Miami, July 31, 1997

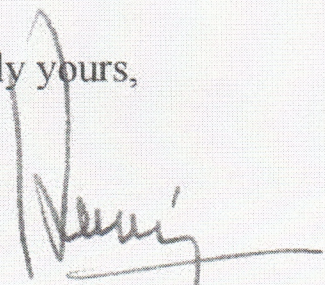

Dear Mr. Avins,

I want to congratulate you on a fabulous fireworks display lighting up the skies of Coral Gables on the occasion of the French National Day. The fireworks were the grand finale of the evening and they are still the talk of the town.

I wish to thank you for your contribution in making this special day a great success.

Avec mes vifs remerciements

Sincerely yours,

Pierre Antoine BERNIARD
