

## SAVING GRANNIES

I wish I could fly through the sky  
Or maybe have x-ray vision  
Climb up the side of a building  
Rescuing grannies would be my mission  
Swim underwater, for hours and hours  
Hear something miles away  
Anyone of these super powers  
If only for a day?  
But heroes don't have to wear capes  
We can go to different lengths  
You might be someone to give advice  
We all have different strengths  
Maybe you can just sit and listen  
Be a good friend and true  
Turn up with a cooked meal  
When you feel it's the right thing to do  
Offer to do someone's shopping  
Be willing to go the extra mile  
Surely the best Super Power  
Is to make someone smile  
So wear your pants over your tights  
Your heart outside your vest  
When wishing for super heroes  
You really could be the best
