Dear Gary,

Bravo! Bravo! I can't express enough how special our New Year's Eve celebration was because of your expert Firework show. As always, you made us shine! We received numerous calls from our guests after the gala saying how the fireworks show was the best way to ring in 2009!

From the very first phone call, you and your team handled all of the details for us from the permitting, special letters to the community, and the fire watch to name a few. Thank you for making everything so easy by handling all of the details.

We look forward to continuing our relationship for many more years to come!

Sincerely,
