

Michelle's Love 2023 Annual Report

The only thing that could be better than Michelle's Love is a cure for cancer; every year I put this report together, I am humbled by our growth. It is bittersweet. Cancer is taking so much from so many, yet we realize how fortunate we are to have built a platform for people who care and can help others while we hope for a cure.

2023 brought us a 70% increase in contributions compared to 2022. Being selected for the Oregonian Season of Sharing, end-of-the-year foundation gifts, and generous in-kind donations were a big part of our growth. We are looking forward to using these donations to better our programs, expand our reach, and ensure every single parent who qualifies for our services is referred to our charity.

Alexa & Andy

We honor of our ML Moms Patricia, Tamara, Jaime, and Brooke.

We hired our first assistant, Alexa Jewell Schaefer. She has volunteered and raised funds for us since 2012. Alexa is a perfect fit and a great balance to my work. Together, we are passionate about Michelle's Love. We work alongside each other in our beautiful new donated office space. Alexa and I have big goals to expand our services and continue to need you to help accomplish them.

I want to mention The Buffalo Gap Saloon & Eatery, TYR-Inc, and Beaverton Dream Dinners for their unwavering support year after year. These three business have been with us since foundation and are a crucial part of our ability to serve families.

Thank you for believing in and supporting Michelle's Love.

With Love, Andy (Founder & Michelle's BFF)

" I can not express enough how much of a difference Michelle's Love has made in my life. My belief in humanity has been restored."

Dad Dion

"Oh my goodness, you just made me cry. Thank you so much for taking care of my patient."

Theresa S. Ratzow, RN, BSN, OCN, CBCN at Providence Health

"My mom passed away from cancer in 2017, and she had my dad around and no children in the house. It was still very tough to go through treatments. I can't imagine doing it as a single parent. Your organization is incredible."
