Dear Gary,

On behalf of Care Resource, we would like to personally thank you for your generous donation towards our fireworks show and for your support of our annual White Party Week, notably known as the world's oldest and largest HIV/AIDS fundraiser, from November 23-28, 2011 in South Florida and benefiting our agency.

While we are clearly making a difference in the lives of those affected by HIV/AIDS in our community, our work is only just beginning. It is through the generosity of individuals and organizations like yours, that Care Resource is able to expand the scope of our work to improve the quality of life and extend the longevity of those affected by HIV/AIDS.

Thanks for your support and help in the fight against HIV/AIDS and for your contribution in helping to make the 27<sup>th</sup> Anniversary of White Party Week the very best yet!

Sincerely,

  
Rick Siclari, MBA  
Chief Executive Officer

*Thanks Gary!
