

MICHELLE'S LOVE

2018

501c3 Charity Annual Report

Through volunteering and donations, **Michelle's Love's Mission** is to help relieve the stress of single parents undergoing cancer treatment. Our organization strives to ease daily responsibilities by offering financial relief, house cleaning, and nutritious meals, allowing parents more time to heal and spend with their children.

"For when I couldn't see a light at the end of the tunnel, Michelle's Love relieved my greatest fear of not being able to support my son during cancer treatment and recovery." ~ Nannette

Letter from Founder

It's been another wonderful year. Each year we grow in the number of parents we serve and the resources we provide them. It is hard for me to put into words how grateful I am. In 2018 we paid over \$87,000 in complete rent and mortgage payments. I'm sure we all know what a relief this is to our ML parents, not having to worry about losing their home while dealing with cancer is vital to their recovery and the sole part of our mission.

2018 also brought us our first official Michelle's Love Dad. Mike has custody of his nine-year-old son. We were able to provide 4 months of rent, 24 Dream Dinner Meals, a deep home cleaning, and Christmas adoption. He invited me out for his last chemo treatment and told me, "I couldn't have done it with out Michelle's Love."

What I have learned most this year is SHARING is the absolute best way to help our parents. So, tell your friends, co-workers, and family about us. We are looking forward to another year of taking care of parents who need us. Thank you for your continued Love and Support.
