Hi Gary--

Wow – what can I say – your team really “blew” it out of the park! I just wanted to take a moment to thank you for your participation in the Greater Miami Festivals & Events Association 1st annual Conference & Exhibition “Festivals on Fire”. Your sponsorship was a spectacular asset to the event.

All the comments and reactions we received have been extremely complimentary of your Ice fountains! The pictures just came out today and I am sharing the link [http://photos.ve\[REDACTED\]](http://photos.ve[REDACTED]). You can see by the expressions of all the attendees that this was the hit of the day.

We really appreciated all the effort you put into making the event a huge success and I look forward to working with you again in the future.

Thank you so much-

Robbie
