 months.

Please contact either Pat or Amy in the office at telephone number: 608-833-6343. They are more than happy to assist you in setting up the payment option that you decide would work best for you.

Now, if you are a member who is in distress for some reason as things happen in life that we do have any control over, please contact either Pat or Amy at the above telephone number so we can assist you. Everything will be handled in a confidential manner. There is nothing embarrassing or bad about needing assistance. This is what we as both Master Masons and Shriners do is assist brothers who need help. Who knows there may even be a day that one of the Divan Members may need assistance with the payment of their dues.

For any Noble who recruit's 3 new Nobles in one year, that Noble will get the following year's dues paid by ZOR. Now isn't that a great incentive to increase membership and get a free year's dues paid!

In closing, I know there has been a lot of information in this article to seem to be all doom and gloom but there are better days on the horizon with all the members assistance! We just need to talk about how great our fraternity is during our Blue Lodge meetings. Remember recruiting is ALL OF OUR RESPONSIBILITY!

Remember it is a great day to be a Shriner!

**Potentate helps confer MM in District 5**

Ill. Sir Mark Jerdee helped raise two new Master Masons Saturday July 10th at the La Crosse Masonic Center. New Brothers Aaron Stone of Black River Falls lodge #74 and Ric Englebretson of La Crosse lodge #190 had the finest ritualists in District 5 confer their degrees. The Potentate, the sweetest of guys normally, showed that he was a truly fearsome Ruffian. It was a full day of coffee, carbs, brotherhood, and fun.

## St. Croix Valley Shrine Club shore up plans by Milt Helmer

At the July 12th meeting of the board of directors of the St. Croix Valley Shrine Club held at Ras on Main in Hammond, the officers reported on plans for the upcoming Shrine year.

The active club reported on upcoming events. Among them was the Shrine Club gala, which will be held on September 10 followed by the September 11th open house of the Shriners Clinic for Children in Woodbury. In discussions about the clinic, Bob Hering reported on the appointment of David Voller as the new administrator of Shriners. Shriners helped 1,650 kids last month. This amount is due in large part to other clinics that were not functioning during Covid.

Among the numerous reports was concerning the Vidalia onion sales and the upcoming Ladies Auxiliary auction coming up in November. The ladies of the auxiliary are always there to provide needed funds for Shriners Clinics for Children.

The St. Croix Valley Shrine club has a very active year planned. On July 25th at the River Falls Golf Club, the nobles will hold the "Better Late than Never Potentates Party honoring the 2020 Potentate Barry Ausen. Barry did an outstanding job as Potentate under very difficult circumstances during the pandemic.

St. Croix Valley is currently planning to support Zor's Sportsman's banquet scheduled for Oct 16th. The directors voted to have Jack Thomas invite a member of the shooting club to attend along with their parents to share the club table during the event. The club also voted to give away a kayak for the event.

The Zor Roadrunners are at the halfway point in their parade season and reports indicate they are being well received. Their appearance at River Falls Days will be a stationary show where the unit goes into their routine in a set location as onlookers walk past. A new addition at the River Falls Days parade.

Brock Haverlandt of New Richmond will be the parade marshal and will appear before the UWRF Homecoming game.

The next meeting of the popular club will be their annual Stag Night-Election on Wednesday, September 15 at the River's Edge in Somerset.

## Zor Imagineers

The Zor Imagineers introduced the Lola Car Show to the Zor Shriners. Thanks to the space provided by Noble Steve Livernash, 1st Ceremonial Master, and owner of ProSticker.com, The information table was set up to answer any questions that the many show attendees might have about the Shriners and their philanthropy. Although we might not of signed anyone up, we were able to collect some donations for the Shriners Children's Clinic, Twin Cities.

*Noble Chris Peters and Lady Linda man the information table. Nobles Bob Calverley and Montie Kramer, not pictured, also helped out over the 3 days.*

Helping Our Patients Overcome Challenges and Reach for Their Dreams

First Lady Debby Bailey's Transforming Lives fundraising program shines a light on the amazing contributions Shriners Hospitals for Children® brings to the field of scoliosis care and supports these efforts. Scoliosis is an extremely common condition that, if left untreated, can have debilitating impacts on a child's life.

