

Missed connection

Mind the gap

Isn't this fun

Steady ready go

Stomp the stairs at the double

Escalator etiquette

Do keep left

Come on, DO keep left

Oyster card palmed, willing and waiting

Nudge the lost tourist in the right direction

Navigate labyrinthine subversive passages

Euston's all askew due to HS2

Come on, I'll run if you will - I dare you

Train times glower from the departure board

In one minute – exodus platform nine – run – run – run - run

Oh damnation and botheration profanes, as departing red lights sigh

Next arrivederci - the milk-train - Monday morning 5:19
