Dear Mr. Avins:

On behalf of the City of Miramar and all its residents, I want to take this opportunity to thank you for a fabulous fireworks show on July 4, 2012.

Your company has provided the fireworks displays for our events for many years, but this year's show was one of the best ever. Kudos to you and Kevin on your creativity and originality.

It is a joy working with such a professional group of people and, if the opportunity presents itself, we can't wait to see what future shows will be like.

Thank you again for making July 4, 2012 a huge success for all of us here in the City of Miramar.

Sincerely,

Terry Griffin