First Lady Debby is dedicated to helping Shriners Hospitals for Children give patients every possible advantage and opportunity to achieve their goals. The family-centered, innovative and compassionate care we provide helps children transform their lives and achieve their highest potential.

**CUSTOMIZED TREATMENTS**

Scoliosis is a disorder that results in a curved spine. The condition causes the spine to take on a curved appearance, sometimes similar to an "S" or "C" shape. No two cases are alike. Some children develop the condition during infancy, while others don't exhibit symptoms until they're approaching adolescence. Every patient is unique, and Shriners Hospitals for Children's medical teams create custom treatment plans for each child based on the severity of their condition.

**Casting and bracing:** Serial casting is often an effective option to slow progression of a spinal curve. A plaster cast gently and precisely helps straighten the spine. Children typically wear a cast for two to three months, then transition to a new one. Bracing is one of the least invasive treatment options for scoliosis. At Shriners Hospitals for Children, every scoliosis brace is customized to the individual patient to best address the severity and location of their spinal curve.

**Spinal fusion:** Not every child will need surgical intervention. When surgery is the best option, our renowned orthopedic specialists have a wealth of experience. In fusion surgery, screws and rods are used to correct the curve, then bone grafts fuse the spine to hold the correction in place.

**Vertebral body tethering (VBT):** This treatment is an alternative to fusion surgery for certain patients. It was developed by our medical team at the Shriners Hospital in Philadelphia, Pennsylvania. This technology helps correct the scoliosis while allowing a more natural motion, unlike fusion surgeries.

**INNOVATIVE TECHNOLOGY**

Many of our patients, including those with scoliosis, need numerous X-rays taken throughout their treatment. That's why we try to limit exposure to radiation as much as possible. Our EOS imaging system emits much less radiation than standard X-rays or CT scans. EOS systems produce high-quality 2D or 3D images that deliver very precise measurements, helping our medical teams to craft in-depth analysis and personalized treatment plans.

**TRANSFORMING LIVES**

First Lady Debby invites you to join her in supporting Shriners Hospitals for Children's efforts to provide innovative, customized care for our patients with scoliosis. Donors who would like to support the Transforming Lives program may purchase a beautiful locket that has the word "LOVE" spelled in Braille inside, a nod to Lady Debby's career teaching children with vision impairments. Donors may also purchase a bracelet bead, necktie, socks or holiday ornament, or make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

# PLEASE MEET YOUR NEW IMPERIAL POTENTATE WILLIAM S. "BILL" BAILEY AND 1ST LADY DEBBY

Zor was well represented at the Imperial Session this year held in Houston, Texas. Approximately 31 Nobles and Ladies were in attendance to support our fellow Zor Noble, Imperial Potentate Jim Smith and Lady Alice. Keeping with his slogan of 'Fun in 21', Imperial Sir Jim had games, bobbleheads, and many other fun things for the many representatives to enjoy while in Houston.

Of course, no Shrine function is complete without a parade and this Imperial Session was no different. The award winning Zor Mavericks was only one of the many Units on the Parade Route representing their Temples that day. Great Job by all who participated.

Due to the pandemic, Imperial Sir Jim and Lady Alice year started out slowly and as the restriction started to be lifted became much more busy. They did, however go out with a bang in Houston with the party they had planned on. What a fitting end of the year for a great Shriner, Brother Zor Noble, and a genuinely caring individual. We hope only the best for you and Lady Alice in the future.

