A MESSAGE FROM YOUR ZOR POTENTATE

Can you believe it's already September? Kids are headed back to school and the fall sports are already in full swing. I'm already back in my radio booth for high school football and college games. It has been an exciting and fun year for my Lady Gayle and I.

This past month has had a lot of travel. Lady Gayle and I were in Edgerton for the Mini Car Picnic and I participated in the parade. Driving a Mini Car is really a lot of fun—well once I figured out how. Our return to the La Crosse Shrine Club Party provided us with an awesome view and great fellowship. We also enjoyed the Packer Shrine Game as well as a trip to Arkdale and the Heart of Wisconsin Shrine Club picnic. Thank you so much for the gifts as well as the food and fellowship from each club and unit. We have felt very welcomed and honored to be with you.

MSA was another a highlight. While it's quite a trip to the middle of South Dakota, their welcome was very warm. Congratulations to the Road Runners who won the obstacle course competition and to our clown winners. John "Beau" Shaeffer won 1st place tramp, Sawdusters Mike Hayden won 2nd place white face and was clown of the day. Randy Johnson took 3rd place in Agoos face. Looking back our Motor Corps and Clowns have done well over the years. Also congratulations to Rod LaBlanc as the 4th

Vice President for Motor Corps and Randy Webb the 4th Vice President for the clowns.

While it seems like a long time off, it is time to prepare for our December Ceremonial. I want to encourage our members to bring in new candidates and reinstate members who have "fallen by the wayside". Our number one goal is to still to grow membership. Our Imperial Potentate has put out the challenge he

calls "Just One," encouraging all of us to bring in just one more Shriner.

The Honored Ladies Luncheon is coming up in October along with a steak fry that night and Quarterly meeting - please encourage members and potential members to attend these events.

Finally, it is time for the Clubs and Units to recommend any Nobles for the Award of Merit this year. It will be awarded at the Fall Ceremonial.

We have enjoyed seeing Shriners and Shrine Ladies working together.

It's a GREAT day to be a Zor Shriner!

TIMBER SHRINE CLUB

TIMBER SHRINE CLUB HAD A SUCCESSFUL FUNDRAISER FOR SHRINERS HEALTHCARE FOR CHILDREN - TWIN CITIES

On Saturday, July 28th Club Nobles, Divan members, PP and Funster Clowns with their Ladies, were in attendance for the Charity Benefit, sponsored by the Kwahamot Water Ski Club (Tomahawk spelled backwards)..This was the 51st year that the local Tomahawk Water Ski Club has sponsored the Shrine Clubs benefit. The Kwahamot Water Ski Club has hosted numerous State and National Water ski tournaments. Like many Water Ski Teams, their members range from 5-75+ years of age. At the opening of the show PP Steve Peterson shared information about what services the hospitals/Healthcare systems provide, why Shriners do what they do and how they raise money for the Shriners Healthcare. During the intermission, the Shriners passed the Fez and all donations go to the Shriners Healthcare for Children, TC. This year we raised over \$1000.00. This has been a great fund raiser for the Timber Shrine Club to support Shriners Healthcare system and a great way to bring awareness of ZOR Shriners in the community.

Be well. Be home. Be family.

WAUSAUKEN INDIANS

Wausauken Indians back on the road again parading. Thanks again to Noble Ryan Wojciechowski who was determine to have the Wausauken Indians back on a parade route. Also Thank You to Rick Schnabel -President to follow through on making arrangements to parade in Athens on Sunday August 18 from the lead from Randy Senn a new rider for the Wausauken Indians. Other riders for the day were Jake Seever, first time rider, Rick Schnabel, and Steve Peterson. A second parade is scheduled for September 8 in Granton.

Not too early to plan for the 2020 MSA and the 2020 Imperial!!!

That's right, the 2020 MSA!! What's so different about the 2020 MSA you ask? In the year 2020 you will be traveling north and cross the border into Canada to the WAWA Temple located in Regina, Saskatchewan. That MSA will be held on August 13-15.

Just a few things that need to be planned for in advance, if they pertain to you. If you are planning to attend that event and if you have anything on your record, such as a DWI, it will be necessary for you to fill out some paperwork in advance. This needs to be completed before they will let you into Canada. You will be required to fill out a Temporary Resident Permit (TRP). If you have received a DWI in the last 10 years, it may be difficult to get permission to cross the border. There are a couple of sites you can use to fill out your TRP and if you can't find those sites, please contact me and I will assist you in filling out the needed paperwork. In this paperwork you will have to give the purpose for you to be entering Canada, there will be a fee for this TRP to be completed on their end, and at times it may take a fair amount of time to get your TRP approved.

The Imperial in 2020 will be held in Kansas City, Kansas. Being this MSA will be centrally located in the USA, they are hoping for a large turnout of Shrine Clubs and Units. The excitement will be plentiful as we participate in the parade, unit competition, along with the opportunity to meet and greet Shriners that you have never met before. The Shrine Unit competitions are going to be held in the parking lot of the Arrowhead and Kauffman Stadiums. The competition will take place on July 4, 2020 with the parade being held on July 6th.

The Imperial will take place on July 5th-9th. Zor will be allotted 15 rooms at the main hotel, so if you or your Shrine Unit is planning to attend this memorable event, you are going to let me know so

we can find rooms for you. If your Zor Unit is planning to attend, you might want to consider staying at a hotel outside of the downtown area making the lodging more affordable.

