

## **GIVE THESE A CHANCE**

(A parody of *Give Peace A Chance* written by John Lennon and Paul McCartney, 1969)

C'mon, Everyone's talkin' 'bout  
wobbly legs,  
hair of red,  
stare of dread,  
costly bread, yep, costly bread

All we are saying, is give knees a chance  
C'mon,  
All we are saying, is give knees a chance.

C'mon, Everyone's talkin' 'bout  
Funny eyes,  
Woops and cry  
Living it high,  
Oh my, oh my!

All we are saying, is give cheeks a chance  
Here me now,  
All we are saying, is give cheeks a chance.

C'mon, Everyone's talkin' 'bout  
Autumn leaf,  
Sunday beef,  
Coral reef  
Winter grief, yep, winter grief

All we are saying, is give teeth a chance  
Can't hear you,  
All we are saying, is give teeth a chance.

C'mon, Everyone's talkin' 'bout  
Smiley face,  
Going to space,  
Heaven and grace  
Watford place, yep Watford as a place

All we are saying, is give feet a chance  
Shoes on now,  
All we are saying, is give feet a chance.

C'mon, Everyone's talkin' 'bout  
Nose and mouth,  
Pains and gout,  
Heading south,  
Out and about, yep, out and about

All we are saying, is give these a chance  
One more time now,  
All we are saying, is give these a chance.