*Imperial Potentate Jim Smith is signing his \$ 10.00 dues payment for Sahara Shrine Club.*

*P.P. / Recorder Bob Gorsuch is ready to collect the paper voting ballots.*

*Imperial Marshall Mark Hartz presents John Thorstad his Imperial Marshall Aide Emeritus name badge.*

*Imperial Potentate Jim Smith thanks PGM Scott Pedley for being his Masonic / Shrine relations chairman.*

*The naming of the Armadillo that is on the voting delegates badge was won by Debbi Thorstad. The name of AJ stands for Alice & Jim.*

*L - R Rodney LaBlanc, Al Brueggen, Steve Peterson, PP, Monte Steiber, PP, Ill. Sir Mark Jerdee, Barry Ausen, PP, waiting for the Imperial session meeting to start.*

*Becky Aussen and Paulette Van DeHey at 2021 Imperial Ladies Luncheon.*

*Zor Maverick put on a great show during the Parade.*

*Noble Mike Kastens (Zor Capt. of the Guard) and Lady Susan.*

*1st Lady Sharon Jerdee and Lady Loretta Fransway take time out to visit the market place and even tried on the Shrine Kid Fez.*

# ZOR MAVERICKS

Zor Mavericks go out to Houston for the Imperials Session competition with Gold in their eyes. They made sure the bikes were clean and in good working order. They practiced and made sure they were all on the same page. The morning comes of the competition, and they all did nothing but their best and came home the winners. They took First place for Drill and Inspection, Team Slow Ride, and Team Obstacle. That is a clean sweep for the ZOR Mavericks! We are so proud of these gentlemen that continually go out and work hard and have fun! Congratulations on the big win and keep having fun!!

*Mavericks standing ready for inspection.*

*Noble Rodney LaBlanc going through the course.*

*Imperial Potentate Jim Smith congratulates the Mavericks for their win.*

*Zor Mavericks take 1st place. Miss Mountaintop USA, who is a former patient of the Philadelphia Shrine Hospital, was also present to assist in handing out awards at the dinner*

*Nobles Rodney LaBlanc, Jacob LaBlanc and Al Hiatt spent this morning washing and getting the Mavericks scooters ready to take to Houston for 2021 Imperial Session!  
Good Luck in Houston, Mavericks!*

*Some found time out of their busy schedule to do a little sightseeing. Just a few pictures of the Pleasure Pier in Galveston. They even had a chance to check out Forest Gump's 'Bubba Gump Shrimp Co'.*

## Just a little history from a Noble long ago!

### The Shrine Fez

Submitted by Hugh Cohen

The red color of the Shrine Fez should remind you of the warm good heart – the heartbeat of the Shriner, who is constantly thinking of helping the crippled child.

The jewels which adorn the Fez should remind you of the sparkle in the eyes of crippled children, and are cemented with Love and Affection, when they see a Shriner.

The tassel on the side of the Fez should remind you of the many branches of Masonry which support the Children's Hospitals and Burn Institutes which are tied together in this great humanitarian work.

The Crescent on the front should remind you of the open arms of the Shriner, who offers a better, more complete life to the unfortunate and underprivileged child, regardless of race, creed, or color.

The Scimitar is a symbol of strength and justice, which characterizes the motives of all Shriners, who seek equality of opportunity for all children.

The Star which adorns the front and is suspended from the Scimitar symbolizes the great Tunis Temple and Duty of Nobles to the Shriners Hospitals.

And for the hue of the Fez is an advancing color, as the artists say, the Fez becomes a wonderful symbol, the wearer is a beacon, a torch of living light, to the crippled children, assisting them across the stormy sea of life.

# I went to see the doctor about my short-term memory problems –

The first thing he did was make me pay in advance.

The older I get, the more I have in common with computers. We both start out with lots of memory and drive, then we become outdated and crash unexpectedly and eventually have to have our parts replaced.

