Greetings All, Your Temple leadership is fresh off Shriners Annual Imperial session that was held in Charlotte NC this year, July 2nd - 6th. Many resolutions were on the call, but the one that has the most effect on our Temple was the annual per capita increase. Like everything else, the unstable stock market and cost of doing business has also taken its toll on Shriners International. See the article in this edition from Temple Recorder Bob Gorsuch for more details.

Imperial Sir James E. "Ed" Stolze Jr. was elected to serve as Imperial Potentate. Imperial Sir Stolze hails from Phoenix AZ and along with his Lady JoLynn Dickins will reign over Shriners International for 2023/2024. Imperial Sir Stolze reported that there was a membership increase for two consecutive quarters in 2023, this has not happened in many years. Shriners are 180 thousand members strong worldwide with new Temples being formed yearly. This year Lubnan Temple from Lebanon received its charter bringing the number of Temples worldwide to two hundred. The Shriners Fraternity has chapters in the United States, Canada, Mexico, Panama, Puerto Rico, the Philippines, Germany, Brazil, Bolivia and Lebanon, and members spread across six continents.

A recent trip to the Star Prairie WI trout fishing pond proved to be a fun day for many kids from the Twin Cities Clinic Camp Achieve Program. This program is in its 22nd year and is sponsored by the Zuhrah Shriners from Minnesota. The 30 plus kids fishing on July 28 were assisted by Nobles from Zor's St. Croix Valley Shrine Club, Zuhrah's Sportsman's Shrine Club and other Nobles who provided technical assistance with baiting hooks, untangling crossed lines, and hook and fish removal. When the final count was taken, I believe more fishermen were

hooked than fish. This is a great event for Shriners to meet the many patients we support. This is an awesome event to help out with if you get the chance.

Mentoring and Membership, as you all know, it is important and something we need to continue to work on. We need members and I know I'm preaching to the choir, but if every member could bring in "JUST ONE" new member it would put Zor in the positive, big time and help secure our future. Many of the Nobles don't have family members following the tradition of becoming Shriners. I challenge every Noble to talk to your friends and neighbors about joining our Fraternity. Once you have them hooked, get them involved and have fun! If you need help with this, just contact a Divan member or a Club or Unit Representative for assistance in making them Shriners. If you have an interest in starting your own Club or Unit, that can easily be done, just contact a Divan member.

Many other events are planned for the year, check out the Zephyr for dates and times. Remember, all Nobles, ladies, family, and friends may join in the majority of our events and are encouraged and welcome.

Be Humble and Kind!

## **Attention All Nobles**

All Nobles should be on the look-out for an email from Shriners International which will pertain to your 2024 dues billing. Since the per capita tax was increased by Imperial, the total billing for 2024 will be \$105.00.

## **Help Needed!**

Zor is seeking someone who is willing to donate some of their time to helping our Nobles and families make decisions regarding how they can impact Shriners Children's hospitals and Zor Shriners through their wills and trusts. The ideal candidate would likely be someone who has worked in the life insurance industry or financial planning areas. If you are interested or would like more information, please contact Recorder Bob Gorsuch at [rgorsuch@oak.bank](mailto:rgorsuch@oak.bank).

# Chetek Lodge & Chippewa Valley DeMolay Hold Pancake Breakfast

by: Bruce Fransway

It was a great day in Chetek. Starting with the Chippewa Valley Chapter of DeMolay helping out at the Chetek Lodge with their pancake breakfast starting at 7:00 A.M. Grand Lodge from District 2 stopped in for breakfast and helped out. Even the Tin Lizzie's always stop in for breakfast as did the Miz Fitz. Then moving onto the parade which started off fine until it started to rain, which was much needed, but the more it rained the colder it seemed to get. Another Day of fun & Fellowship.

Brothers of Chetek Lodge and the Chippewa Valley Chapter of DeMolay along with Advisors of the DeMolay chapter getting ready to start the Pancake Breakfast on July 4th. It was a great day of fun, fellowship, and Brothers coming together and working with our youth.

## Tin Lizzie's

What a great day weather-wise and a huge crowd to watch the Baraboo Circus parade. The parade chair estimated 30,000 people lined the streets watching the parade! Matthew "Ace" Mitchell did a superb job as lead driver calling the formations. I also thought we, as Tin Lizzies, did flawless parade maneuvers. I timed our participation and found we spent 45 minutes in the parade and loading back up! A great day all around for the Tin Lizzies drivers.

