

Crocodile Shoes

By Louise Welland

I stretch my legs and arch my back

I want to scratch out on the mat
But why are those crocs in that place?

It's not just bad
It's a disgrace

The most embarrassing shoes are crocs

Worse than sandals over socks

Just stop leaving them on the floor
Give me space to scratch my claws

If you don't, when you're in bed
I'll go and poop outside your shed!

The End!