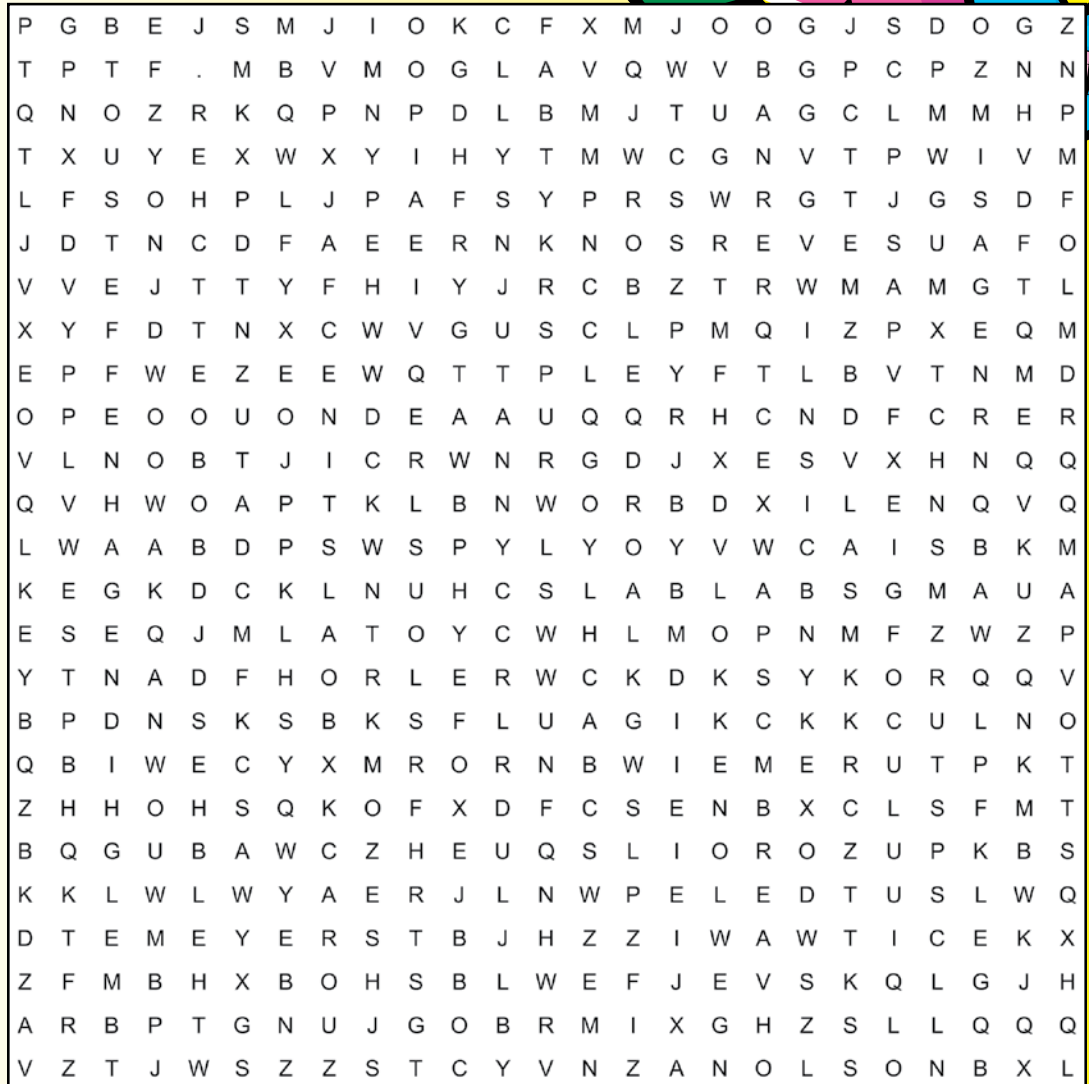

The first senior moment.

# A WORD FROM YOUR CHIEF OF STAFF

*Nobles & Ladies*

I hope everyone is doing well. I would like to start by saying congratulations to the Most Worshipful Grand Master of Masons in Wisconsin Brother Gary L Stang and his Lady Nancy. Along with all the other Grand Lodge Officers.

**Bruce Fransway**  
CHIEF OF STAFF

[bruce@franzwas.com](mailto:bruce@franzwas.com)

It's sure nice to see that everything is getting back to somewhat normal. And Parade units get the parades back to normal. The ones that have been done by the Tin Lizzies have been very well attended with large crowds. Even some of the county fairs are saying record crowds. I think everyone realizes what we all have missed in the Covid-19 year.

Imperial Session was in Houston Texas July 4th - 8th. Good Luck Rod and Jacob LaBlanc in the cornhole tournament.

### Some of the upcoming events:

1. MSA is in Sioux City, Iowa this year, August 11th - 14th.

3. Sunday August 29th 2021 Mehara ATV & UTV ride, Hope to see you there.