## The Musky Cycle Patrol

The Musky Cycle Patrol performed once again at the Hayward Musky Festival Parade on June 25th. Pictured, saluting to spectators and the folks on the review stand are from left to right: Gary Cuskey, PP, Noble Bill Wenberg, Noble Karl Leckel, and Cycle Patrol Captain Noble Robert (Bob) Odell. Others participating and not pictured are Nobles Chuck Stene, Randy Conwell, Paul Wharton, and Harlan Dodge.

## The Mavericks

The Mavericks had a great day in Reedsburg at the Butterfest Parade! Thanks to Noble Marty and his Lady Mary for hosting a cookout after!

A day full of parades for the 4th of July with Oshkosh, Pardeeville and Green Lake. We had a special visitor at Green Lake to watch us ride, Bill Drecktrah who rode with the Mavericks for 26 years!

## The Mehara Shrine Club

The Mehara Shrine club fish fry that was held at the Blind Tiger in the heart of the Colfax, Wisconsin on Friday April 21st was a big success. We had more than 20 people that attended along with our illustrious Potentate Al Brueggan and his Lady Penny. I would like to thank everyone who came out to help support another Brother Mason & Shriener along with the great food & fellowship.

# 1st Lady Penny's Project

**Camp Achieve** is a week-long day camp for limb-different patients. Participants are split into groups of patients ages 5–8 and 9–12. Summer campers participate in a wide variety of adventure activities and challenges.

Winter Camp Achieve is a one-day camp featuring winter adventure activities, offered to patients 5–12 years old.

Camp Achieve Summer is a three-day day camp for patients who have a limb difference. The camp began in 2002 as an opportunity for patients to be with other children having the same needs and abilities. Often, these patients are the only children in their community or school with an artificial limb. Camp Achieve gives the kids a place where they can be surrounded by other children who are just like them. Campers forge friendships and learn skills while gaining confidence and trying new and different things.

The objectives of Camp Achieve are simple:

- To have fun.
- To build camaraderie and make new friends so each camper knows they are not alone.
- To have a place where campers can share their experiences and listen to one another's experiences and build strength from them.
- To have an opportunity to participate and be successful in a variety of activities.
- To build confidence and empower a child to attempt new challenges.

Camp Achieve is Lady Penny's project for 2023. Lady Penny chose Camp Achieve because of the number of kids/patients it benefits and because five years ago, Potentate Al and Lady Penny met a Shrine patient and his family from Sparta where they live. It has been their passion to keep in close contact with the family and to provide them with opportunities to be involved in activities and provide them with assistance as needed. What a rewarding opportunity and experience and one they hold dear to their hearts.

Lady Penny has incorporated the help of the 2023 Divan Ladies to help raise funds for the Camp Achieve Program by raffling off a handmade Amish quilt that

was donated to Penny for the project. As indicated in previous articles in the Zephyr and has been noted throughout the year, this fits into the theme of involving the Amish in their effort to give back for all the Shriners do in the Amish Community where Potentate Al and Penny live. The quilt is a "Trip Around the World" pattern and is done in gray, white and black colors. The quilt winner will be drawn on December 2, 2023, during the Winter Ceremonial in La Crosse. The winner is not required to be present to win. All 2023 Divan Ladies have tickets for sale. Tickets are \$5 each or 3 for \$10.

Lady Penny would love to have your support in her project by purchasing tickets for the beautiful quilt. Not only is the quilt beautiful but would be a heirloom for years to come.

James E. "Ed" Stolze Jr. of Peoria, Arizona, is serving his 10th year as a member of the Boards of Directors for Shriners International and Shriners Children's™. He was elected Imperial Potentate, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners 2023 Imperial Session held July 2–6 in Charlotte, North Carolina.

To James E. "Ed" Stolze, family is everything. That includes his Arizona family — where 289 residents of Phoenix are not only his neighbors but also his blood relatives — as well as his Shrine family. In both, the bonds are tight.

Ed was born in Phoenix, Arizona, and raised alongside dozens of cousins. He fondly remembers his aunts and uncles playing cards at his grandparents' house every Saturday night. To this day, Ed and his family still play cards together every weekend, with games presided over by his aunts and uncles and their potluck style meals always featuring more desserts than entrees.

It's this family bond that Ed wants to nurture in the fraternity.

Ed met his late wife Cheryl, in 1985, and they married in 1987. Both were in the military, and they moved often. Their two children were born in Virginia, and the family lived in places including Iceland; Hawaii; Phoenix, Arizona; Biloxi, Mississippi; and San Diego, California.

