

## **Back to a green and pleasant land**

**T**hrowaway culture blights our land

**R**ubbish is strewn without a care

**A**pathy stays the moderating hand

**N**o-one seems to turn a hair

**S**omeone has to get a grip

**F**oul littering should be weeded out

**O**fficialdom needs to crack the whip

**R**ouse itself and have more clout

**M**ake fly tipping a capital crime

**A**pply the noose to those who sin

**T**ell offenders they'll do prison time

**I**nstil civic pride in kith and kin

**O**ur landscape can be made pristine

**N**aught must blunt the push to clean
