

Doggy paddle-boarders

Double rainbows traverse the bay
Red sailboats scurry on the swell
Doggy paddle-boarders scull away

On exposed autumnal mudflats - hunter wellies splay
As saltcellar armed razor clam punters - dig breathing hole tell
Open water swimmers crawl, wallowing in their display

A Disney princess cruise ship, anchors up today
All - fur - coat - no - knickers – chime the church's bell
Doggy paddle-boarders scull away

At their moorings, fishing boats nod - bow - dance - sway
Block your ears from the hue and cry – raucous gulls trawl for mackerel
Double rainbows traverse the bay

Children dig enchanted sand castles that the tide will flay

Grey seals frolic with white horses – bask on rocks – iridescent mussel shell

Doggy paddle-boarders scull away

No vapour trails – covid clear - the azure skies stay

Staycation gen zeders frolic – knotted hankies - you can so tell

Double rainbows traverse the bay

Doggy paddle-boarders scull away