Stolze enlisted in the Navy as a computer technician and was promoted through the ranks to Chief Petty Officer. Selected for Officer Indoctrination School, he was commissioned as an Electronics Maintenance Officer. After more than 25 years in the Navy, he retired in 2002 as a Lieutenant Commander, while serving as the Electronics Maintenance Officer for the Pacific Fleet. He looked forward to having his family closer together upon his retirement.

For his second act, Ed served as the Chief Technology Officer for a large school district in Phoenix, retiring in 2017. In addition, he is a senior leadership consultant for a family-owned consulting company.

Ed's Masonic journey began in Chesapeake, Virginia, where he was raised as a Master Mason of Doric Lodge #44 in 1992. Later, he became a charter member of Hunters Paradise Lodge #85, in Phoenix.

The "newest Noble" on the Joint Boards, Ed became a Shriner in 2005. His talent and dedication to the fraternity quickly led him into leadership. He served on the Divan of El Zaribah Shrine starting in 2009 and became Potentate in 2013. In 2014, with support from his wife and family, he started campaigning for election to the Imperial Divan.

Although he lost his first election, he continued his campaign efforts. Then tragedy struck. His wife Cheryl was diagnosed with pancreatic cancer and passed away just 17 days later. Among her last wishes was a strong desire that Ed continue to run for Imperial office. She knew that it would be his Mason and Shrine family who would keep him going.

She was right. Ed says that as he was campaigning, there were times when he felt so lonely, in a room full of people. But in a room full of Shriners, he was no longer lonely. That's what the Shrine family is all about.

Ed is proud to be here today, serving this great fraternity and fulfilling the promise he made to Cheryl. He's grateful to everyone who helped him along the way, especially his children, Josh and Joey, and his best friend and partner JoLynn Dickins, who has supported him over the years and is generously and graciously serving with him as First Lady of Shriners International.

Shriners and Masons are his heroes, and this year Ed looks forward to serving and thanking the fraternal community.

# SHRINERS INTERNATIONAL RECENT GROWTH

Over the last two years, three new international chapters have been established: Salah Shriners in Brazil (under dispensation in 2021), Al Atfal Shriners in Mexico (chartered in 2022), and Lubnan Shriners in Lebanon (under dispensation in 2022). Each of these new chapters began as an international Shrine Club sponsored by an already established chapter. Through long-term growth practices, travel and strategic alliances with local Masonic leaders, the international development modality supports these clubs toward their dispensation and – ultimately – their charter.

Additionally, four new international Shrine Clubs have been created in the last two years in hopes of further international development over time: the Gabon Shrine Club (established as part of Mahi Shriners in 2021), South Africa Shrine Club (established as part of Mahi Shriners in 2022), Ivory Coast/Cote d'Ivoire Shrine Club (established as part of Karnak Shriners in 2022), and the Israel Shrine Club (established as part of Mecca Shriners in 2023).

Our international chapters have also seen the largest growth of new members over the last two years. Mexico, which has two chapters, saw 103.2% growth. Panama, which has one chapter, saw 5.7% growth. Brazil, which has three chapters, saw 17% growth. Germany, which has one chapter, saw 25.5% growth.

# PER CAPITAL INCREASE PASSES AT IMPERIAL SESSION

A very spirited debate at the just completed Imperial Session in Charlotte, NC surrounded the proposal to double the Shriners International per capita tax from \$30.00 per year to \$60.00. Passage required a two-thirds approval to pass. It failed to pass by 5 votes. The vote was 403 in favor; 208 opposed. 408 in favor was required.

However, parliamentary procedure provides a reconsideration of a failed item if a voter who voted against the failed resolution moves for reconsideration, which occurred.

After the motion to reconsider passed on a simple majority vote, several amendments were brought to the floor. Confusion reigned from the several authorities on stage who were responsible for proper protocol with the amendments. Eventually the amendment to increase the per capita from \$30.00 per year to \$50.00 per year passed with a solid two-thirds in favor vote.

Zor Nobles will be receiving their 2024 dues notices soon. Be aware the total amount due of \$105.00 includes the increase. Your Zor Temple will not receive any portion of the increase. The total increase was deemed essential to the ongoing financial needs of Shriners International, the fraternal arm. Shriners Childrens (hospitals/clinics) receives none of the increase. The hospital assessment remains at \$5.00 per year.

Everyone may want to consider buying a life membership before 2024. Today's cost for a life per capita and hospital membership is \$1,050. After December 31, 2023, it will be \$1,650. So you can save \$600 by doing the life purchase now.

