About Ruby/Opal

Ruby Lang/Opal Wei writes warm, witty contemporary romance featuring emotionally complex multicultural characters and their rambunctious families. Ruby's work has been featured in *NPR*, *Buzzfeed*, and *The New York Times Book Review*. As Opal Wei, she is the author of the screwball rom-com *Wild Life*. She also wrote about romance novels for *The Toast* and was a 2010 fiction fellow for the New York Foundation for the Arts. Her nonfiction has also appeared in *The New York Times* and *The Walrus*. She and her family are recent transplants to Toronto. And despite the fact she doesn't know where anything is, people keep asking her for directions.
