

## Those Ol' Sunday Night Blues

Friday night, my Ma says Wait!

Get rid of those boys hangin' at the gate

You know you'll feel that ol' regret

If you ain't done your homework yet

You'll get those ol' homework deadline blues!

You'll get those ol' homework deadline blues!

Saturday night, Pa says Girl!

Stay at home, don't twerk and twirl

There'll be plenty of time to have your fun

Once you get your homework done

Oh Lord don't get those homework deadline blues!

Oh Lord don't get those homework deadline blues!

Sunday evening comes around

And that is why I'm feelin' down

Things hang heavy on my heart

'Cos I've left it too darn late to start

I got those ol' homework deadline blues!

I got those ol' homework deadline blues!