Nobles who have questions about this, should contact your reps to the Session who were Potentate Al Brueggen, Chief Rabban Roger Keller, Assist Rabban Brian Dunham and Recorder Bob Gorsuch.

Laverne "Bub" Severson has been a Zor Shriner for over 60 years. In his early days as a Shriner, he devoted his time to being a driver for many of our patients to the Shriners Children's Chicago. Recently, he has doubled his impact from transporting patients and becoming a very generous philanthropist. His generosity continues to grow as he continues his donations and has thought of us in his major and planned giving. He recently had one of our rehabilitation gyms named in his honor as a result of his dedication to us through his time, service, and donations.

Pictured are close family, friends, Shriners, and their ladies who took time out of their day to surprise Bub at the hospital, participate in a tour of our hospital, meet board members and enjoy lunch.

**Greetings Nobles and Ladies!**

As the parade season is upon us now, the Membership Committee is asking you or your significant other to take some videos of the parades you are in. We also want you to take 30 seconds to 1-minute videos at your Club or Unit having fun and fellowship. You can also send pictures to us. You may ask, what we are going to do with it? Our technical Nobles are going to make up videos that we can use to promote the Shrine. Your Clubs and Units, with the technology they have, can take these videos and pictures and make many videos and reels that we can use to promote Shrinedom and invite Masons so we might encourage them to join Shrine. We started making a few of these at the Spring Ceremonial and will continue to make more at other Shrine events like MSA in Alexandria this August.

We are also wanting you to tell us in five words or less, why you became a Shriner. You may have seen on Facebook, Bob Calverley doing a quick change on being a clown. We plan on making more of these with other Nobles. We also want to include your lady to get involved with these. We want to know what they like about the Shrine and our events that they take part in and why they do what they do and why they like it.

We currently have a little less than 25% of Masons in Wisconsin who are Shriners and our goal is to increase that to 50% over the next 5 years. We know that may be a big goal even if we fail and only have 40%, we are heading in the right direction.

**ZOR MEMBERSHIP 2023**

I think it takes the right person at the right time to ask someone if they want to be a Shriner. We have a member of my lodge that we have asked numerous times over my 20 years to become a Shriner and has always said no. It just happened to be this year when our Potentate Al, came to one of our Shrine events and Al was just being himself, talking to different people at the a-joining bar to our event. Al was talking to this one guy and found out he was a Mason and asked him if he was a Shriner and he told Al no. After some discussion with him, he finally decided to become a Shriner under one condition, only if a certain Shriner would be his first line signer. You never know what you say that will make a Mason want to become a Shriner. Always put your best foot forward when talking to Masons when you are telling them about the Shrine.

One other thing we are doing this year, Chief Rabban Roger Keller has come up with the idea of having a membership belt. The Club or Unit that brings in the most Shriners this year, by the Winter Ceremonial, will receive the belt and keep it for the following year.

.....  
**ATTENTION ALL NOBLES**

Your Divan has approved one year of forgiveness of dues for any Noble who is the top line signer on 3 or more petitions between January 1, 2023, and December 31, 2023. If you qualify, your dues for 2025 will be paid for by Zor.

## Shrine Women's Auxiliary Gather Making Gift Bags

On June seventeenth many of the Women's Auxiliary gathered at Ellsworth, WI Hancock Lodge 229 to make gift bags for the Shriner children. It took a small village to bring this together as the women pulled their resources together and brought two fabric cutting boards, three ironing operations, five sewing machines and two draw string insertion completions. The group was highly efficient as they were able to make eighty sewn gift bags in a mere four hours. They enjoyed themselves and had a light lunch that made the time go by even faster. Later this year these bags will be used along with donated gifts for the Shriners children Hospital gift give away. This is a much-anticipated event where the children of all ages look forward to. Many happy faces are the results of these women's initiative. The Women's Auxiliary did an amazing job with their resources and were able to make a significant impact in just four hours. It's heartwarming to know that these gift bags will bring joy to the children at the Shriners Hospital.

I ASKED THE IT GUY,  
 "HOW DO YOU MAKE A MOTHERBOARD?"  
 HE SAID, "I TELL HER ABOUT MY JOB."  
 A CENTURY AGO, TWO BROTHERS DECIDED  
 IT WAS POSSIBLE TO FLY.  
 AND AS YOU CAN SEE, THEY WERE WRIGHT.  
 I ALWAYS KNOCK ON THE FRIDGE DOOR  
 BEFORE OPENING IT,  
 JUST IN CASE THERE'S A SALAD DRESSING.
