

**SWEET SIXTY**

Fun, Fun, Fun  
Fun, Fun, Fun  
Fun, Fun, Fun

There's nothing you can write that can't be read  
Nothing you can think that can't be said  
Nothing you can't do now there's free time to learn how  
At sixty

There's nothing in your loft that can't be sold  
No ball you can putt that can't be holed  
There's no wine you can't drink be it white or be it pink  
At sixty

Make life fun  
Make life fun  
Make life fun, fun  
Sixty full of fun

Make life fun  
Make life fun  
Make life fun, fun  
Sixty full of fun

There's nothing using google that can't be known  
Nothing you can draw that can't be shown  
There's always a way to home with sat nav on your phone  
At sixty

Make life fun  
Make life fun  
Make life fun, fun  
Sixty full of fun
