

CONFRONTATION WITH MOTHER

Put that down,
you'll have somebody's eye out!
Stand up straight
Stop slouching about

Think you're on the stage,
Break a leg why don't you
Exit left,
I'll give you something to chew

So, you're a comedian?
Ha! Your Funny bone
What's that you say?
Don't take that tone

Clowning around
And Knobbly knees
Swinging like an ape
High up in the trees

You should be
Kept at arm's length
Taken in hand
Give me strength!

Don't look at me
You deaf d'hear?
Was that a gesture?
How rude and insincere

Cat got your tongue?

You're skating on thin ice

With your pigeon feet,

What a sight!

You best go home,

I'll give you a thick ear

Any more of that cheek,

Don't you cheer!

Get off with you,

I'll let it pass,

You come back again

I'll kick your backside!!!!
