Dear Gary:

On behalf of the City of Miami Beach, I would like to formally thank you and your staff for the excellent job rendered in our Historic Millennium New Years Event. Miami Beach was the location of choice for several international broadcasters, and the positive images surrounding this event certainly will leave a lasting impression.

Without a doubt, the highlight of the evening was the spectacular fireworks program produced by Firepower Displays Unlimited, Inc. The unanimous feedback was that this display far exceeded any previous South Florida show. The quality, magnitude and duration were simply superior.

My congratulations to you and your staff. We look forward to working with you again in the near future.

Sincerely,

James Quinlan
Director of Arts, Culture and Entertainment
