SWADAR DEVELOPMENT MANAGEMENT PROCESS

- 1 Project Planning and Feasibility Study
- 2 Design and Architecture
- 3 Approvals and Construction
- 4 Marketing, Sales and Financing

Case Study

A landowner was holding 10500 sft land in a prime residential location of Bangalore, He was not able to sell the land due to high price challenges. Swadar Property Capitals partnered with land owner and turned the property into residential prosperity by building apartments.

The land owner realization was 3x more within 2 years and best part was land owner financial realization started within 6 months of the project commencement. Happy Land owner turned to be a Developer

"Transforming Untapped Potential into Residential Prosperity"

Earn 2.5x more Revenue and Social Status from turning your land into Residential Apartment vs. revenue from selling land