If you have any questions feel free to contact me @ 715-377-3032 or ausen2020@gmail.com

ZOR UNIT'S PARADE TOGETHER

ZOR Mavericks, Funsters and Midgets all participated in the Montello / Fr. Marquette Parade on Saturday, August 17th. More than 40 people enjoyed good food and great conversation at a cookout at Noble Rodney LaBlanc's and Lady Mary's home following the parade. Special thanks to Past Potentate John Thorstad and Lady Debbi for joining us for the afternoon.

YOU MEET THE NICEST PEOPLE WHILE TRAVELING

Kris and Noble Charlie Webster met a nice couple during their travels in Iowa. According to Kris Webster, Charlie and Miriam Nedved happened to notice the Websters WGA4KIDS shirt and asked about their connection to the Shriners Hospitals. Matt had been a patient at Shriners in 1993 after he lost this arm in a farm accident when he was 11. The Websters met the couple at the Madison County Winery near St. Charles Iowa.

What a glorious day!

Some of the kids from the Shriners Healthcare for Children® are shown telling Shriner Sketch Gunderson about their artificial limbs. The Kids were also interested in learning that Sketch was once an artist for Disney Studios.

One of the kids gets a photo of her catch during the Camp Achieve event. The latest event the kids caught 434 trout and Wednesday July 24th.

By Milt Helmer

Little did everyone know when the St. Croix Valley Shrine Club and the Eau Galle Sportsman Club joined hands to help sponsor a trout pond at the Shriners Hospital for Children® in the Twin Cities that the event would grow into such a wildly successful event named Camp Achieve.

The Trout pond was run for 20 years using trout from Larry Gerdes' trout farm in Bay City. For the past 5 years the event has been held at the scenic Star Prairie Trout Farm next to the scenic Apple River in downtown Star Prairie, Wisconsin.

So far this year, the Star Prairie setting has played host to 2 Camp Achieve events where Shrine patients were given a day in the country catching prize rainbow trout. Gone were the rigors of healing from countless physical limitations as kids from nearly every age group up to preteen stepped off a bus and enjoyed a special time just being kids.

The second in a series of two trout farm outings was held on Wednesday July 24. The day began with a gathering of 30 Shriners helping 22 kids catch

One of the long term Shriner Volunteers is Dean Melby and his wife Myrna from Ellsworth. Dean and Myrna started with the trout adventure when it first started on the lawn in front of the hospital. Dean routinely collects pop tops for Shriners. This year alone he has raised well over \$12,000 in just pop tops. Photos by Milt Helmer

fish. After dining on 16 pizzas and Ice cream, the kids went on to water ski in Shakopee Minnesota.

Several of the Shriners learned from the kids that the child who came the longest distance was from her home in Texas. It seems she was a patient at the Shrine Hospital in the Twin Cities, but

her family had moved to Texas. She not only comes back to the Midwest for check-ups, but also for the camps.

Officials from the Shriners Healthcare for Children® informed us of the weekly schedule of several fun camps being held during the summer.

Shriners Hospitals

Love to the rescue.

Being a Hospital DAD is one of the fundamental activities of a Shriner. Zor Hospital DADS are Nobles from around Zorland. They selflessly sacrifice their time to transport children, from their area, to appointments at either Shriners' Hospital for Children - Chicago or Shriners Healthcare for Children - Twin Cities. It may not appear that it would, but when the day is done you feel as though you have received the ethereal wages of a Master Mason. If you want to prove this statement wrong please contact the hospital van coordinator nearest you.

along the way. Right from wrong seems to be the best route to stay clean within society.

Surrounding yourself with good people makes life less stressful. Extending a handshake or a hug creates a feeling of fellowship and or love. The feeling created by these kinds of gestures is unexplained. Helping our Shriner kids is another feeling that is unexplained but feels good and feels right. Our actions leave an everlasting imprint on these kids. As they grow into adulthood, they too can feel the

good feeling of helping others if they so choose. We as Shriners are mainly viewed as helping children with physical conditions that need attention. The mental impact is often overlooked. Most likely our greatest gift of all. Giving a better life to someone that needs our care and improving their mobility or condition is a powerful action. Mentally, we release to them a better quality of life with more self-confidence. What may have been an obstacle in the past can now be overcome.

A trip up to Twin Cities which included a tour of the facility was fantastic. It was stated that they have group days with patients of same disabilities. This allows patients to interact with others and to create the feeling that they are not alone. By seeing others with similar issues is mentally positive and helps in returning home.

Preparing for success is key when opportunities arise. Our hospitals are prepared with state of the art equipment. Well trained Doctors and nurses await the opportunity to help. We need to be prepared as well when asked about a patient referral. Please use this as a quick reference and explanation of services and phone numbers.

ZOR COMMUNICATIONS

Greetings All Nobles, Ladies & Friends,

This month I would like to talk about the E-blast and how to find it. The reason I think this is important to talk about is that this is the fastest means of communication with the majority of the membership. We currently have 1191 member and I have valid e-mail addresses for 831 of them. With the E-blast that have been sent out so far, the most we have ever had opened them is 326 (approx. 39%). I know that with some e-mail providers these E-blast may never show up in your inbox, so I thought I would try to help you find them. Depending on your e-mail provider, if they are not in your inbox, you might just find them in your Spam, social, updates, promotions, or even trash folders. Once you have found them, if you move them to your inbox, they should continue to show up there. A couple of

the e-mail providers may require you to approve this type of e-mail and you will have to go to your mail helper to do so. I am sure this will not cover all the possibilities, but most of them.

I hope you find this helpful and by clearing this up we will be able to reach more of you in the future as the information that is sent by E-blast is normally of a time sensitive nature.

As always, if you have any questions or suggestion for me, please contact me at zorcommunications2019@gmail.com or 715-630-9143.
