

I Lied

Alternate lyrics to 4 Non blondes: *What's up?*

My head's filled with fear that you hate me now
And I don't know what to do, I don't know how
I can't cope
With your hesitation
I thought about you when you went outside
And I thought about all the times, that I lied
and lied, to keep you
Close to my heart

Pre Chorus:

My head's filled with fear that you hate me now
And I don't know what to do, I don't know how
I can't cope
With this situation

Chorus:

You left me there with my head in my hands
And your love blew away, like desert sands
And I, I'm feeling sad, oh so sad
So I cry all my tears and I lose all my pride
And I try to find some place, I can hide and cry
And I cry, cry, oh I cry
What can I do?

Bridge:

Ooh I weep
Ooh
Ooh I weep
Ooh I weep and I weep
Please let me sleep

Verse 2:

And I lie
Oh you know I lie
I lie all of the time
In this situation
And I beg
Oh how I beg
I beg so hard
For some restitution

Pre Chorus:

My head's filled with fear that you hate me now
And I don't know what to do, I don't know how
I can't cope
With this situation

Chorus:

You left me there with my head in my hands
And your love blew away, like desert sands
And I, I'm feeling sad, oh so sad
So I cry all my tears and I lose all my pride
And I try to find some place, I can hide and cry
And I cry, cry, oh I cry
What can I do?

Outro:

My head's filled with fear that you hate me now
And I don't know what to do, I don't know how
I can't cope
With your hesitation mmm
