Dear Gary,

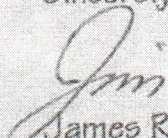

WOW! Congratulations! That was beyond a doubt the best, most spectacular fireworks display in the history of Miami Springs!

My words cannot begin to express all of the comments I have already received today in my office. Our residents were truly and honestly overwhelmed. I can't tell you how many people thought the next barrage would be the finale, that is until they witnessed the actual finale. It was awesome!

Please feel free to use us as a reference should you ever need one. The manner in which your crew came in and set up for the show and then the actual firing of the shells was first class and very professional. The quality of the shells goes without saying.

I look forward to having you bid again next year. Based on the quality we saw on Saturday, I think you will have a great shot at a repeat performance.

Sincerely,

James R. Borgmann
